Comments for Public Posting: So saw the story about the African American builders on project next to Angel flight who refuse to continue until you resign, Kevin. And yet you say your District 14 needs help and you are going to stay and be there for us. Yet the builders haven't been able to get a call back from you in months. Jeeze, and here we are in Eagle Rock thinking it was just us you would never give any attention to. Well, that's a relief to know we weren't singled out. Don't want to keep you, so get back to work and hope the rest of you are busy studying the Takings Amendment...right?
