

## Communication from Public

**Name:**

**Date Submitted:** 10/20/2022 08:23 AM

**Council File No:** 21-0042-S3

**Comments for Public Posting:** Saw a zoom the other day with Karen Bass who gave a very strong hint that if she is elected, she will reinstate the No Fault Eviction Moratorium because of homelessness. So, possibly declaring a NEW State of Emergency with the No fault eviction again in tow? Could possibly a few of you council people (she said she knew several of you quite well) educate her on the violation of the Takings Amendment. If you have the time.
