COUNCIL TRANSMITTAL: LOS ANGELES HOUSING DEPARTMENT REQUEST FOR AUTHORITY TO REQUEST FOR AUTHORITY TO CONSIDER THE TAX EQUITY AND FISCAL RESPONSIBILITY ACT OF 1982 ("TEFRA") HEARING MINUTES; ISSUE A SUPPLEMENTAL TAX-EXEMPT MULTIFAMILY MORTGAGE CONDUIT BOND IN THE AMOUNT UP TO \$1,150,000; AND EXECUTE RELATED FINANCING DOCUMENTS FOR THE WESTERN AVENUE APARTMENTS PROJECT, A SUPPORTIVE HOUSING PROJECT

SUMMARY

The General Manager of the Los Angeles Housing Department (LAHD) respectfully requests authority to issue a tax-exempt multifamily mortgage conduit revenue bond in the amount not to exceed \$1,150,000 for the development of Western Avenue Apartments ("Project"). The Project consists of a 33-unit development located at 5501 S. Western Avenue, Los Angeles, CA 90062 in Council District 8, currently under development by Veterans Housing Partnership, LLC ("VHP"), with a total per-unit development cost of \$486,826 and a per-unit HHH subsidy of \$141,213. The California Debt Limit Allocation Committee ("CDLAC") has designated December 26, 2022 as the bond issuance deadline. The Project has experienced delays in the construction process due to unforeseen construction costs increases. The supplemental bonds are needed to ensure the Project completion.

RECOMMENDATIONS

- I. That the City Council, subject to the approval of the Mayor:
 - A. CONSIDER the TEFRA Hearing Minutes, provided as an attachment to this report, held on April 21, 2022 for the Project;
 - B. ADOPT the Resolution, provided as an attachment to this report, authorizing the issuance of up to \$1,150,000 in supplemental tax-exempt bonds for the development of the Project; and,

- C. AUTHORIZE the General Manager of LAHD, or designee, to negotiate and execute the relevant financing documents for the Project, provided that (1) the developer and/or other financing parties submit a plan satisfactory to LAHD that will resolve the Event of Default discussed in further detail below upon closing of the supplemental bonds, and (2) the City Attorney approves the relevant financing documents as to form.

BACKGROUND.

Project Summary

The proposed development involves the rehabilitation of an existing motel located at 5501 S. Western Avenue, Los Angeles, CA 90062, in Council District 8. The property consists of two buildings of two stories each. One of the buildings was built in 1956 and the other in 1985. The Project will result in 32 efficiency units and one two-bedroom manager's unit. Sixteen units will be reserved for individuals experiencing homelessness and 16 units will be reserved for individuals experiencing chronic homelessness. The project amenities will include a community room, an open courtyard with landscaping, on-site parking, on-site management, and laundry facilities. The borrower will include green building technologies and materials in the rehabilitation, and is committed to increasing the overall current energy efficiency of the buildings by 10%. Case management services will be provided by Step Up on Second Street, Inc., a California nonprofit corporation.

In November 2018, the City Council and Mayor provided LAHD the authority to issue bonds for the project (C.F. No. 18-0515). On December 27, 2018 LAHD issued \$5,800,000 in bonds and closed the construction financing. Since the closing of the construction financing, the project experienced significant increases in hard construction and soft costs due to spikes in lumber costs, oil based construction materials tied to crude oil prices, and COVID impacts on the availability of laborers on the job.

Western Avenue Apartments Preservation, L.P. ("Borrower") proposed a revised budget that adds approximately \$4 million to the initial Project costs. The construction work has been completed and the developer is working to convert the financing to the permanent financing phase in early 2023. The supplemental bond is needed to ensure compliance and timely conversion to permanent financing and to make sure that the development meets the lender(s) and investor requirements.

Financing History

On March 3, 2022, LAHD executed an Inducement letter in the amount not to exceed \$1,150,000. The letter evidenced the official intent of the City of Los Angeles ("City") to issue its supplemental bond(s) for the development. The letter was executed pursuant to previous authority granted to LAHD by the City Council and Mayor (C.F. No. 04- 2646). On March 16, 2022, on behalf of the Borrower, LAHD submitted a bond application to CDLAC requesting a supplemental \$1,150,00 bond allocation which was awarded on June 15, 2022. A copy of the inducement letter was included as part of the bond application. Per the TEFRA requirements, on April 14, 2022 the TEFRA notice of public hearing was published in the Los Angeles Times, and a TEFRA Hearing was held on April 21, 2022 for the proposed supplemental bonds.

Labor Costs

Labor costs for the Project are subject to California prevailing wage requirements, and/or federal wage requirements under the Davis–Bacon Act of 1931 and Related Acts, as applicable.

Affordability Restrictions

Pursuant to the City’s Affordable Housing Bond Policies & Procedures (“AHBPP”) for Private Activity Bonds for Multifamily Rental Properties, approved September 24, 2019, the Project must provide long-term affordable housing in the City of Los Angeles. Therefore, in connection with the issuance of the tax-exempt bond, a Regulatory Agreement and Declaration of Restrictive Covenants (“Bond Regulatory Agreement”) was executed and then on December 28, 2018 was recorded in the official records of the Los Angeles County Recorder’s Office. The Bond Regulatory Agreement includes affordability restrictions throughout a term ending no sooner than the later of: 1) 15 years after the date on which 50% of the dwelling units are first occupied; 2) the date such bonds are paid in full; or, 3) the date on which any Section 8 assistance terminates, if applicable. In addition to the above, the bond award includes a CDLAC Resolution, which requires that the Housing Project’s affordable housing units remain affordable for 55 years.

The Project also has affordability restrictions applied under a separate agreement with the California Tax Credit Allocation Committee (“CTCAC”) for a term of 55 years, as a result of the allocation of the 4% Low Income Housing Tax Credits (“LIHTC”).

All of the 32 supportive housing units are targeted to households at or below 60% of Area Median Income (“AMI”). Table 4 provides a summary of the unit mix, pursuant to the CDLAC Resolution.

Financial Structure

On December 27, 2018, the City of Los Angeles, as Issuer, issued a bond ("Bond") that was unenhanced and unrated, but subject to the City's AHBPP. The Bond was privately placed and purchased by Deutsche Bank Securities Inc. (DB). The Issuer made a loan ("Construction Loan") from the sale proceeds of the Bond to the Borrower in an amount not to exceed \$5,800,000 pursuant to the terms of a Loan Agreement between the Issuer and the Borrower. The Borrower executed a promissory note ("Note") as evidence to repay the Construction Loan. The Issuer assigned the Note evidencing the Construction Loan to the U.S. Bank National Association (now U.S. Bank Trust Company, National Association), as Trustee, as security for the Bond. Among its various functions, the Trustee receives funds advanced by DB in exchange for additional principal amount of the Bond and releases such funds to the Borrower for the Project construction and rehabilitation.

The Issuer will issue a new supplemental bond ("Supplemental Bond") in the amount not to exceed \$1,150,000 that will be added as an amendment to the existing Bond financing. The Issuer will make a loan ("Supplemental Construction Loan") of the proceeds of the Supplemental Bond to the Borrower pursuant to a Loan Agreement between the Issuer and Borrower. The Supplemental Construction Loan will be non-amortizing, mature in 24 months, require interest-only payments, and shall bear interest at a fixed rate currently estimated at 5.15%, based off a 290 basis point spread over the Securities Industry and Financial Markets Association ("SIFMA") 15-year swap rate, currently at 2.35%. When the Supplemental Bond is issued, the entire principal amount of the Supplemental Bond will be deposited into a cash collateral account held by the trustee providing 100% security for the Supplemental Bond. The Trustee will receive funds advanced by Arc70 Fund III, LP, a Delaware limited partnership ("Purchaser"), as purchaser of the Supplemental Bond, for deposit into a collateral account held by the Trustee. The Trustee would then be permitted to release a like amount of Supplemental Bond proceeds to the Borrower for the Project construction. The funding would continue in this fashion until the Supplemental Bond proceeds have been fully disbursed to the Borrower for eligible Project costs. Red Stone A7 III LLC ("Red Stone") is the loan originator and credit underwriter of the real estate loan, and Red Stone will facilitate the Purchaser's purchase of the Supplemental Bond.

At conversion to permanent financing, a portion of the Construction Loan will be paid down, and the Supplemental Construction Loan will be paid in full with sources available at the permanent financing phase, including investor equity. Concurrently, DB will provide a new tax-exempt permanent loan evidenced by the remaining Bond in the amount up to \$3,300,000. The DB permanent loan will have a 17/40 year term period/amortization schedule and a fixed interest rate estimated to be 5.15%.

The financing structure includes funding from the LAHD Proposition HHH Supportive Housing Loan Program (City Contract C-132457), 4% tax credit equity from Aegon, and a Seller note. In addition, the Project has received a

rental subsidy through the Housing Authority of the City of Los Angeles (“HACLA”) in the form of 32 Project Based Veterans Affairs Supportive Housing (“VASH”) Vouchers.

The Purchaser or Redstone are not subject to the City’s Responsible Banking Ordinance #182138. At closing, bond counsel will provide the required legal opinions as to the tax exempt status of the Bond, under federal and state law. The legal and financing documents will include language that establishes the Bond structure as a limited obligation and strictly payable from Project revenues. The Project financing complies with both the LAHD AHBPP and City Financial Policies. Additionally, the legal and financing documents will require the Borrower to provide annual statements and information as requested by LAHD.

LAHD’s Bond Team for the financing of the Project is as follows:

Bond Issuer Municipal Advisor:	CSG Advisors, Inc. 315 W. 5th Street, Suite 302 Los Angeles, CA 90013
Bond Issuer Counsel:	Los Angeles City Attorney 200 N. Spring Street, 21st Floor Los Angeles, CA 90012
Bond Counsel:	Kutak Rock LLP 777 S. Figueroa Street, Suite 4550 Los Angeles, CA 90017

Event of Default

By letter dated October 17, 2022, Red Stone Servicer, LLC, an affiliate of Redstone and the designated servicer for that certain \$5,800,000 Tax-Exempt Multifamily Housing Revenue Bond identified on the second line of Table 1 – Construction Sources, notified Western Avenue Apartments Preservation, LP that it was in default with respect to its obligations under the bond documents for failure to make certain payments on the bond due on October 1, 2022. The borrower states that borrower lacks the necessary funds to make such payments. However, the tax investor indicated that tax investor would be able provide the necessary funding to address the bond loan payments if the borrower can provide a plan or evidence to assure the investor that the lease up of the project will occur in a timely manner. The borrower is now working with HACLA and the Department of Veterans Affairs (“VA”) to come up with such a plan. LAHD believes that resolution of this current event of default is necessary in order for the City to move forward with the transaction outlined in this transmittal. As a result, LAHD recommends that this transmittal be approved with an instruction that the applicable financing documents only be executed upon submission of a satisfactory plan from the developer (or other parties to the financing, as applicable) that closing on the supplemental bonds shall resolve any current defaults under the bond documents and allow the project to move forward to conversion to permanent financing and its operating phase without further financial commitments from the City.

FISCAL IMPACT

There is no fiscal impact to the General Fund as a result of the issuance of the Bond. The City is a conduit issuer and will not incur liability for repayment of the Bond. The Bond is a limited obligation, payable strictly from revenue derived from the Project. The City will not be obligated to make payments on the Bond.

The purchase price of the Bond so purchased in lieu of redemption shall be equal to the redemption price thereof, and shall be payable on the redemption date by funds provided by or on behalf of the Borrower. The Bond so purchased in lieu of redemption shall be registered to or upon the direction of the Borrower.

Section 2.13 Notice of Redemption. Notice of redemption shall be mailed by the Trustee by first-class mail, postage prepaid, at least 30 days before the redemption date to the Holder of the Bond to be redeemed in whole or in part at his/her last address appearing on the Register, with a copy to the Majority Owner Representative, but no defect in or failure to give such notice of redemption shall affect the validity of the redemption; provided, however, that notice of redemption shall be mailed by the Trustee not less than five Business Days prior to the date fixed for redemption by the Majority Owner Representative pursuant to Section 2.12(b)(iii) hereof. A Bond properly called for redemption, and for which funds to pay the redemption price have been deposited with the Trustee pursuant to the terms hereof, will cease to bear interest on the date fixed for redemption, and, thereafter, the Holder of the Bond called for redemption shall have no rights in respect thereof except to receive payment of the redemption price from the Trustee and a new Bond for any portion not redeemed.

Section 2.14 Recycling Transactions. Notwithstanding any provision of this Indenture or the Bond to the contrary, the Issuer shall be permitted to direct payments of the Note representing the loan of proceeds of the Bond, to be transferred to a custodian or trustee selected by the Issuer, in lieu of application to prepay a like portion of the Bond, so long as the Issuer simultaneously causes other funds to be applied to prepay such portion of the Bond. The preceding provisions shall apply only for purposes of preserving or “recycling” private activity bond volume cap in accordance with Section 146(i)(6) of the Code.

Section 2.15 Payoff Premium Upon at Redemption and Upon Maturity. The redemption of the Bond shall be at a price equal to 100% of the principal amount of the Bond to

Section 3.5 Further Assurances. The Issuer covenants that it will cooperate to the extent necessary with the Borrower and the Trustee in their defenses of the Security against the claims and demands of all Persons and, upon payment or provision for payment of the fees and expenses to be incurred by the Issuer in connection therewith, will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered such indentures supplemental hereto and such further acts, instruments and transfers as the Trustee may reasonably require for the better pledging of the Security. Except for any amendment, modification, supplement, waiver or consent related to the Reserved Rights, the Issuer shall not cause or permit to exist any

Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of the Mayor, the City Council or of any such member, officer, agent or employee, past, present or future, of the Issuer, as such, by reason of any act or omission on his or her part or otherwise, for the payment for or to the owner of the Bond or otherwise of any sum that may remain due and unpaid upon the Bond secured by this Indenture or any of them is, by the acceptance of the Bond, expressly waived and released as a condition of and in consideration for the execution of this Indenture and the issuance of the Bond.

Anything in this Indenture to the contrary notwithstanding, it is expressly understood by the parties to this Indenture that (a) the Issuer may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Issuer by the Trustee, the Borrower, the Majority Owner Representative, or the Owner as to the existence of any fact or state of affairs, (b) the Issuer shall not be under any obligation under this Indenture to perform any record keeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed by the Trustee or by the Majority Owner Representative and (c) none of the provisions of this Indenture shall require the Issuer to expend or risk its own funds or otherwise to incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers under this Indenture, unless it shall first have been adequately indemnified to its satisfaction against any costs, expenses and liability which it may incur as a result of taking such action.

(b) Upon (i) the deposit of a Collateral Payment into the Collateral Fund as provided in Section 4.4 hereof and (ii) the receipt of a fully executed Requisition approved in writing by the Majority Owner Representative, in accordance with the provisions of the

Loan Agreement, the Trustee shall be unconditionally and irrevocably obligated to disburse an equal amount from the Bond Proceeds Account solely for payment or reimbursement of Qualified Project Costs, or if the Trustee is unable for any reason to make such disbursement, to return such Collateral Payment to the party that provided it. The Issuer agrees, however, that if the Issuer has not acknowledged any disbursement within five Business Days of receipt of a request for acknowledgment of such disbursement, the Issuer shall be deemed to have acknowledged such disbursement. The Trustee shall be entitled to conclusively rely upon any Requisition in determining whether to disburse amounts from the Project Fund. After Final Completion of the Project Facilities, but in no event later than the Stabilization Date, all Surplus Bond Proceeds remaining in the Bond Proceeds Account of the Project Fund shall be transferred to the Bond Fund. The Trustee shall have no obligation to review any invoices, schedules, etc., attached to the Requisition and shall be entitled to rely upon any Requisition that has been approved by the Majority Owner Representative in making disbursements from the Project Fund. At the written request of a Borrower Representative, all remaining amounts in the Equity Account of the Project Fund upon the occurrence of Stabilization shall be paid to the Borrower upon receipt of the prior written approval of the Majority Owner Representative, which approval shall not be unreasonably withheld or delayed.

(c) Notwithstanding any provision of the Loan Agreement or any other provision of this Indenture to the contrary, the Trustee shall not disburse money from the Bond Proceeds Account, other than to pay principal of, redemption premium, if any, and interest on the Bond when due, unless and until Collateral Payments or other Eligible Funds in an amount equal to or greater than the requested disbursement amount have been deposited into the Collateral Fund. Prior to making any disbursement (except to the extent necessary to pay principal of, redemption premium, if any, and interest on the Bond when due), the Trustee shall determine that the aggregate principal amount that will be held in (a) the Collateral Fund and (b) the Bond Proceeds Account, after the anticipated disbursement, is at least equal to the then Outstanding principal amount of the Bond; provided, however, to the extent money on deposit in the Bond Proceeds Account is invested in Permitted Investments, the Trustee is hereby authorized to make the following allocations and exchanges, which allocations and exchanges shall occur prior to the disbursement of amounts on deposit in the Bond Proceeds Account to pay Qualified Project Costs: (i) allocate all or a portion of the Permitted Investments in the Bond Proceeds Account, in the amount specified in the request for disbursement, to the Collateral Fund and (ii) transfer a like amount from the Collateral Fund to the Bond Proceeds Account. To the extent money is not otherwise available to the Trustee, including money on deposit in the Bond Fund or the Collateral Fund, the Trustee shall transfer from the Bond Proceeds Account to the Bond Fund sufficient money to pay principal of and interest on the Bond on each Interest Payment Date and Principal Payment Date, as applicable, without further written direction.

(e) Amounts in the Costs of Issuance Account shall be disbursed by the Trustee on the Issue Date or as soon as practicable thereafter to pay (i) to the California Debt and Investment Advisory Commission ("CDIAC") the CDIAC fee of up to \$[2,875] upon receipt of an invoice therefor and (ii) the Trustee the sum of \$[] as its acceptance fee and fees of legal counsel and \$[] as the first year Trustee's Fees. Amounts remaining in the Costs of Issuance Account (including investment proceeds) after the payment of all costs of issuance, and in any event not later than 90 days following the Issue Date, shall be transferred to the Equity Account of the Project Fund, as directed in writing by the Borrower; provided any such amounts representing Surplus Bond Proceeds shall be transferred to the Bond Fund, as directed in writing by the Borrower, and the Trustee shall close the Costs of Issuance Account.

(f) Moneys representing a Condemnation Award or Insurance Proceeds shall be deposited into the Insurance and Condemnation Proceeds Account of the Project Fund, and notice of such deposit thereof shall be given by the Trustee to the Majority Owner Representative and the Holder. To the extent there has been a determination pursuant to the Bond Documents to restore the Project Facilities, such Condemnation Award or Insurance Proceeds shall be expended in accordance with the written direction of the Majority Owner Representative for such purposes in accordance with the provisions of the Bond Documents. In the event there is a determination pursuant to the Bond Documents not to restore the Project Facilities, such Condemnation Award or Insurance Proceeds shall be either (i) transferred to the Bond Fund and applied to the redemption of the Bond in accordance with Section 2.12 hereof, or (ii) released to the Borrower if the Borrower obtains an opinion of Bond Counsel that such release will not affect the excludability of the interest on the Bond from gross income for federal income tax purposes, all in accordance with written direction of the Majority Owner Representative to the Trustee and subject to the provisions of the Bond Documents.

(g) Upon the occurrence and continuation of an Event of Default under the Loan Agreement, all money and investments in the Project Fund may be disbursed at the direction of the Majority Owner Representative to pay any costs and expenses of the Project Facilities, to pay costs of enforcement of the Bond Documents the Senior Bond Documents and to pay any and all amounts owed by the Borrower under the Bond Documents and the Senior Bond Documents, in whatever amounts and whatever order the Majority Owner Representative may determine.

Section 4.4 Collateral Fund. Upon receipt, the Trustee shall deposit into the Collateral Fund all Collateral Payments received pursuant to Section [8.6] of the Loan Agreement and any other Eligible Funds received by the Trustee for deposit into the Collateral Fund. Section [8.6] of the Loan Agreement requires the Borrower to cause Collateral Payments to be paid to the Trustee for deposit into the Collateral Fund in a principal amount equal to, and as a prerequisite to the

disbursement of, the amount of Bond proceeds on deposit in the Bond Proceeds Account to be disbursed by the Trustee to pay Qualified Project Costs.

Each deposit into the Collateral Fund shall constitute an irrevocable deposit solely for the benefit of the Holder, subject to the provisions hereof.

The Trustee shall transfer money in the Collateral Fund as follows: (i) on each Interest Payment Date and Principal Payment Date, as applicable, to the Bond Fund, the amount necessary to pay principal of and interest on the Bond when due on such Interest Payment Date and Principal Payment Date, as applicable, to the extent money is not otherwise available to the Trustee, including money on deposit in the Bond Fund and (ii) if the Bond is subject to mandatory redemption pursuant to Section 2.12(b) hereof, on the date of such redemption, to the Bond Fund, the amount necessary to pay the redemption price.

The Bond shall not be, and shall not be deemed to be, paid or prepaid by reason of any deposit into the Collateral Fund unless and until the amount on deposit in the Collateral Fund is transferred to the Bond Fund and applied to the payment of the principal of the Bond, or the principal component of the redemption price of any of the Bond, all as provided in this Indenture.

Amounts on deposit in the Collateral Fund in excess of the amount required to pay principal of, premium, if any, and interest on the Bond after (i) payment in full of the Bond in the event of a mandatory redemption pursuant to Section 2.12(b) hereof or (ii) the Maturity Date, shall be released to the Tax Credit Investor.

Following the disbursement of all funds pursuant to the terms of this Section 4.4, the Trustee shall close the Collateral Fund.

Section 4.5 Use of Certain Additional Funds and Accounts.

(a) Redemption Fund.

(i) There shall be deposited in the Redemption Fund (a) all payments specified in Section 8.4 of the Loan Agreement to be deposited in the Redemption Fund, and (b) all other moneys received by the Trustee under the Loan Agreement or this Indenture for deposit by it in the Redemption Fund. Moneys in the Redemption Fund shall be held in trust for the Holder and, except as otherwise expressly provided herein, shall be used solely for the redemption of Bond pursuant to Section 2.12 hereof. On each Principal Payment Date or redemption date and as otherwise required hereunder or at the written direction of the Majority Owner Representative, the Trustee shall transfer such amounts from the Redemption Fund to the Bond Fund and call and redeem the Bond as provided in Section 2.12 hereof. After payment in full of the Bond, or provision for the payment of the Bond having been made pursuant to Section 5.2 hereof, and the payment of any amounts owing to the United States pursuant to any rebate requirement and any other amounts owing hereunder and under any of the other Bond Documents, any amounts remaining in the Redemption Fund shall be paid to the Borrower.

(ii) Upon the occurrence and continuation of an Event of Default under the Loan Agreement, all money and investments in the Redemption Fund may be disbursed at the direction of the Majority Owner Representative to pay any costs and expenses of the Project Facilities, to pay costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under any of the Bond Documents, in whatever amounts and in whatever order the Majority Owner Representative may determine.

(b) [Reserved].

(c) Rebate Fund. The Issuer recognizes that investment of the Bond proceeds will be at the written direction of the Borrower but agrees that it will commit no act, or omit any action, that would cause the Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code and the applicable regulations thereunder. There is hereby established with the Trustee a Rebate Fund. Any provisions in this Indenture to the contrary notwithstanding, amounts credited to the Rebate Fund shall be free and clear of any lien hereunder. The Issuer will observe the covenants contained in the Tax Certificate as if fully set forth herein and the Trustee will follow the written direction of the Borrower in disbursing any amounts in the Rebate Fund to satisfy rebate amounts the Borrower or Rebate Analyst determine are owed.

(d) [Reserved].

(e) [Reserved].

Section 4.6 Records.

(a) The Trustee shall cause to be kept and maintained records pertaining to all funds and accounts maintained by the Trustee hereunder and all disbursements therefrom and shall periodically deliver to the Borrower statements of activity and statements indicating the investments made with moneys in all such funds during the applicable period. Upon written request, the Trustee shall provide the Borrower and the Majority Owner Representative, within a reasonable period of time, with a report stating the principal amount of the Bond Outstanding and the registered owner of the Bond as of the date specified by the Borrower or the Majority Owner Representative in its request.

(b) The Trustee shall provide the Borrower and the Majority Owner Representative with a written report, on a monthly basis through the calendar month in which the last obligation of the Bond is retired, identifying the Permitted Investments in which the moneys held as part of the Accounts were invested during the preceding period and the dates of such investments, together with such other information as the Trustee ordinarily provides to Persons such as the Borrower and the Majority Owner Representative in its regular monthly investment reports.

Section 4.7 Investment of Funds. Subject to the provisions of Section 4.8 hereof, moneys held as part of all Accounts hereunder shall be invested and reinvested in Permitted Investments as instructed in writing by the Borrower with the prior written consent of the Majority Owner Representative; provided, however, that any moneys held by the Trustee to pay the

principal of, premium, if any, or interest that has become payable with respect to the Bond shall not be invested. All Permitted Investments shall be held by or under the control of the Trustee and shall be deemed at all times to be a part of the fund and account which was used to purchase the same. The Trustee may act as principal or agent in the making or disposing of any investment and may utilize its investment department or that of its affiliate and charge its standard investment handling fees. All interest accruing thereon and any profit realized from Permitted Investments shall be credited to the respective fund or account and any loss resulting from Permitted Investments shall be similarly charged. Notwithstanding anything herein to the contrary, (i) all investment earnings from amounts on deposit in the Bond Proceeds Account and the Collateral Fund shall be credited to the Bond Fund, and (ii) all gains resulting from the sale of, or income from, any investment made from moneys credited to the Collateral Fund and the Bond Proceeds Account shall be credited to and become part of the Bond Fund. The Trustee is authorized to cause to be sold and reduced to cash a sufficient amount of Permitted Investments whenever the cash balance in any fund or account hereunder is or will be insufficient to make a requested or required disbursement. The Trustee shall not be responsible for any depreciation in the value of any Permitted Investment or for any loss resulting from such sale, so long as the Trustee performs its obligations hereunder in accordance with the terms of this Indenture. Absent specific instructions from the Borrower approved by the Majority Owner Representative to invest cash balances in Permitted Investments hereunder, the Trustee shall hold such balances uninvested.

Section 4.8 Yield Restriction. The Issuer acknowledges (and the Borrower by virtue of its execution of the Loan Agreement acknowledges) that investments in funds or Accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code and (unless valuation is undertaken at least annually) investments in any reserve fund shall be valued at their present value (within the meaning of Section 148 of the Code). As set forth in the Tax Certificate, certain funds or Accounts will not be invested at an overall yield in excess of the yield on the Bond, unless the Borrower, the Trustee, and the Majority Owner Representative receive an opinion of Bond Counsel that the investment of such funds or Accounts at an overall yield in excess of such amount set forth in the Tax Certificate does not adversely affect the excludability of interest on the Bond by the Holder thereof for federal income tax purposes.

Section 4.9 Guaranties. Any amounts received by the Trustee under the Guaranty of Completion, the Guaranty of Debt Service and Stabilization, the Guaranty of Recourse Obligations, the Environmental Indemnity or the Developer Fee Pledge shall be deposited in the Equity Account of the Project Fund, shall be deemed a part of the Security, and used or applied or invested by the Trustee as directed in writing by the Majority Owner Representative, including the deposit of such funds in the Senior Indenture.

[End of Article IV]

ARTICLE V DISCHARGE OF LIEN

Section 5.1 Discharge of Lien and Security Interest. Upon payment in full of the Bond and all amounts payable under the Loan Agreement and the other Bond Documents, these presents and the Security Interests shall cease, determine and be discharged, and thereupon the Trustee shall (a) cancel and discharge this Indenture and the Security Interests; (b) execute and deliver to the Issuer and the Borrower, at the Borrower's expense, such instruments in writing as shall be required to cancel and discharge this Indenture and the Security Interests and reconvey to the Issuer and the Borrower the Security, and assign and deliver to the Issuer and the Borrower so much of the Security as may be in its possession or subject to its control, except for moneys and Government Obligations held in the Bond Fund for the purpose of paying the Bond; and (c) mark as cancelled the Note; provided, however, that the cancellation and discharge of this Indenture pursuant to Section 5.3 hereof shall not terminate the powers and rights granted to the Trustee, with respect to the payment, registration of transfer and exchange of the Bond; provided, further, that the rights of, including attorneys' fees and expenses, the Issuer and the Trustee to indemnity, non-liability and payment of all reasonable fees and expenses shall survive the cancellation and discharge of this Indenture pursuant to this Section or Section 5.3 hereof.

Section 5.2 Provision for Payment of the Bond. The Bond shall be deemed to have been paid within the meaning of Section 5.1 hereof if:

(a) there shall have been irrevocably deposited in the Bond Fund sufficient money or Government Obligations of such maturities and interest payment dates and bearing such interest as will, in the opinion of a nationally recognized firm of certified public accountants, without further investment or reinvestment of either the principal amount thereof or the interest earnings thereon (said earnings also to be held in trust), be sufficient for the payment at the earliest maturity or redemption date prior to maturity of the principal of the Bond of, premium, if any, and interest to accrue thereon through such maturity or redemption date, as the case may be;

(b) there shall have been paid or provision duly made for the payment of all fees and expenses of the Issuer and the Trustee, including attorneys' fees and expenses, due or to become due; and

(c) if the Bond is to be redeemed on any date prior to its maturity, the Trustee shall have received in form satisfactory to it irrevocable written instructions from the Borrower or the Majority Owner Representative, as the case may be, in accordance with Section 2.12 hereof to cause a redemption of the Bond, to redeem the Bond on such date and either evidence satisfactory to the Trustee that all redemption notices required by this Indenture have been given or irrevocable power authorizing the Trustee to give such redemption notices has been granted to the Trustee.

Limitations set forth elsewhere herein regarding the investment of moneys held by the Trustee in the Bond Fund shall not be construed to prevent the depositing and holding in the Bond Fund of the Government Obligations described in this Section 5.2 for the purpose of defeasing the lien of this Indenture as to the Bond which has not yet become due and payable. Notwithstanding

any other provision of this Indenture to the contrary (but subject to Section 5.2(a) hereof), all funds deposited with the Trustee as provided in this Section may be invested and reinvested, at the direction of the Borrower, in Government Obligations (or in a money market fund that invests solely in Government Obligations and is rated no lower than the second highest category by one of Fitch, Moody's or S&P and, if more than one of such rating agencies then rates such money market fund, is rated no less than the second highest rating category by each of such rating agencies then rating such money market fund) maturing in the amounts and times as hereinbefore set forth, and all income from all Government Obligations (or money market fund) in the hands of the Trustee pursuant to this Section which is not required for the payment of the Bond and interest and redemption premium, if any, thereon with respect to which such moneys shall have been so deposited shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in the Bond Fund.

Section 5.3 Discharge of this Indenture. Notwithstanding the fact that the lien of this Indenture upon the Security may have been discharged and cancelled in accordance with Section 5.1 hereof, this Indenture and the rights granted and duties imposed hereby, to the extent not inconsistent with the fact that the lien upon the Security may have been discharged and cancelled, shall nevertheless continue and subsist after payment in full of the Bond or the deemed payment in full of the Bond in accordance with Section 5.2 hereof until the Trustee shall have returned to the Borrower, all funds held by the Trustee which the Borrower is entitled to receive pursuant to this Indenture after the Bond has been paid at maturity or redeemed on the date set for redemption. Upon payment in full or defeasance of the Bond, payment of amounts payable to the United States pursuant to any rebate requirement and payment of all other amounts owing under the Bond Documents, all remaining amounts held by the Trustee shall be paid to the Borrower.

[End of Article V]

ARTICLE VI DEFAULT

Section 6.1 Remedies Under Loan Agreement or Note. Upon a default by the Issuer of its obligations hereunder, the Trustee shall take such actions to enforce the provisions of this Indenture as are specified in writing by the Majority Owner Representative. Notwithstanding the foregoing, or anything else to the contrary herein, no Event of Default by the Borrower under the Loan Agreement shall constitute an event of default with respect to this Indenture or the Bond (including, without limitation, a failure to make any payment due with respect to the Bond as a consequence of the Borrower's failure to make any payment due under the Loan Agreement). The Issuer's, the Trustee's, and the Bondholder's remedies with respect to a default under the Loan Agreement, the Senior Bond Documents or the other Bond Documents, shall be as set forth under the Loan Agreement, the Senior Bond Documents or the other Bond Documents.

The Issuer shall cooperate with the Majority Owner Representative and the Trustee in exercising rights and remedies under the Senior Bond Documents or any other Bond Documents, but only upon being satisfactorily indemnified by the Borrower for any fees or expenses related thereto as provided in the Loan Agreement, the Regulatory Agreement, the Bond Documents, or the Senior Bond Documents (as applicable).

At the option of the Bondowner, acting through the Majority Owner Representative, following the occurrence of an Event of Default, the Holder may present the Bond to the Trustee for cancellation in exchange for an assignment by the Trustee to the Holder or its designee of the Security, whereupon the Trustee shall cancel the Bond and the Trustee and the Issuer shall execute and deliver such documents and instruments as may be necessary and make such transfers of funds as may be necessary to cause the entire Security, including the Note, the Loan Agreement, and all other documents evidencing and securing the obligations of the Borrower thereunder and all moneys held in the funds and accounts hereunder, to be assigned to or upon the order of the Holder. Following such assignment, the Bond shall no longer be Outstanding for any purpose hereunder, the lien of the Indenture shall be deemed discharged as if the Bond had been paid in full, and the Holder or its designee shall take title to the Security free and clear of the lien created hereunder. Thereafter, (i) neither the Issuer nor the Trustee shall have any further rights with respect to the Security and (ii) the Holder or its designee or assignee shall be free to exercise remedies under the Note, the Loan Agreement, and all other documents evidencing and securing the obligations of the Borrower thereunder and to apply the proceeds of the exercise of such remedies in its sole and absolute discretion.

Section 6.2 Other Remedies; Rights of Holders.

(a) No delay or omission to exercise any right or power accruing upon any Default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Default or Event of Default or acquiescence therein and every such right and power may be exercised from time to time and as often as may be deemed expedient.

(b) No waiver of any default hereunder, whether by the Trustee or by the Holder, shall extend to or shall affect any subsequent default or shall impair any rights or remedies consequent thereon.

(c) The Trustee, as the assignee of substantially all right, title and interest of the Issuer in and to the Loan Agreement and the Note, shall be empowered to enforce each and every right granted to the Issuer under the Loan Agreement and the Note other than Reserved Rights.

Section 6.3 Limitation of Liability to Security. Notwithstanding anything contained in this Indenture, the Issuer shall not be required to advance any moneys derived from the proceeds of taxes collected by the Issuer, the State of California or by any political subdivision thereof or from any source of income of any of the foregoing other than the Trust Estate for any of the purposes mentioned in this Indenture, whether for the payment of the principal of or interest on the Bond or for any other purpose of this Indenture.

Section 6.4 Application of Moneys. Except for moneys deposited for the purposes set forth in Article V hereof, all moneys held by the Trustee (other than the Rebate Fund) or received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall be deposited in the Bond Fund and, after payment (out of moneys derived from a source other than moneys held for the redemption of the Bond) of (i) the cost and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee, including reasonable attorneys' fees, and all other outstanding fees and expenses of the Trustee, and (ii) any sums due to the Issuer under the Loan Agreement (other than Repayments), such moneys shall be applied in the order set forth below:

(a) Unless the principal of all Bond shall have become or been declared due and payable, all such moneys shall be applied:

FIRST: To the payment of all installments of interest then due on the Bond in order of priority first to installments past due for the greatest period and, if the amount available shall not be sufficient to pay in full any particular installment, then to the ratable payment of the amounts due on such installment;

SECOND: To the payment of the unpaid principal of and premium, if any, of the Bond which shall have become due (other than a Bond called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), with interest on such Bond from the date upon which it became due (at the rate borne by the Bond, to the extent permitted by law) and, if the amount available shall not be sufficient to pay in full the Bond due on a particular date, together with such premium, then to the ratable payment of the amounts due on such date;

THIRD: To the payment of the amounts required to reimburse the Issuer and the Owner of the Bond for any legal or other out-of-pocket costs incurred by them in connection with exercising their remedies hereunder;

FOURTH: To replenish any reserve or escrow deposits required under this Indenture or the other Bond Documents; and

FIFTH: The balance shall be paid to the Borrower (subject to any required deposits to the Rebate Fund).

(b) If the principal of all the Bond shall have become or been declared due and payable, all such moneys shall be applied to the payment of the principal, acceleration premium, and interest then due and unpaid upon the Bond, without preference or priority as between principal, premium, interest, installments of interest on the Bond, ratably according to the amounts due respectively for principal, premium and interest to the persons entitled thereto.

(c) If the principal on the Bond shall have been declared due and payable, and if such declaration shall thereafter have been rescinded under this Article then, subject to subsection (b) of this Section in the event that the principal of all the Bond shall again become or be declared due and payable, the moneys shall be applied in accordance with subsection (a) of this Section.

(d) Notwithstanding anything contained herein to the contrary, the Majority Owner Representative may, with express written consent of the Majority Owner (and to the extent such direction affects payments due to the Issuer or the Trustee, with the prior written consent of the Issuer and the Trustee, as applicable), by written notice to the Trustee direct the application of funds other than in the manner set forth in Section 6.7(a) above, including, without limitation, the application of funds between the principal or acceleration premium of or interest on the Bond.

(e) Whenever moneys are to be applied pursuant to this Section, the Trustee shall fix the date, which shall be not more than seven calendar days after receipt of such moneys, upon which such application is to be made and upon such date interest on the principal amount of the Bond to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date.

ARTICLE VII THE TRUSTEE

Section 7.1 Appointment of Trustee. The Issuer hereby appoints U.S. Bank Trust Company, National Association, as Trustee hereunder, and the Trustee does hereby agree to act in such capacity, and to perform the duties of the Trustee under this Indenture, but only upon and subject to the following express terms and conditions (and no implied covenants or other obligations shall be read into this Indenture against the Trustee):

(a) The Trustee may execute any of its trusts or powers hereunder and perform any of its duties by or through attorneys, agents, receivers or employees. The Trustee shall be entitled to advice of Counsel concerning all matters hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees. The Trustee may act upon the opinion or advice of Counsel, accountants, engineers or surveyors selected by it in the exercise of reasonable care or, selected by the Issuer or the Borrower, in accordance with the Bond Documents. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) Except as provided in Section 7.8 hereof, the Trustee shall not be responsible for any recital herein or in the Bond, or for the recording, re-recording, filing or re-filing of this Indenture, of any financing statements or continuation statements, or for insuring the Security or the Project Facilities or, except as instructed by the Majority Owner Representative, or for the validity of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bond issued hereunder or intended to be secured hereby, or for the value of or title to the Project Facilities or otherwise as to the maintenance of the Security. The Trustee shall not be liable to the Borrower, the Holder, or any other Person for any loss suffered in connection with any investment of funds made by it in accordance with Section 4.7 hereof in good faith as instructed by the Borrower in accordance with the provisions of this Indenture, and with the prior written consent of the Majority Owner Representative, as applicable. The Trustee shall have no duty or responsibility to examine or review and shall have no liability for the contents of any documents submitted to or delivered to the Holder in the nature of a preliminary or final placement memorandum, official statement, offering circular or similar disclosure document, except for information expressly provided by the Trustee concerning itself for inclusion therein.

(c) The Trustee shall not be accountable for the use of the Bond authenticated or delivered hereunder after such Bond shall have been delivered in accordance with instructions of the Issuer or for the use by the Borrower of the proceeds of the Bond advanced to the Borrower as provided in the Loan Agreement. The Trustee may become the owner of the Bond secured hereby with the same rights as any other Holder.

(d) The Trustee shall be protected in acting upon opinions of Counsel and upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any notices, directions, consents, approvals or requests provided to the

Trustee pursuant to the terms of this Indenture or any of the Bond Documents shall not be effective until provided in writing. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the Holder of any Bond shall be conclusive and binding upon any future Holder of the same Bond and upon the Bond issued in exchange therefor or in place thereof.

(e) The permissive right of the Trustee to do things enumerated in this Indenture or the Loan Agreement shall not be construed as duties. The Trustee shall only be responsible for the performance of the duties expressly set forth herein and shall not be answerable for other than its negligence, bad faith or willful misconduct in the performance of those express duties.

(f) The Trustee shall not be personally liable for any debts contracted or for damages to persons or to personal property injured or damaged, or for salaries or non-fulfillment of contracts, relating to the Project Facilities.

(g) The Trustee shall not be required to give any bond or surety in respect of the execution of said trust and powers or otherwise in respect of this Indenture.

(h) Before taking any action requested hereunder by the Holder which may require it to expend its own funds or otherwise subject it to liability, the Trustee may require satisfactory security or indemnification for the reimbursement of all expenses and/or liabilities to which it may be put by reason of any action so taken. The Trustee shall not be entitled to indemnification as a precondition to giving notices of default or taking other actions at the direction of the Holder or the Majority Owner Representative if the Trustee determines that such actions shall not subject the Trustee to liability and if such actions do not require the Trustee to expend its own funds or for which funds have been advanced by the Holder or the Majority Owner Representative to the Trustee in advance of its taking such action.

(i) All moneys received by the Trustee, until used or applied or invested as herein provided, shall be held as special trust funds for the purposes specified in this Indenture and for the benefit and security of the Holder of the Bond as herein provided. Such moneys need not be segregated from other funds except to the extent required by law or herein provided, and the Trustee shall not otherwise be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(j) The Trustee shall not be bound to ascertain or inquire as to the performance of the obligations of the Borrower or the Issuer under the Loan Agreement or this Indenture, and shall not be deemed to have, or be required to take, notice of default under this Indenture, other than under Section 6.1(a), (b) or (c), or the occurrence of a Determination of Taxability, except (i) in the event the Borrower fails to pay any Repayment when due, (ii) in the event of an insufficient amount in the Bond Fund (or any account therein) to make a principal or interest payment on the Bond, (iii) if the Trustee receives written notification of a Determination of Taxability by the Holder of the Bond, (iv) if the Trustee receives written notification of such default by the Borrower, the Majority Owner

Representative, or the Holder, or (v) if the Trustee receives an opinion of Bond Counsel concluding that a Determination of Taxability has occurred, and in the absence of such notice the Trustee may conclusively presume there is no Determination of Taxability and no default except as aforesaid. The Trustee may nevertheless require the Issuer and the Borrower to furnish information regarding performance of their obligations under the Loan Agreement and this Indenture, but is not obligated to do so.

(k) The Trustee shall, prior to any Event of Default and after the curing of all Events of Default which may have occurred, perform such duties and only such duties of the Trustee as are specifically set forth in this Indenture. The Trustee shall, during the existence of any Event of Default which has not been cured, exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his/her own affairs.

(l) In addition to the Trustee's other duties hereunder, the Trustee shall authenticate and cancel the Bond as provided herein, keep such books and records relating to such duties as shall be consistent with prudent industry practice and make such books and records available for inspection by the Issuer and the Borrower at all reasonable times. The Bond shall be made available for authentication, exchange and registration of transfer at the principal office of the Trustee.

(m) The Trustee shall have no duty to inspect or oversee the renovation or completion of the Improvements or to verify the truthfulness or accuracy of the certifications made by the Borrower in any Requisition.

(n) Without limiting the duties of the Trustee expressly set forth herein, the Trustee shall have no obligation or responsibility whatsoever in connection with (i) any federal or state tax-exempt status of the Bond or the interest thereon; (ii) the consequences of the investment or non-investment of any funds or accounts relating to the Bond under Section 148 of the Code, or (iii) the calculation of any amount required to be rebated to the United States under Section 148 of the Code.

(o) No provision of this Indenture, the Loan Agreement or the Bond shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(p) Whenever in the administration of this Indenture the Trustee deems it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee may, in the absence of bad faith on its part and except as otherwise expressly set forth herein, rely upon a written certificate of the Majority Owner Representative or the Holder.

(q) [Reserved].

(r) The Trustee's immunities and protections from liability and its rights to indemnification in connection with the performance of its duties under this Indenture shall

likewise extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and rights to indemnification, together with the Trustee's rights to compensation, shall survive the Trustee's resignation or removal, the discharge of this Indenture and the final payment of the Bond.

(s) The Trustee, in its commercial banking or in any other capacity, may in good faith buy, sell, own, hold or deal in the Bond and may join in any action that the Holder may be entitled to take with like effect as if it were not the Trustee. The Trustee, in its commercial banking or in any other capacity, may also engage in or be interested in any financial or other transaction with the Borrower and may act as depository, trustee or agent for the Holder secured hereby or other obligations of the Borrower, as freely as if it were not the Trustee hereunder. The provisions of this paragraph shall extend to the affiliates of the Trustee.

Section 7.2 Compensation and Indemnification of Trustee and Rebate Analyst; Trustee's Prior Claim.

(a) The Loan Agreement provides that the Borrower will pay the Trustee's Fee and the reasonable fees and expenses of the Trustee under this Indenture, including attorney fees and expenses, and all other amounts which may be payable to the Trustee under this Section, such fees and expenses to be paid when due and payable by the Borrower directly to the Trustee for its own account. The Trustee shall not have a lien on the Security for the payment of its fees or expenses and shall not be entitled to pay its fees and expenses from amounts held in the funds and accounts hereunder.

(b) The Borrower shall (i) pay the Trustee from time to time, and the Trustee shall be entitled to, reasonable compensation (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) for all services (including extraordinary services), (ii) pay or reimburse the Trustee upon request for all reasonable expenses, disbursements and advances incurred or made, in accordance with any of the provisions of this Indenture and the Loan Agreement (including the reasonable compensation and the reasonable expenses and disbursements of its Counsel and of all agents and other persons not regularly in its employ), except to the extent that any such expense, disbursement or advance is due to its own negligence, willful misconduct or bad faith, and (iii) indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred by it, arising out of or in connection with the acceptance or administration of this Indenture or the trusts hereunder or the performance of its duties hereunder or under the Loan Agreement, including the reasonable costs and expenses of defending itself against or investigating any claim of liability in the premises, except to the extent that any such loss, liability or expense was due to its own gross negligence, willful misconduct or bad faith. "Trustee," for purposes of this Section shall include any predecessor Trustee, but the negligence, willful misconduct or bad faith of any Trustee, shall not affect the indemnification of any other Person. The obligations of the Borrower under this Section shall survive the termination of this Indenture.

(c) The Issuer has no obligation to pay the Trustee for services rendered.

Section 7.3 Intervention in Litigation. In any judicial proceedings to which the Issuer is a party, the Trustee may intervene on behalf of the Holder, and shall intervene if requested in writing by the Majority Owner Representative or the Holder of the Bond then Outstanding.

Section 7.4 Resignation; Successor Trustees.

(a) The Trustee and any successor Trustee may resign only upon giving 60 days prior written notice to the Issuer, the Borrower, the Majority Owner Representative and the Holder of the Bond then Outstanding as shown on the Register. Such resignation shall take effect only upon the appointment of a successor Trustee by the Issuer with the consent of the Majority Owner Representative and the acceptance of such appointment by the successor Trustee. If no successor is appointed within 60 days after the notice of resignation, the Majority Owner Representative may appoint a Trustee or the resigning Trustee, at the Borrower's expense, may appoint a successor or petition any court of competent jurisdiction to appoint a successor. Upon appointment of a successor Trustee, the resigning Trustee shall assign all of its right, title and interest in this Indenture and the Security to the successor Trustee. The successor Trustee shall be a state banking corporation, national banking association, or trust company with the authority to accept trusts in the State and having either (i) a combined capital and of at least \$50,000,000, as set forth in its most recent published annual report of condition, (ii) be a wholly owned subsidiary of a bank holding company, or a wholly owned subsidiary of a company that is a wholly owned subsidiary of a bank holding company, having a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition, have at least \$500,000,000 of trust assets under management and have a combined capital surplus of at least \$2,000,000 as set forth in its most recent published annual report of condition, or (iii) be otherwise acceptable to the Issuer in its sole and absolute discretion. Any successor Trustee shall accept in writing its duties and responsibilities hereunder and such writing shall be filed with the Issuer, the Majority Owner Representative and the Borrower.

(b) Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, reorganization or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or any material part of the corporate trust business of the Trustee that includes this Indenture, shall be the successor of the Trustee hereunder without the execution or filing of any paper or any further act on the part of any Person, anything herein to the contrary notwithstanding, provided that such successor Trustee shall be eligible to serve as Trustee under the provisions of this Indenture. If the Trustee is not the successor corporation in any such merger or consolidation, the Trustee shall give notice of such event to the Majority Owner Representative and the Borrower and shall take such action as may be required to effect a transfer of the trust included in this Indenture to such successor corporation. Notwithstanding the foregoing, the Trustee shall cause written notice of such succession to be delivered to the Issuer and the Borrower within 30 days of such succession.

Section 7.5 Removal of Trustee. The Trustee may be removed at any time, by an instrument or concurrent instruments in writing delivered to the Trustee, the Issuer, the Majority Owner Representative and the Borrower and signed by the Holder with the written consent of the

Issuer. During such time that no Event of Default has occurred and is continuing under this Indenture, the Trustee may also be removed by an instrument or concurrent instruments in writing delivered to the Trustee and the Issuer and signed by the Majority Owner Representative, with notice to the Borrower and written consent of the Issuer. Any such removal shall take effect only upon the appointment of a successor Trustee by the Issuer with the consent of the Majority Owner Representative and the acceptance of such appointment by the successor Trustee. Upon such removal, the Trustee shall assign to the successor Trustee all of its right, title and interest in this Indenture and the Security in the same manner as provided in Section 7.4 hereof.

Section 7.6 Instruments of Holder.

(a) Any instrument required by this Indenture to be executed by the Holder may be in any number of writings of similar tenor and may be executed by the Holder in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of the Bond given in any of the following forms shall be sufficient for any of the purposes of this Indenture:

(i) A certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him/her the execution thereof; and

(ii) A certificate executed by any trust company or bank stating that at the date thereof the party named therein did exhibit to an officer of such trust company or bank, as the property of such party, the Bond therein mentioned.

(b) The Trustee may rely on such an instrument of the Holder unless and until the Trustee receives notice in the form specified in clauses (a) (i) or (ii) above that the original such instrument is no longer reliable.

Section 7.7 Power to Appoint Co-Trustees.

(a) At any time or times, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Project Facilities may at the time be located, the Issuer and the Trustee shall have power to appoint and, upon the request of the Trustee or of the Holder of the Bond then Outstanding, the Issuer shall for such purpose join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint, one or more persons approved by the Trustee and the Borrower either to act as co-trustee or co-trustees, jointly with the Trustee of all or any part of the Project Facilities, or to act as separate trustee or separate co-trustees of all or any part of the Project Facilities, and to vest in such person or persons, in such capacity, such title to the Project Facilities or any part thereof, and such rights, powers, duties, trusts or obligations as the Issuer and the Trustee may consider necessary or desirable, subject to the remaining provisions of this Section.

(b) Any co-trustee or separate trustee shall be a bank or trust company with trust powers organized under the laws of the United States of America or any state of the United States or the District of Columbia, having a combined capital stock, surplus and undivided profits aggregating at least \$50,000,000.

(c) The Trustee and co-trustee, if any, may by written instrument between them designate and assign either the Trustee or the co-trustee or both of them to perform all or any part of the responsibilities and duties of the Trustee under this Indenture.

(d) If the Issuer shall not have joined in such appointment within 30 days after the receipt by it of a written request to do so, or in case an Event of Default shall have occurred and be continuing, the Trustee and the Borrower shall have the power to make such appointment.

(e) The Issuer shall execute, acknowledge and deliver all such instruments as may be required by any such co-trustee or separate trustee for more fully confirming such title, rights, powers, trusts, duties and obligations to such co-trustee or separate trustee.

(f) Every co-trustee or separate trustee appointed pursuant to this Section 7.7, to the extent permitted by law or any applicable contract, shall be subject to the following terms, namely:

(i) This Indenture shall become effective at the time the Bond shall be authenticated and delivered, and thereupon such co-trustee or separate trustee shall have all rights, powers, trusts, duties and obligations by this Indenture conferred upon the Trustee in respect of the custody, control or management of moneys, papers, securities and other personal property.

(ii) All rights, powers, trusts, duties and obligations conferred or imposed upon the trustees shall be conferred or imposed upon and exercised or performed by the Trustee, or by the Trustee and such co-trustee or co-trustees, or separate trustee or separate trustees, as shall be provided in the instrument appointing such co-trustee or co-trustees or separate trustee or separate trustees, except to the extent that, under the law of any jurisdiction in which any particular act or acts are to be performed, the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-trustee or co-trustees or separate trustee or separate trustees.

(iii) Any request in writing by the Trustee to any co-trustee or separate trustee to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking, or the refraining from taking, of such action by such co-trustee or separate trustee.

(iv) Any co-trustee or separate trustee, to the extent permitted by law, may delegate to the Trustee the exercise of any right, power, trust, duty or obligation, discretionary or otherwise.

(v) The Trustee at any time, by an instrument in writing, with the concurrence of the Issuer, may accept the resignation of any co-trustee or separate trustee appointed under this Section, and, in case an Event of Default shall have occurred and be continuing, the Trustee shall have power to accept the resignation of, or remove, any such co-trustee or separate trustee without the concurrence of the Issuer. Upon the request of the Trustee, the Issuer shall join with the Trustee in

the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-trustee or separate trustee so resigned or removed may be appointed in the manner provided in this Section.

(vi) No co-trustee or separate trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder.

(vii) Any moneys, paper, securities or other items of personal property received by any such co-trustee or separate trustee hereunder shall forthwith, so far as may be permitted by law, be turned over to the Trustee.

(g) Upon the acceptance in writing of such appointment by any such co-trustee or separate trustee, it or he shall be vested with the Security Interest in the Security and with such rights, powers, duties, trusts or obligations, as shall be specified in the instrument of appointment jointly with the Trustee (except insofar as applicable law makes it necessary for any such co-trustee or separate trustee to act alone) subject to all the terms of this Indenture. Every such acceptance shall be filed with the Trustee.

(h) In case any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, the Security Interest in the Security and all rights, powers, trusts, duties and obligations of said co-trustee or separate trustee shall, so far as permitted by law, vest in and be exercised by the Trustee unless and until a successor co-trustee or separate trustee shall be appointed in the same manner as provided for with respect to the appointment of a successor Trustee pursuant to Section 7.4 hereof.

Section 7.8 Filing of Financing Statements. The Trustee shall file or cause to be filed all Financing Statements provided to the Trustee on or after the Issue Date that are required in order fully to protect and preserve the Security Interests in the Security and the priority thereof and the rights and powers of the Trustee in connection therewith, including without limitation all continuation statements for the purpose of continuing without lapse the effectiveness of (i) those Financing Statements which shall have been filed at or prior to the issuance of the Bond in connection with the security for the Bond pursuant to the authority of the U.C.C., and (ii) any previously filed continuation statements that shall have been filed as required herein. The Trustee shall also file the Financing Statements required under Section 3.2 of the Loan Agreement. The Borrower will pay all costs of filing the Financing Statements.

ARTICLE VIII
AMENDMENTS, SUPPLEMENTAL INDENTURES

Section 8.1 Supplemental Indentures.

(a) The Issuer and the Trustee, with the prior written consent of the Majority Owner Representative, but without the consent of or notice to the Holder, may enter into an indenture or indentures supplemental to this Indenture that do not materially adversely affect the interest of the Holder for one or more of the following purposes:

(i) to grant to or confer upon the Trustee for the benefit of the Holder, any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Holder or the Trustee;

(ii) to grant or pledge to the Trustee for the benefit of the Holder, any additional security other than that granted or pledged under this Indenture;

(iii) to modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification thereof under the Trust Indenture Act of 1939 or any similar federal statute then in effect or to permit the qualification of the Bond for sale under the securities laws of any of the states of the United States;

(iv) to appoint a successor Trustee or co-trustees in the manner provided in Article VII hereof;

(v) [reserved];

(vi) to cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental indenture that may be defective or inconsistent with any provision contained herein or in any supplemental indenture, or to make such other provisions in regard to matters or questions arising under this Indenture which shall not (in the judgment of the Majority Owner Representative) materially adversely affect the interest of the Holder; or

(vii) to make any change herein necessary, in the opinion of Bond Counsel, to maintain the exclusion of the interest on the Outstanding Bond from gross income of the Holder thereof for federal income tax purposes.

(b) When requested by the Issuer, and if all conditions precedent under this Indenture have been met, and there shall have been delivered to the Trustee an opinion of Bond Counsel to the effect that such supplemental indenture is authorized or permitted by this Indenture and complies with its terms and will not adversely affect the excludability of interest on the Bond from the gross income of the Holder thereof for federal income tax purposes, the Trustee will join the Issuer in the execution of such supplemental indenture, but shall not be required to join the Issuer in the execution of any such supplemental indenture unless it is reasonably compensated for additional obligations on the Trustee not initially contemplated and the indemnification rights of the Trustee cover any changes in

the Trustee's rights and immunities under this Indenture or otherwise. Any additional compensation or the expansion of any indemnity obligation shall be the sole responsibility of the Borrower.

(c) The Trustee shall file copies of all such supplemental indentures with the Borrower. The Trustee shall cause notice of any supplemental indenture described above to be given by first-class mail, postage prepaid, to the Holder of the Outstanding Bond then shown on the Register.

Section 8.2 Amendments to Indenture; Consent of Holder and Borrower.

(a) Exclusive of supplemental indentures covered by Section 8.1 hereof and subject to the terms and provisions contained in this Section 8.2, and not otherwise, anything contained in this Indenture to the contrary notwithstanding, no indenture or indentures supplemental hereto for the purpose of modifying, altering, amending, adding to or rescinding, in any particular manner, any of the terms or provisions contained in this Indenture or in any supplemental indenture shall be effective without delivery of a Favorable Opinion of Bond Counsel, the written consent of the Holder and execution and delivery by the Trustee (acting upon the written direction of the Majority Owner Representative) and the Issuer; provided, however, that nothing contained in this Section shall permit, or be construed as permitting, without the prior written consent of the Holder of the Outstanding Bond, (i) an extension of the maturity of the principal of, or the optional, extraordinary or mandatory redemption date of, or interest on, any Bond, (ii) a reduction in the principal amount of or the rate of interest on, any Bond, (iii) [reserved], (iv) the creation of a lien on the Security prior to the lien of this Indenture, or (v) a reduction in the aggregate principal amount of the Bond required for any consent to any supplemental indenture; provided further, however, that without the prior written consent of the Trustee, the Trustee shall not be required to join the Issuer in the execution of any supplemental indenture unless it is reasonably compensated for additional obligations on the Trustee not initially contemplated and the indemnification rights of the Trustee covering any changes in the Trustee's rights and immunities under this Indenture or otherwise. Any additional compensation or the expansion of any indemnity obligation shall be the sole responsibility of the Borrower. The giving of notice to and consent of the Holder to any such proposed supplemental indenture shall be obtained pursuant to Section 8.5 hereof.

(b) Anything herein to the contrary notwithstanding, a supplemental indenture, amendment or other document described under this Article that affects any rights or obligations of the Borrower shall not become effective unless and until the Borrower shall have consented to the execution of such supplemental indenture, amendment or other document.

Section 8.3 Amendments to the Loan Agreement or the Note Not Requiring Consent of Holder.

(a) The Issuer shall not cause or permit to exist any amendment, modification, supplement, waiver or consent with respect to the Loan Agreement or the Note without the prior written consent of the Trustee, the Borrower and the Majority Owner Representative.

The Issuer may, with the consent of the Majority Owner Representative, but without the consent of or notice to the Holder, enter into or permit (and the Trustee shall consent to) any amendment of the Loan Agreement or the Note acceptable to the Borrower as may be required (i) for the purpose of curing any ambiguity or formal defect or omission that shall not adversely affect the interest of the Holder, (ii) to grant or pledge to the Issuer or Trustee, for the benefit of the Holder any additional security, (iii) to make any change therein necessary, in the opinion of Bond Counsel, to maintain the exclusion of interest on the Outstanding Bond from gross income of the Holder thereof for federal income tax purposes, or (iv) in connection with any other change therein which, in the judgment of the Issuer acting in reliance upon an opinion of Counsel, is not materially prejudicial to the interests of the Trustee and the Holder of the Bond; provided, however, that without the written consent of the Trustee, the Trustee shall not be required to join in the execution of any such amendment that affects the rights, duties, obligations or immunities of the Trustee or that imposes additional obligations on the Trustee.

(b) The Issuer and the Borrower shall file copies of any such amendments to the Loan Agreement or the Note with the Trustee and the Majority Owner Representative.

Section 8.4 Amendments to the Loan Agreement or the Note Requiring Consent of Holder. Except as provided in Section 8.3 hereof, the Issuer shall not enter into, and the Trustee shall not consent to, any other modification or amendment of the Loan Agreement or the Note, nor shall any such modification or amendment become effective, without delivery of a Favorable Opinion of Bond Counsel and the prior written consent of the Holder, such consent to be obtained in accordance with Section 8.5 hereof. No such amendment may, without the consent of the Holder of the Outstanding Bond, reduce the amounts or delay the times of payment of Repayments under the Loan Agreement or the Note. The Issuer and the Borrower shall file copies of all such amendments to the Loan Agreement or the Note with the Trustee, the Majority Owner Representative and the Holder.

Section 8.5 Notice to and Consent of Holder. If consent of the Majority Owner Representative or the Holder is required under the terms of this Indenture for the amendment of this Indenture, the Loan Agreement, the Note or for any other similar purpose, the Trustee shall cause notice of the proposed execution of the amendment or supplemental indenture to be given by first-class mail, postage prepaid, to the Majority Owner Representative or the Holder then shown on the Register whose consent is required. Such notice shall briefly set forth the nature of the proposed amendment, supplemental indenture or other action and shall state that copies of any such amendment, supplemental indenture or other document are on file at the principal office of the Trustee for inspection by the Majority Owner Representative and the Holder. If, within 45 days or such longer period as shall be prescribed by the Trustee following the mailing or electronic dispatch of such notice, the Majority Owner Representative or the Holder of the Bond Outstanding by instruments filed with the Trustee, shall have consented to the amendment, supplemental indenture or other proposed action, then the Trustee may execute such amendment, supplemental indenture or other document or take such proposed action and the consent of the Majority Owner Representative or the Holder shall thereby be conclusively presumed.

The Holder may engage a Person, collaterally assign some or all of its rights hereunder to a Person, or otherwise provide for a Person, at the Holder's sole cost and expense, to act on behalf of the Holder under the Bond Documents as the "Majority Owner Representative". The Holder may at any time and from time to time terminate or remove and replace any such Majority Owner Representative. The Holder shall give written notice to the Trustee, the Issuer, and the Borrower of its appointment, termination, removal and replacement of any Majority Owner Representative, and the parties may rely on any such notice until any subsequent notice is given. Initially, the Holder has engaged Red Stone Servicer, LLC to act as the "Majority Owner Representative" hereunder and Red Stone Servicer, LLC has accepted such engagement. The Issuer and the Trustee shall not be responsible for monitoring the performance of any Majority Owner Representative or for any acts or omissions of such Majority Owner Representative.

Without limiting the foregoing, the Majority Owner Representative shall have no right or claim to any transfer or assumption fees, late charges, acceleration premium or Default Interest payable under this Indenture or the Bond Documents; provided, however that, to the extent permitted under the Bond Documents, the Majority Owner Representative shall be entitled to collect from the Borrower its normal and customary incidental fees and charges for any requested review, approval or other action, including, without limitation, in connection with any proposed transfer, loan assumption, easement, subordinate financing, release of collateral, condemnation proceeding, non-disturbance agreement or other similar action, unless such review, approval or other action is performed solely by the Holder.

(i) The Majority Owner Representative shall perform the duties expressly given to the Majority Owner Representative under the Bond Documents and this Indenture.

(ii) The Majority Owner Representative shall prepare monthly bills to the Borrower in accordance with the Bond Documents for payments to the Trustee of principal and interest under the Loan. On the last Business Day of each calendar month, the Majority Owner Representative shall notify the Borrower of the amount payable by the Borrower to the Trustee on the Note on the next Business Day and will provide a copy thereof to the Trustee. Such notification may be delivered by electronic mail or by facsimile. Any payment received by the Majority Owner Representative from or on behalf of the Borrower under this Indenture or the Bond Documents shall be remitted by the Majority Owner Representative to the Trustee no later than the second Business Day after receipt by the Majority Owner Representative, or sooner if so required under this Indenture or Bond Documents.

(d) The Majority Owner Representative shall make any remittance to the Trustee by wire transfer in accordance with the instructions received from the Trustee or to any other party entitled to such remittances pursuant this Indenture or the Bond Documents in accordance with the instructions received from the Holder

(e) [Reserved].

(f) The Majority Owner Representative shall prepare monthly reports for the Holder and the Trustee outlining the status of the Loan, including disbursements from any Account under this Indenture, loan history schedules, outstanding loan balances and escrow balances and consents, approvals or waivers given by the Majority Owner Representative, which reports shall be furnished to the Holder no later than the 15th day of each calendar month (or the next Business Day thereafter if such 15th day is not a Business Day).

(g) The Majority Owner Representative shall provide immediate written notice to the Holder of any Event of Default of which it receives notice or has actual knowledge, or any event which, with the giving of notice or the passage of time, or both, would constitute any Event of Default of which it receives notice or has actual knowledge.

The Majority Owner Representative shall prepare payoff letters and delinquency and default notices when necessary, as required by the Bond Documents or this Indenture or otherwise as directed by the Holder.

(i) The Majority Owner Representative shall use its best efforts to obtain financial statements and other reports from the Borrower at the times and to the extent required under the Bond Documents and deliver the same to the Holder and, if requested, to the Trustee.

(j) The Majority Owner Representative shall obtain, and shall provide to the Holder a copy of the Borrower's certificates of compliance with the Regulatory Agreement or other evidence of such compliance submitted by the Borrower to the Issuer or the Issuer's designee within 30 days after the later of (i) the date it is required to be submitted to the Issuer or the Issuer's designee, or (ii) the date it is actually so submitted.

(k) The Majority Owner Representative may perform additional duties with respect to the Loan during construction and renovation of the Project Facilities or during the period following an Event of Default at the request of the Holder.

ARTICLE X MISCELLANEOUS

Section 10.1 Right of Trustee to Pay Taxes and Other Charges. If any tax, assessment or governmental or other charge upon any part of the Project Facilities is not paid as required, the Trustee may, subject to any indemnity required pursuant to Section 7.1(h) hereof, pay such tax, assessment or governmental or other charge, without prejudice, however, to any rights of the Trustee hereunder arising in consequence of such failure; and any amount at any time so paid under this Section, with interest thereon from the date of payment until paid at the greater of the rate of interest borne by the Bond or the per annum rate of interest announced from time to time by the bank serving as Trustee as its “prime rate” shall become so much additional indebtedness secured by this Indenture, shall be given a preference in payment over the Bond, and shall be paid out of the Security.

Section 10.2 Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture or the Bond is intended or shall be construed to give to any Person other than the parties hereto, the Holder, the Majority Owner Representative, and the Borrower, any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions and provisions herein contained; this Indenture and all of the covenants, conditions and provisions herein being intended to be and being for the sole and exclusive benefit of the parties hereto, the Holder, the Majority Owner Representative, and the Borrower as herein provided.

Section 10.3 Severability. If any provision of this Indenture is held to be in conflict with any applicable statute or rule of law or is otherwise held to be unenforceable for any reason whatsoever, such circumstances shall not have the effect of rendering the other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatsoever. The invalidity of any one or more phrases, sentences, clauses or sections of this Indenture, shall not affect the remaining portions of this Indenture or any part thereof.

Section 10.4 Notices. Except as otherwise provided herein, all notices, approvals, consents, requests, and other communications hereunder shall be in writing and shall be deemed to have been given when the writing is delivered if given or delivered by hand, overnight delivery service or email notice (with the original delivered via overnight mail) to the address or email address set forth below and shall be deemed to have been given on the date deposited in the mail, if mailed, by first-class, registered or certified mail, postage prepaid, addressed as set forth below. Where required herein, notice shall be given by telephone, and promptly confirmed in writing, and shall be deemed given when given by telephone to the telephone numbers set forth below. The Issuer, the Borrower, the Trustee, the Holder, the Majority Owner Representative and the Tax Credit Investor may, by written notice given hereunder, designate any different addresses, phone numbers and email address to which subsequent notices, certificates, approvals, consents, requests or other communications shall be sent.

Notwithstanding the foregoing, pursuant to Section 10.1 of the Loan Agreement, the Borrower requests and the Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent in writing or by electronic notice, provide however, that such instructions or directions shall be signed by an authorized representative of the Borrower. If the Borrower elects

to give the Trustee instructions by electronic notice, the Trustee, in its discretion, may deem such instructions controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. All notices, approvals, consents, directions, certificates, requests and any communications hereunder ("Notices") must be in writing (provided that any Notices sent to Trustee hereunder must be in the form of a document that is signed manually or by way of a digital signature provided by DocuSign initiated by the Trustee (or such other digital signature provider as specified in writing to Trustee by the authorized representative as shall be acceptable to the Trustee)), in English. Pursuant to Section 10.1 of the Loan Agreement, the Borrower agrees to assume all risks arising out of the use of digital signatures and such electronic notice to submit instructions and directions to the Trustee, including, without limitation, the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

The Issuer has previously issued and delivered its revenue bond designated “City of Los Angeles Multifamily Housing Revenue Bond (Western Avenue Apartments) Series 2018I” issued in the aggregate principal amount of \$5,800,000 (the “Senior Bond”), under a separate trust indenture. The payment of debt service on the Bond is subordinate to the payment of debt service on the Senior Bond.

Reference is hereby made to the Indenture and to all amendments and supplements thereto for a description of the property pledged and assigned to the Trustee and of the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the Issuer and the Trustee, the terms on which this Bond is issued and secured, the manner in which interest is computed on this Bond, mandatory and optional redemption rights, acceleration, the rights of the Bondholder and the provisions for defeasance of such rights.

This Bond is subject to optional and mandatory redemption in whole or in part, on the dates, under the terms and conditions and at the redemption prices set forth in the Indenture, all of the provisions of which are, by this reference, incorporated into this Bond. Notice of redemption shall be given in the manner set forth in the Indenture.

Notwithstanding any provision of this Bond or the Indenture to the contrary, the Issuer shall be permitted to direct Note prepayments to be transferred to a custodian or trustee selected by the Issuer, in lieu of application to prepay a like portion of this bond, so long as the Issuer simultaneously causes other funds to be applied to prepay such portion of this bond. The preceding provisions shall apply only for purposes of preserving or “recycling” private activity bond volume cap in accordance with Section 146 of the code.

THIS BOND IS NOT AN OBLIGATION, EITHER GENERAL OR SPECIAL, AND DOES NOT CONSTITUTE A PLEDGE OF THE GENERAL CREDIT OR TAXING POWER, OF THE CITY OF LOS ANGELES (THE “CITY”), THE STATE OF CALIFORNIA (THE “STATE”) OR ANY POLITICAL SUBDIVISION THEREOF, BUT IS PAYABLE SOLELY FROM THE PROJECT REVENUES AND PROPERTY PLEDGED THEREFOR IN THE INDENTURE AND NOT FROM ANY OTHER REVENUES, FUNDS OR ASSETS OF THE CITY. NEITHER THE CITY, THE STATE NOR ANY SUCH POLITICAL SUBDIVISION THEREOF SHALL BE LIABLE HEREON. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE NOR ANY POLITICAL CORPORATION OR SUBDIVISION OR AGENCY THEREOF NOR THE FAITH AND CREDIT OF THE CITY IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE BOND OR OTHER COSTS INCIDENT THERETO. THIS BOND IS NOT A DEBT OF THE UNITED STATES OF AMERICA.

NO RECOURSE UNDER OR UPON ANY OBLIGATION, COVENANT, WARRANTY OR AGREEMENT CONTAINED IN THE INDENTURE OR IN THIS BOND, OR UNDER ANY JUDGMENT OBTAINED AGAINST THE ISSUER, OR THE ENFORCEMENT OF ANY ASSESSMENT, OR ANY LEGAL OR EQUITABLE PROCEEDINGS BY VIRTUE OF ANY CONSTITUTION OR STATUTE OR OTHERWISE, OR UNDER ANY CIRCUMSTANCES UNDER OR INDEPENDENT OF THE INDENTURE, SHALL BE HAD AGAINST THE MAYOR, THE CITY COUNCIL OR ANY OF THE MEMBERS, OFFICERS, AGENTS OR EMPLOYEES OF THE ISSUER, AS SUCH, PAST, PRESENT OR FUTURE OF THE ISSUER, EITHER DIRECTLY OR THROUGH THE ISSUER OR OTHERWISE, FOR THE PAYMENT FOR OR TO THE ISSUER OR ANY RECEIVER OF THE ISSUER, OR FOR OR TO THE OWNER OF THIS BOND, OR OTHERWISE, OF ANY SUM THAT MAY BE DUE AND UNPAID BY THE ISSUER UPON THIS BOND. ANY AND ALL PERSONAL LIABILITY OF EVERY NATURE WHETHER AT COMMON LAW OR IN EQUITY OR BY STATUTE OR BY CONSTITUTION OR OTHERWISE OF THE MAYOR, THE CITY COUNCIL OR OF ANY SUCH MEMBER, OFFICER, AGENT OR EMPLOYEE, PAST, PRESENT OR FUTURE, OF THE ISSUER, AS SUCH, BY REASON OF ANY ACT OF OMISSION ON HIS OR HER PART OR OTHERWISE, FOR THE PAYMENT FOR OR TO THE OWNER OF THIS BOND OR OTHERWISE OF ANY SUM THAT MAY REMAIN DUE AND UNPAID UPON THIS BOND SECURED BY THE INDENTURE OR ANY OF THEM IS, BY THE ACCEPTANCE OF THIS BOND, EXPRESSLY WAIVED AND RELEASED AS A CONDITION OF AND IN CONSIDERATION FOR THE EXECUTION OF THE INDENTURE AND THE ISSUANCE OF THIS BOND.

THIS BOND HAS BEEN ISSUED PURSUANT TO THE LAW AND IN ACCORDANCE WITH THE ACT.

The Holder of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default thereunder, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

By its purchase of this Bond, the Holder hereof agrees to the appointment of the Majority Owner Representative as provided in the Indenture and authorizes the Majority Owner Representative to exercise such rights and remedies afforded to the Majority Owner Representative on behalf of the Holder as provided in the Bond Documents.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

This Bond may be exchanged, and its transfer may be effected, only by the Holder hereof in person or by their attorney duly authorized in writing at the designated corporate trust office of the Trustee, but only in the manner and subject to the limitations provided in the Indenture. Upon exchange or registration of such transfer a new registered bond of the same maturity and interest rate and of an Authorized Denomination for the same aggregate principal amount will be issued in exchange therefor.

The Issuer and the Trustee may deem and treat the person in whose name this Bond shall be registered on the bond register, as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes and neither the Issuer nor the Trustee shall be affected by any notice to the contrary.

All acts, conditions and things required by the laws of the Issuer to exist, happen and be performed precedent to and in the execution and delivery of the Indenture and the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law.

Neither the trustees, officers, agents, employees or representatives of the Issuer nor any person executing this Bond shall be personally liable hereon or be subject to any personal liability by reason of the issuance hereof, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise, all such liability being expressly released and waived as a condition of and in consideration for the execution of the Indenture and the issuance of this Bond.

This Bond shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until the Trustee shall have executed the Certificate of Authentication appearing hereon.

IT IS HEREBY CERTIFIED, RECITED AND REPRESENTED that the issuance of this Bond is duly authorized by law; that all acts, conditions and things required to exist and to be done precedent to and in the issuance of this Bond to render the same lawful and valid have been properly done and performed and have happened in regular and due time, form and manner as required by law; and that all acts, conditions and things necessary to be done or performed by the Issuer or to have happened precedent to or in the execution and delivery of the Indenture have been done and performed and have happened in regular and due form as required by law.

The undersigned (the “Bond Purchaser”) hereby represents and warrants to you as follows:

1. The Bond Purchaser proposes to purchase all of the aggregate principal amount of the above-captioned bond (the “Bond”) issued pursuant to that certain Indenture of Trust dated as of [November] 1, 2022 (the “Indenture”), by and between the City of Los Angeles, California (the “City”) and U.S. Bank Trust Company, National Association, as Trustee. The Bond Purchaser understands that the Bond is not rated by any securities rating agency and is secured only by the Western Avenue Apartments and the revenues therefrom, and will only be sold to the Bond Purchaser with the above-addressed parties relying upon the representations and warranties of the Bond Purchaser set forth herein. The Bond Purchaser acknowledges that no offering document has been prepared in connection with the issuance and sale of the Bond. The Bond Purchaser has requested and received all materials which the Bond Purchaser has deemed relevant in connection with its purchase of the Bond (the “Offering Information”). The Bond Purchaser has reviewed the documents executed in conjunction with the issuance of the Bond, including, without limitation, the Indenture and the Loan Agreement. All capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Indenture.

2. The Bond Purchaser hereby waives the requirement of any “due diligence investigation or inquiry” by the City, by each official of the City, by each employee of the City, by each member of the governing board of the City, and by counsel to the City, the Trustee, counsel to the Trustee and Bond Counsel in connection with the authorization, execution and delivery of the Bond and Bond Purchaser’s purchase of the Bond. The Bond Purchaser recognizes and agrees that the City, by each official of the City, each employee of the City, each member of the governing board of the City, counsel to the City, the Trustee, counsel to the Trustee and Bond Counsel have made no representations or statements (expressed or implied) with respect to the accuracy or completeness of any of the materials reviewed by the Bond Purchaser in connection with the Bond Purchaser’s purchase of the Bond. In making an investment decision, the Bond Purchaser is relying upon its own examination of the City, the Borrower, the Project and the terms of the

offering.

3. The Bond Purchaser has been provided an opportunity to ask questions of, and the Bond Purchaser has received answers from, representatives of the City and the Borrower regarding the terms and conditions of the Bond, and the Bond Purchaser has obtained all additional information requested by it in connection with the Bond.

4. The Bond Purchaser has sufficient knowledge and experience in business and financial matters in general, and investments such as the Bond in particular, and is capable of evaluating the merits and risks involved in an investment in the Bond. The Bond Purchaser is able to bear the economic risk of, and an entire loss of, an investment in the Bond.

5. The Bond Purchaser is purchasing the Bond solely for its own account for investment purposes and has no present intention to resell or distribute the Bond, provided that the Bond Purchaser reserves the right to transfer or dispose of the Bond, at any time, and from time to time, in its complete and sole discretion, subject, however, to the restrictions described in Section 2.9 of the Indenture and paragraphs 6 through 8 of this Letter. The Bond Purchaser hereby agrees that the Bond may only be transferred in whole and in accordance with the Indenture, including Article II thereof, to a single Bond Purchaser, which, if required by the Indenture, must execute and deliver to the parties addressed above a form of this Investor Letter.

6. The Bond Purchaser agrees that it will only offer, sell, pledge, transfer or exchange the Bond (or any legal or beneficial interest therein) (i) in accordance with an available exemption from the registration requirements of Section 5 of the Securities Act, (ii) in accordance with any applicable state securities laws, and (iii) in accordance with the transfer restrictions set forth in the Bond and the Indenture, including the prior written notice to, and consent of, the City where required under the Indenture.

7. The Bond Purchaser is an Approved Buyer as defined in the Indenture and understands that the Bond may be offered, resold, pledged or transferred only in whole and only to a person who is an Approved Buyer.

8. Except as otherwise permitted under the Indenture, if the Bond Purchaser sells the Bond (or any legal or beneficial interest therein), the Bond Purchaser or its agent will obtain for the benefit of each of you from any subsequent purchaser an Investor Letter in the form of this Letter or such other materials as are required by the Bond and the Indenture to effect such sale and purchase. The Bond Purchaser understands and agrees that, except as otherwise permitted under the Indenture, the Trustee is not authorized to register any transfer of the Bond prior to receipt of such Investor Letter and the written consent of the City.

9. Neither the Trustee, Bond Counsel, counsel to the City, the City, its governing body, or any of its employees or agents will have any responsibility to the Bond Purchaser for the accuracy or completeness of information obtained by the Bond Purchaser from any source regarding the Project, the City, the Borrower or their financial conditions or regarding the Bond, the provisions for payment thereof, or the sufficiency of any security therefor, including, without limitation, any information specifically provided by any of such parties contained in the Offering Information. The Bond Purchaser acknowledges that, as between Bond Purchaser and all of such

parties: (a) the Bond Purchaser has assumed responsibility for obtaining such information and making such review as the Bond Purchaser has deemed necessary or desirable in connection with its decision to purchase the Bond and (b) the Offering Information and any additional information specifically requested from the City or the Borrower and provided to the Bond Purchaser prior to closing constitute all the information and review, with the investigation made by Bond Purchaser (including specifically the Bond Purchaser's investigation of the City, the Project and the Borrower) prior to its purchase of the Bond, that Bond Purchaser has deemed necessary or desirable in connection with its decision to purchase the Bond.

10. The Bond Purchaser understands that (a) the Bond has not been registered with any federal or state securities agency or commission, and (b) no credit rating has been sought or obtained with respect to the Bond, and the Bond Purchaser acknowledges that the Bond is a speculative investment and that there is a high degree of risk in such investment.

11. The Bond Purchaser acknowledges that the Bond is a limited obligation of the City, payable solely from the revenues or other amounts provided by or at the direction of the Borrower, and is not an obligation payable from the general revenues or other funds of the City, the State of California or any political subdivision of the State of California. The Bond Purchaser acknowledges that the City is issuing the Bond on a conduit, nonrecourse basis, and has no continuing obligations with respect thereto except as expressly set forth in the Indenture.

12. The Bond Purchaser has the authority to purchase the Bond and to execute this letter and other documents and instruments required to be executed by the Bond Purchaser in connection with its purchase of the Bond. The individual who is executing this letter on behalf of the undersigned is a duly appointed, qualified and acting officer of the Bond Purchaser and authorized to cause the Bond Purchaser to make the certifications, representations and warranties contained herein by the execution of this letter on behalf of the Bond Purchaser.

13. The Bond Purchaser acknowledges that no offering document has been produced in connection with the issuance or sale of the Bond.

14. The Bond Purchaser agrees to indemnify and hold harmless the City, the City's officials, officers, directors, employees, agents, attorneys, accountants, advisors, consultants, servants and the members of the governing board of the City past, present and future with respect to any claim asserted against any of them that is based upon the Bond Purchaser's sale, transfer or other disposition of its interests in the Bond in violation of the provisions hereof or of the Indenture or any inaccuracy in any statement made by the Bond Purchaser in this letter.

15. The Bond Purchaser understands that the Bond is subordinate in right of payment and security to the Issuer's Multifamily Housing Revenue Bond (Western Avenue Apartments) Series 2018I issued in the aggregate principal amount of \$5,800,000.

WHEREAS, pursuant to Section 248 of the City Charter of the City of Los Angeles and Article 6.3 of Chapter 1 of Division 11 of the Los Angeles Administrative Code, as amended (collectively, the “Law”), and in accordance with Chapter 7 of Part 5 of Division 31 (commencing with Section 52075) of the Health and Safety Code of the State of California, as amended (the “Act”), the Issuer is empowered to issue its revenue bonds and other evidence to finance the acquisition, construction, rehabilitation and equipping of multifamily rental housing projects; and

WHEREAS, the Borrower has experienced significant delays in achieving substantial completion of the Projection Facilities due to, among other things, construction cost increases associated with supply chain and labor market cost escalations as a result of COVID-19, and has requested that the Issuer issue an additional series of bonds to help offset such cost increases; and

WHEREAS, the Issuer has determined that it is in the public interest to issue its Subordinate Multifamily Housing Revenue Bond (Western Avenue Apartments) Series 2022S in the original aggregate principal amount of \$1,150,000 (the “Bond”), pursuant to an Indenture of Trust (as amended, modified or supplemented from time to time, the “Indenture”), dated as of [November] 1, 2022, between the Issuer and U.S. Bank Trust Company, National Association, as trustee (together with any successor trustee under the Indenture and their respective successors and assigns, the “Trustee”), to provide additional funds to finance the costs of the construction, renovation and equipping of the Project Facilities.

The Borrower will assist the Majority Owner Representative and its agents to obtain any records pertaining to the Project Facilities or to the Borrower and the lessees, sub-lessees or assigns of the Borrower in connection with an investigation pursuant to this paragraph. The Borrower will permit the Majority Owner Representative and its agents access to all areas of the Project Facilities at reasonable times and in reasonable manners in connection with any investigation pursuant to this paragraph. No investigation commissioned pursuant to this paragraph shall relieve the Borrower from any responsibility for its representations and warranties under Section 5.12 hereof or under the Environmental Indemnity Agreement.

(g) In the event of any Contamination affecting the Project Facilities, whether or not the same originates or emanates from the Project Facilities or any contiguous real estate, or if the Borrower otherwise shall fail to comply with any of the requirements of Environmental Laws, the Majority Owner Representative may, at its election, but without the obligation so to do, give such notices, cause such work to be performed at the Project Facilities and take any and all other actions as the Majority Owner Representative shall deem necessary or advisable in order to remedy said Contamination or cure said failure of compliance and any amounts paid as a result thereof, together with interest thereon at the Default Rate from the date of payment by the Majority Owner Representative, shall be

immediately due and payable by the Borrower and until paid shall be added to and become a part of the Indebtedness under the Bond Documents and shall have the benefit of the lien hereby created as a part thereof prior to any right, title or interest in or claim upon the Project Facilities.

Section 6.15 Majority Owner Representative. The Borrower acknowledges and agrees that (i) the Holder has the sole and exclusive right to arrange for servicing of the Loan and to appoint another person or entity to serve as its representative hereunder, under the other Bond Documents and under the Indenture; (ii) the Holder has appointed Red Stone Servicer, LLC to serve in the capacity of Majority Owner Representative hereunder, under the other Bond Documents, and under the Indenture; and (iii) the Holder retains the sole and exclusive right to appoint, remove or replace the Majority Owner Representative, without the consent or approval of the Borrower. The Borrower shall comply with the directions of the Majority Owner Representative made on behalf of the Holder.

Section 6.16 Tax Returns. The [General Partner and the Administrative General Partner] will timely file all tax returns for itself and for the Borrower, pay or cause to be paid when due all taxes imposed on their operations, assets, income or properties, and, upon request, provide to the Majority Owner Representative copies of such returns and receipts for payment of such taxes.

Section 6.17 Leases. The Borrower hereby represents that there are no leases or agreements to lease all or any part of the Project Facilities now in effect except for leases to residential tenants in compliance with the Regulatory Agreement. Except for leases to residential tenants in compliance with the Regulatory Agreement and leases for services associated with residential rental properties (such as laundry and cable lease), the Borrower shall not enter into or become liable under, any leases or agreements to lease all or any part of the Project Facilities without the prior written approval thereof and of the prospective tenant by the Majority Owner Representative. Each lease of residential units in the Project Facilities to a residential tenant shall be on a form of lease approved by the Majority Owner Representative and shall be in compliance with the requirements of the Regulatory Agreement.

Section 6.18 Further Assurances. The Borrower will promptly and duly execute, acknowledge and deliver from time to time such further instruments and take such further actions as may be reasonably required by the Issuer, the Trustee or the Majority Owner Representative to carry out the purposes and provisions of this Agreement and the other Bond Documents, to make elections or take actions (or, as requested, to refrain from making elections or taking actions) related to the audit procedures involving the Borrower and/or its partners set forth in the Bipartisan Budget Act of 2015 so that Borrower's members, equityholders, shareholders and partners will be directly responsible for any audit adjustments, changes or modifications rather than the Borrower, to confirm the priority and/or perfection of any lien, pledge, assignment or security interest created or intended to be created by this Agreement and the other Bond Documents and to assure the Majority Owner Representative, and the Holder of the subrogation and security rights in favor of the Trustee for the benefit of the Holder of the Bond contemplated by this Agreement, by the other Bond Documents and by the Indenture. The Borrower shall obtain any approvals required under the Subordinate Debt Documents and/or the Seller Loan Documents in connection with any of the foregoing.

Section 6.19 Management Agreement. The Borrower has entered into a property management agreement in a form approved by the Majority Owner Representative with the Manager (together with any extension and replacements thereof and as the same may be amended, modified or supplemented from time to time the “Management Agreement”). Under the Management Agreement, the Manager shall provide certain management services and shall be entitled to receive as compensation for those services an amount of \$52 per unit at the Project Facilities per month (“Management Fee”) received from the Project Facilities on account of rents, service fees, late charges and penalties and other charges received under leases. Any amounts due the Manager in excess of the Management Fee payable from such effective gross rental income shall be subordinated to the payment by the Borrower of all principal of, premium, if any, and interest due on the Bond, all Third Party Costs and all required deposits into the Accounts. The Borrower shall not replace the Manager for the Project Facilities without the Majority Owner Representative’s prior written approval, and the Management Agreement shall not be terminated or modified without the Majority Owner Representative’s prior written approval. In the event the Manager resigns or is removed, the Borrower shall promptly seek a replacement Manager and submit such Manager and its proposed form of Management Agreement to the Majority Owner Representative for approval; if the Borrower has not done so within 30 days of the date of resignation or removal of the Manager, the Majority Owner Representative may (but shall not be required to) engage a new Manager on terms satisfactory to the Majority Owner Representative in its sole discretion and at the expense of the Borrower. The sole and exclusive compensation (exclusive of reimbursement for expenses pursuant to the applicable Management Agreement) paid to manage the Project Facilities under the Management Agreement shall be as described in this Section 6.19. The Borrower shall have no employees whatsoever. The Manager shall execute a consent to the Assignment of the Management Agreement pursuant to which the Manager shall confirm the subordination provisions described above and agree that the Management Agreement shall be terminable by the Majority Owner Representative, with or without cause, on 30 days’ notice following and during the existence of an Event of Default.

Section 6.20 Determination of Taxability. None of the Borrower, [the Administrative General Partner, or the General Partner] shall admit in writing to the Issuer or the Trustee or to any Governmental Authority that interest on the Bond has become includable in gross income for purposes of federal income taxation without first providing five Business Days’ advance notice to the Majority Owner Representative and the Holder and permitting the Majority Owner Representative and the Holder at their sole discretion and at its expense, to contest such conclusion. Immediately after the Borrower first becomes aware of any Determination of Taxability or an event that could trigger a Determination of Taxability, the Borrower shall give written notice thereof to the Issuer, the Trustee, the Majority Owner Representative and the Holder.

Section 6.21 List of Bondholders. Upon the written request of the Majority Owner Representative, the Borrower shall exercise any right it may have under the Indenture to request a list of Bondholders and shall deliver such list to the Majority Owner Representative. Any costs associated with obtaining the list of Bondholders at the Majority Owner Representative’s request shall be paid by the Majority Owner Representative.

Section 6.22 Use of Proceeds. The Borrower agrees that the proceeds of the Bond will be allocated exclusively to pay Project Costs, including any costs of issuance of the Bond, to the extent permitted, and that, for the greatest possible number of buildings, the Bond proceeds will

be allocated to the Project Facilities and the land on which such Project Facilities are located, so that the Project Facilities and the land on which they are located will have been financed 50% or more by the proceeds of the Senior Bond and the Bond for the purpose of complying with Section 42(h)(4)(B) of the Code.

Section 6.23 Compliance With Anti-Terrorism Regulations. None of the Borrower, [the General Partner, the Administrative General Partner] or any Person holding any legal or beneficial interest whatsoever in the Borrower shall, at any time while the Bond is outstanding, be described in, covered by or specially designated pursuant to or be affiliated with any Person described in, covered by or specially designated pursuant to Executive Order 13224 -Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism, as amended, or any similar list issued by the Office of Foreign Assets Control (“OFAC”) or any other department or agency of the United States of America. Notwithstanding the foregoing, the Borrower, [the Administrative General Partner and the General Partner] hereby each confirm that if it becomes aware or receives any notice of any violation of the foregoing covenant and agreement (an “OFAC Violation”), the Borrower, [the Administrative General Partner or the General Partner], as applicable, will immediately (i) give notice to the Majority Owner Representative of such OFAC Violation, and (ii) comply with all Legal Requirements applicable to such OFAC Violation, including, without limitation, Executive Order 13224; the International Emergency Economic Powers Act, 50 U.S.C. Sections 1701-06; the Iraqi Sanctions Act, Pub. L. 101-5 13, 104 Stat. 2047-55; the United Nations Participation Act, 22 U.S.C. Section 287c; the Antiterrorism and Effective Death Penalty Act, (enacting 8 U.S.C. Section 219, 18 U.S.C. Section 2332d, and 18 U.S.C. Section 2339b); the International Security and Development Cooperation Act, 22 U.S.C. Section 2349 aa-9; the Terrorism Sanctions Regulations, 31 C.F.R. Part 595; the Terrorism List Governments Sanctions Regulations, 31 C.F.R. Part 596; and the Foreign Terrorist Organizations Sanctions Regulations, 31 C.F.R. Part 597 (collectively, the “Anti-Terrorism Regulations”), and the Borrower, [the General Partner and the Administrative General Partner] hereby authorize and consent to the Majority Owner Representative’s taking any and all reasonable steps the Majority Owner Representative deems necessary, in its sole discretion, to comply with all Legal Requirements applicable to any such OFAC Violation, including the requirements of the Anti-Terrorism Regulations. Notwithstanding anything to the contrary in this Section, the Borrower shall not be deemed to be in violation of the covenants and agreements set forth in the first sentence of this Section if the Borrower timely complies with all requirements imposed by the foregoing sentence and all requirements of the Antiterrorism Regulations and all other applicable Legal Requirements relating to such OFAC Violation.

Section 6.24 Adoption of Capital and Operating Budgets.

(a) On or before December 1 of each Fiscal Year, the Borrower shall submit to the Majority Owner Representative for approval a proposed capital and operating budget with respect to the Project Facilities to be effective for the next following Fiscal Year (the “Proposed Budget”). The Majority Owner Representative shall have the right to approve or disapprove any Proposed Budget, which approval shall not be unreasonably withheld, conditioned, or delayed. Third party costs not within the Borrower’s control and costs associated with remediation of emergency conditions shall be permitted variances to the Annual Budget. If any Proposed Budget is not disapproved by the Majority Owner Representative within 30 days following submission by the Borrower, such budget shall be

deemed approved. If any budget is disapproved, the Borrower shall thereafter consult with the Majority Owner Representative in an effort to achieve a mutually acceptable Annual Budget for an additional 30 days. To the extent the proposed operating budget is disapproved, the operating budget for the previous Fiscal Year shall remain in effect increased by five percent over the previous Fiscal Year (except for costs of utilities, Impositions and insurance and other third-party costs or cost associated with remediation of emergency conditions which shall be permitted variances to the Proposed Budget) until the parties resolve their differences. In addition to, and not in limitation of the foregoing, each Annual Budget may be revised from time to time with approval of Majority Owner Representative to reflect changes to Expenses and proposed Capital Expenditures set forth in the then-current Annual Budget.

(b) Without limiting the generality that each Proposed Budget must be approved by the Majority Owner Representative, each Proposed Budget:

(i) shall be prepared on the basis of sound accounting practices consistently applied;

(ii) shall reflect all amounts projected to be deposited in the Replacement Reserve Fund and the projected revenues and Expenses of the Project Facilities;

(iii) shall reflect all projected Capital Expenditures which are reasonably expected to be made in connection with the Project Facilities during the Fiscal Year covered by such Proposed Budget; and

(iv) shall be in such form as is reasonably acceptable to the Majority Owner Representative and containing such other information as reasonably may be requested by the Majority Owner Representative.

Section 6.25 Borrower's Approval of Indenture. The Borrower understands that the Issuer will, pursuant to the Indenture and as security for the payment of the principal of, acceleration premium, if any, and the interest on the Bond, assign and pledge to the Trustee, and create a security interest in favor of the Trustee in certain of its rights, title and interest in and to this Agreement (including all payments hereunder) reserving, however, the Reserved Rights; and the Borrower hereby agrees and consents to such assignment and pledge. The Borrower acknowledges that it has received a copy of the Indenture for its examination and review. By its execution of this Agreement, the Borrower acknowledges that it has approved, has agreed to and is bound by the applicable provisions of the Indenture. The Borrower agrees that the Trustee shall be entitled to enforce and to benefit from the terms and conditions of this Agreement that relate to it notwithstanding the fact that it is not a signatory hereto.

Section 6.26 Conditions Precedent; Payment of Certain Fees, Deposits and Expenses. On the date of execution and delivery hereof, (a) the Majority Owner Representative shall have received, in immediately available funds, an amount equal to the fees set forth in Section 2.2(a) hereof, and the fees of the Engineering Consultant set forth in Section 2.2(b) hereof

incurred as of the date of the execution and delivery hereof, and (b) the Trustee shall have received the deposits required to be made in the Accounts on such date pursuant to Article VIII hereof.

Section 6.27 Additional Conditions Precedent. The rights of the Borrower to draw the initial advance of funds from the Project Fund under this Agreement shall be subject to the conditions precedent set forth in Section 9.12 hereof and on *Schedule 7* hereof.

Section 6.28 No Amendments. Without the prior written consent of the Majority Owner Representative, the Borrower shall not amend, modify or otherwise change (i) this Agreement and the other Bond Documents without, in addition, the prior written consent of the Issuer and the Trustee, and the Majority Owner Representative and delivery of a Favorable Opinion of Bond Counsel, (ii) the Subordinate Debt Documents, or (iii) the Seller Loan Documents.

Section 6.29 Renovation of Improvements. The Borrower shall cause the renovation and construction of the Project Facilities to be performed in a true, thorough and workmanlike manner and substantially in accordance with the Plans and Specifications and in compliance with all applicable Governmental Actions and Legal Requirements. The Borrower shall provide, at the Borrower's expense all manner of materials, labor, implements and cartage of every description for the due completion of construction and renovation of the Project Facilities. The Borrower shall take all necessary steps to assure that commencement of renovation or construction of the Project Facilities shall begin within 30 days following the Issue Date, shall proceed continuously and diligently and in a commercially reasonable manner, and shall be completed lien free in a timely manner substantially in accordance with the Plans and Specifications and in all instances in compliance with all applicable Governmental Actions and Legal Requirements, on or before the Completion Date, subject to delays caused by a Force Majeure.

Section 6.30 Evidence of Payment of Costs. If requested by the Majority Owner Representative, the Borrower shall furnish, before each advance agreed to be made and on completion of construction, all receipted bills, certificates, affidavits, conditional releases of lien and other documents which may be reasonably required by the Majority Owner Representative, as evidence of full payment for all labor and materials incident to the construction of the Project Facilities for each requested draw with copies of unconditional releases of lien from each prior draw and will promptly secure the release of the Project Facilities from all liens by payment thereof or transfer to bond or other security.

Section 6.31 Correction of Deficiencies in Improvements. The Borrower agrees that it will correct any work performed and replace any materials that do not comply with the Plans and Specifications in any material respect. In the event of any dispute between the Borrower and the Majority Owner Representative with respect to the interpretation and meaning of the Plans and Specifications, the same shall be determined by an independent engineer selected by the Borrower from the list of engineers approved by the Majority Owner Representative.

Section 6.32 Sufficiency of Loan Proceeds. If, for any reason, the Majority Owner Representative shall, in the reasonable exercise of the Majority Owner Representative's judgment, determine that the combined total of (i) the remaining proceeds of the Loan, and the Subordinate Debt, and (ii) any other sums on deposit by the Borrower with the Trustee and the capital contributions from Borrower's partners are insufficient to complete the renovation and

construction of the Project Facilities, the Majority Owner Representative may require the Borrower to deposit with the Trustee for deposit into the Project Fund, within 10 days after written request by the Majority Owner Representative, the projected deficiency, and such deposit shall be first disbursed in the same manner as the Loan is to be disbursed as provided herein before any further disbursements of the proceeds of the Loan shall be made.

Section 6.33 Use of Loan Proceeds. All labor and materials contracted for and in connection with the construction and renovation of the Project Facilities shall be used and employed solely for the Improvements and in said construction and only in accordance with the Plans and Specifications. Moneys disbursed from Accounts held under the Indenture to or for the account of the Borrower under this Agreement shall constitute a trust fund in the hands of the Borrower or other payee and shall be used solely by such payee for the payment of the Qualified Project Costs and for no other purpose unless another use is specifically provided for in this Agreement or consented to in writing by the Majority Owner Representative. Nothing in this paragraph shall be deemed to impose a trust on the undisbursed portion of the Loan or any other amounts held under the Indenture or to impose any duty on the Majority Owner Representative with respect thereto.

Section 6.34 Special Servicing Costs. In accordance with industry standards and as set forth on *Exhibit D* hereto, the Majority Owner Representative, as servicer of the Loan, may charge the Borrower additional servicing fees and costs for special servicing requests. The Borrower shall pay as and when due all such special servicing fees or costs.

Section 6.35 Additional Payments. The Borrower shall pay to the Issuer or the Trustee, as the case may be, as Additional Payments hereunder the following:

(a) All taxes and assessments of any type or character charged to the Issuer or to the Trustee affecting the amount available to the Issuer or the Trustee from payments to be received hereunder or in any way arising due to the transactions contemplated hereby (including taxes and assessments assessed or levied by any public agency or Governmental Authority of whatsoever character having power to levy taxes or assessments) but excluding franchise taxes based upon the capital and/or income of the Trustee and taxes based upon or measured by the net income of the Trustee; provided, however, that the Borrower shall have the right to protest any such taxes or assessments and to require the Issuer or the Trustee, at the Borrower's expense, to protest and contest any such taxes or assessments levied upon them and that the Borrower shall have the right to withhold payment of any such taxes or assessments pending disposition of any such protest or contest unless such withholding, protest or contest would adversely affect the rights or interests of the Issuer or the Trustee;

(b) All reasonable fees, charges and expenses of the Trustee for services rendered under the Indenture, as and when the same become due and payable;

(c) The Issuer's Annual Fee, payable as set forth in Section 7(n) of the Regulatory Agreement, and the reasonable fees and expenses of the Issuer, including the fee described in Section 7(o) of the Regulatory Agreement, or any agents, attorneys (including Bond Counsel and counsel to the Trustee), accountants, consultants selected by

the Issuer to act on its behalf in connection with this Agreement, the Regulatory Agreement, the Tax Certificate, the Bond or the Indenture, including, without limitation, any and all reasonable expenses incurred in connection with the authorization, issuance, sale and delivery of the Bond or in connection with any litigation which may at any time be instituted involving this Agreement, the Regulatory Agreement, the Tax Certificate, the Bond or the Indenture or any of the other documents contemplated thereby, or in connection with the reasonable supervision or inspection of the Borrower, its properties, assets or operations or otherwise in connection with the administration of the foregoing.

(d) These obligations and those in Section 2.5 shall remain valid and in effect notwithstanding repayment of the Loan or termination of this Agreement or the Indenture.

Upon the payment, prepayment, or incurrence of any such cost, expense, or liability described in this Section by any such party, the Additional Payments in respect thereof shall be payable upon written demand to the Borrower, which demand shall be accompanied by invoices or other appropriate documentation concerning the nature, amount and incurrence of such cost, expense or liability. If the Additional Payments payable under this Section are not paid by the Borrower within 10 days of the Borrower's receipt of such demand, such Additional Payments shall bear interest from such 10th date at the Bond Coupon Rate for an Advance until the amount due shall have been fully paid.

Section 6.36 Payment and Developer Fee. So long as no Event of Default has occurred, the Borrower shall make payments of the Developer Fee in accordance with the terms of that certain Development Agreement, dated as of the date hereof, by and between Developer and Borrower ("Development Agreement"), it being expressly understood by the parties that (i) upon an Event of Default, the Borrower will not make any payments of the Developer Fee and (ii) payments of the Developer Fee are subordinate to any and all payments of principal and premium, if any, and interest due on the Loan.

(d) In the event the Contractor shall have defaulted as aforesaid, and the Contractor has no surety, the Majority Owner Representative shall proceed to negotiate or invite bidding to procure, within an additional 15 days, a successor Contractor to complete the Improvements under a performance bond and labor and material payment bond approved by the Majority Owner Representative in the full amount of the new contract price; if the Contractor has a surety, but the surety refuses or fails to commence completion of the Improvements within 15 days after notice from the Borrower to do so, the Majority Owner Representative shall proceed, within 10 days, to negotiate or invite bidding as herein provided or to take action against the entity; and

(e) (i) Enter upon or take possession of the Project Facilities and call upon or employ suppliers, agents, managers, maintenance personnel, security guards, architects, engineers and inspectors to complete, manage or operate the Project Facilities or to protect the Project Facilities from injury; (ii) pay out additional sums (which sums shall be immediately due and payable by the Borrower to the Trustee) and use any property of the Borrower associated with the Project Facilities, or any property of the Borrower in which the Trustee has or obtains an interest for application to or as a reserve for payment of any or all of the following with respect to the protection, management, operation or maintenance of the Project Facilities or the protection of the Trustee's interest therein, and in such connection deliver or disburse the same to such entities in such amounts and with such preferences and priorities as the Majority Owner Representative in its sole discretion shall determine, either with or without vouchers or orders executed by the Borrower: (A) all sums due from the Borrower to the Trustee; (B) premiums and costs of title and any other insurance; (C) leasing fees and brokerage or sales commissions; (D) fees, costs and expenses of the Trustee, the Majority Owner Representative and the Holder and their respective counsel in connection with the enforcement and performance of this Agreement, the other Bond Documents and the other documents contemplated hereby; (E) any taxes (including federal, state and local taxes) or other governmental charges; (F) any sums required to indemnify and hold the Trustee or the Majority Owner Representative harmless from any act or omission of the Trustee or the Majority Owner Representative (except such as are grossly negligent or due to its willful misconduct) under Section 2.5 hereof, the other Bond Documents or any other document; (G) architectural and engineering costs or any sums due to contractors, subcontractors, mechanics or materialmen for work or services actually furnished on or for the Project Facilities; (H) claims of any Governmental Authority for any required withholding of taxes on wages payable or paid by the Borrower; and (I) other costs and expenses which are required to complete, manage or operate the Project Facilities or to protect the Project Facilities from injury or maintain the Trustee's security position before the rights of all others; (3) place additional encumbrances upon the

Project Facilities; and (4) employ leasing and sales agents and negotiate and execute leases, sales contracts and financing undertakings in connection with all or any part of the Project Facilities; and

(f) Subject to all Legal Requirements, require the Borrower to transfer all security deposits to the Trustee; and

(g) Exercise, or cause to be exercised, any and all such remedies as it may have under this Agreement, the other Bond Documents or at law or in equity; and

(h) Notwithstanding anything to the contrary contained in this Article VII, so long as the Senior Bond remain outstanding, the Bondholder shall have no right to enforce the provisions hereof. From and after the date as of which the Senior Bond no longer remain outstanding, the Bondholder shall take such actions as it may reasonably deem necessary to enforce such provisions.

Section 7.3 No Waivers; Consents. No waiver of, or consent with respect to, any provision of this Agreement shall in any event be effective unless the same shall be in writing and signed by the Trustee at the direction of the Majority Owner Representative (or by the Issuer if the same relates to Reserved Rights), and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given.

Section 7.4 No Waiver; Remedies Cumulative. No failure on the part of the Issuer, the Trustee, the Majority Owner Representative or the Bondholder to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; and no single or partial exercise of any right hereunder shall preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies available under any other document or at law or in equity.

Section 7.5 Set-Off. Upon the occurrence and during the continuation of an Event of Default hereunder (provided that the Trustee and Majority Owner Representative shall have no obligation to accept a cure of any Event of Default), the Trustee is hereby authorized at any time and from time to time without notice to the Borrower, [the Administrative General Partner or the General Partner] (any such notice being expressly waived by the Borrower, [the Administrative General Partner and the General Partner]) and, to the fullest extent permitted by applicable Legal Requirements, to set off and to apply any and all balances, credits, deposits (general or special, time or demand, provisional or final), accounts or moneys at any time held (including any amounts in the Accounts except for the Rebate Fund and the Tax and Insurance Escrow Fund) and other indebtedness at any time owing by the Issuer to or for the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement, the Bond Documents or any other agreement or instrument delivered by the Borrower to the Issuer in connection therewith, whether or not the Issuer shall have made any demand hereunder or thereunder and although such obligations may be contingent or unmatured. The rights of the Trustee under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) which the Trustee may have.

Section 7.6 Issuer and Borrower to Give Notice of Default. The Issuer and the Borrower severally covenant that they will, at the expense of the Borrower, promptly give to the Trustee, the Majority Owner Representative, the Holder, the Tax Credit Investor and Special Limited Partner and to each other written notice of the occurrence of any Event of Default under this Agreement or any of the Bond Documents, and any act, event or circumstance which, with the passage of time, or notice, or both, would constitute such an Event of Default of which they shall have actual knowledge or written notice, but the Issuer shall not be liable for failing to give such notice.

Section 7.7 Cure by Tax Credit Investor and/or Special Limited Partner. Notwithstanding anything to the contrary contained herein, each of the Issuer, the Trustee, and the Majority Owner Representative hereby agrees that any timely cure of any default made or tendered by the Tax Credit Investor and/or Special Limited Partner shall be deemed to be a cure by the Borrower, and shall be accepted or rejected on the same basis as if made or tendered by the Borrower; provided, however, that neither the Tax Credit Investor nor the Special Limited Partner shall have any obligation or duty to take any action to cure any default or to cause any default to be cured. In addition, in the case of an Event of Default, or an event which causes a material adverse effect on the Guarantor's ability to perform its obligations under any guaranty, the Tax Credit Investor and/or Special Limited Partner shall have the right to propose a substitute guarantor, which may be approved by the Majority Owner Representative, in its sole and absolute discretion. In the event the Majority Owner Representative accepts such substitute guarantor, said substitute guarantor shall enter into such guaranties as required by the Majority Owner Representative, in form and substance satisfactory to the Majority Owner Representative in its sole and absolute discretion. Notwithstanding the foregoing, the Tax Credit Investor and/or Special Limited Partner's ability to propose of a substitute guarantor shall in no event delay the Majority Owner Representative's ability its exercise any relief or remedy hereunder or under any of the Bond Documents.

Section 7.8 Default Rate; Acceleration Premium. In the event there shall have occurred an acceleration of the obligations of the Borrower hereunder following an Event of Default on or before the Maturity Date, any tender of payment of an amount necessary to satisfy the Indebtedness evidenced by this Agreement and the Note shall include the acceleration premium set forth in Section 2.3(c) hereof. In addition, in the event that principal or interest payable hereunder is not paid when due, there shall be payable on the amount not timely paid, interest at the Default Rate until the unpaid amount, together with interest thereon, shall have been paid in full.

Section 7.9 Reserved Rights; Regulatory Agreement Defaults.

(a) Notwithstanding anything to the contrary contained herein, the Issuer may enforce its Reserved Rights under the Bond Documents and exercise the permitted remedies with respect thereto against the Borrower, subject to the provisions of subparagraph (c) below.

(b) If there shall have occurred and be then continuing an event of default under the Regulatory Agreement which would, in the reasonable judgment of the Issuer, the Majority Owner Representative or the Trustee, jeopardize the exclusion from gross income

of interest on the Bond (a “Regulatory Agreement Default”) and such Regulatory Agreement Default remains uncured or unwaived for a period of 60 days after the Borrower, the Majority Owner Representative and the Majority Owner receive written notice from the Trustee or the Issuer stating that a Regulatory Agreement Default has occurred and specifying the nature of such default, then, if authorized by the Bond Documents, the Issuer and the Trustee may (but are not obligated to), without the consent of the Majority Owner Representative or the Holder exercise the remedy of pursuing specific performance of the Bond Documents on account of such default, unless:

(i) The Issuer and the Trustee, prior to the end of such 60 day period, are provided with an opinion of Bond Counsel to the effect that the failure to cure such default will not have an adverse effect on the exclusion from gross income for federal income tax purposes of interest on the Bond (which opinion may be requested and obtained and relied upon by the Majority Owner Representative or the Holder);

(ii) The Majority Owner Representative, the Holder or the Borrower institutes action to cure such Regulatory Agreement Default within such 60 day period and diligently pursues such action thereafter until such Regulatory Agreement Default is cured; or

(iii) If such Regulatory Agreement Default is not reasonably curable by the Majority Owner Representative or the Holder without the Trustee’s first securing possession of the Project Facilities and/or operational control of the Borrower and the Majority Owner Representative or the Holder (subject to extension during any stay on account of the bankruptcy of the Borrower) (x) instructs the Trustee in writing, subject to the terms of the Indenture, to institute, within such 60 day period, proceedings or other action for the purposes of obtaining such possession or control pursuant to the Bond Documents; (y) thereafter instructs the Trustee, pursuant to the terms of the Indenture, to pursue diligently such proceedings until such possession or control is obtained; and (z) diligently pursues action to cure such default after the Trustee or other designee of the Majority Owner Representative or the Holder obtains possession or control of the Project Facilities, until such default is cured; provided, however, that any extension of the period within which a Regulatory Agreement Default must be cured shall only be effective if and to the extent that, in the opinion of Bond Counsel provided to the Trustee, the Majority Owner Representative and the Holder, such extension will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bond; and provided further, that the Trustee, upon five Business Days’ prior written notice to the Majority Owner Representative and the Holder following any such Regulatory Agreement Default, may reduce the 60-day period provided above to such shorter period of time as is specified in such notice (but in no event less than 15 Business Days), but only if the Trustee, the Majority Owner Representative and the Holder shall have been provided with an opinion of Bond Counsel to the effect that such reduction of such period is necessary to preserve the exclusion from gross income for federal income tax purposes of interest on the

Bond. Nothing in the preceding paragraph shall prevent the Issuer's exercise of its remedies under Section 18 of the Regulatory Agreement.

(c) In the event of a default in respect of Reserved Rights or a Regulatory Agreement Default which remains uncured after written notice thereof to the Borrower, the Majority Owner Representative and the Holder, nothing in this Section 7.9 shall restrict or in any way limit the right of the Issuer or the Trustee to take any action for specific performance available under the Regulatory Agreement or at law or in equity in order to enforce the terms of the Regulatory Agreement or to enforce Reserved Rights hereunder, so long as neither the Issuer nor the Trustee takes any action (i) to declare the outstanding balance of the Bond or the Loan to be due on account of such default, (ii) to have a receiver appointed in respect of the Project Facilities, (iii) [reserved], or (iv) to enforce any other similar remedy which would cause such liens or security interests to be discharged or materially impaired thereby.

(b) Each Requisition shall be submitted to the Majority Owner Representative at least 15 Business Days prior to the date of the requested Advance, and no more frequently than once each month (excluding the month in which the initial advance is requested). The Borrower shall open and maintain a checking account with a financial institution reasonably satisfactory to the Majority Owner Representative. Except as otherwise provided for herein, the Majority Owner Representative shall direct the Trustee in writing to deposit the proceeds of each Requisition into such account.

Section 9.3 Advances to Contractors; to Others. At its option during the existence of any Event of Default or Default, the Majority Owner Representative shall direct the Trustee in writing to make any or all advances: (a) for costs incurred under any construction contract directly to a contractor, subcontractor or vendor, (b) through the Title Company, or (c) to any Person to whom the Majority Owner Representative in good faith determines payment is due.

Section 9.4 Requisition. Each Requisition shall be in the form set forth as *Exhibit C* to the Indenture, shall be signed on behalf of the Borrower by an Authorized Representative, shall be subject to written approval by the Majority Owner Representative and acknowledgement by the Issuer prior to payment and shall state with respect to each disbursement to be made: (a) the number of the Requisition; (b) the amount to be disbursed; (c) that each obligation therein for which such disbursement is being requested has been properly incurred and has not been the basis for any previous disbursement; and (d) that the expenditure of such disbursement, when added to all previous disbursements, will result in not less than (i) 100% of all disbursements of proceeds of the Bond having been used to pay or reimburse the Borrower for Qualified Project Costs and (ii) 100% of all disbursements having been used to pay or reimburse the Borrower for Project Costs.

Section 9.5 Project Costs. The Development Budget reflects the purposes and the amounts for which funds to be advanced by the Trustee from the Project Fund are to be used. Subject to Section 9.7 hereof, the Majority Owner Representative shall not be required to approve any Requisition requiring disbursement of funds from the Project Fund for any item of Work in an amount exceeding the amount specified for any item in the Development Budget. Subject to Section 9.7 hereof, in no event shall the Majority Owner Representative approve any Advance in an amount exceeding (a) the total cost (as determined by the Majority Owner Representative) of the labor, materials, fixtures, machinery and equipment completed, approved and incorporated into the Project Facilities prior to the date of such Requisition, less (b) Retainage (if required) less (c) the total amount of any Advances previously made by the Trustee from the Project Fund for such costs.

Section 9.7 Contingency Reserve. The amount allocated to “contingency” in the Development Budget is not intended to be disbursed without, and will only be disbursed upon, the prior approval of the Majority Owner Representative. The disbursement of a portion of the contingency reserve shall in no way prejudice the Majority Owner Representative from directing the Trustee in writing to withhold disbursement of any further portion of the contingency reserve.

Section 9.8 Stored Materials. The Majority Owner Representative shall approve Requisitions for funds for materials, furnishings, fixtures, machinery or equipment not yet incorporated into the Improvements, provided that any such disbursement shall be subject to and shall be contingent upon the Majority Owner Representative’s receiving satisfactory evidence that:

(a) such materials are components in a form ready for incorporation into the Improvements and shall be so incorporated within a period of 30 days; and

(b) such materials are stored at the Project Facilities, or at such other site as the Majority Owner Representative shall approve, and are protected against theft and damage.

Section 9.9 Cost Overruns and Savings.

(a) If the Borrower becomes aware of any change in the costs of the Work which will increase or decrease the projection of the costs reflected on the Development Budget by \$100,000 or more, the Borrower shall immediately notify the Majority Owner Representative in writing and promptly submit to the Majority Owner Representative for its approval a revised Development Budget. If the Majority Owner Representative otherwise becomes aware of any such change in costs of the Work, the Majority Owner Representative shall have the right to prepare and to authorize disbursements on the basis of a revised Development Budget.

(b) If the revised Development Budget indicates an increase in costs of the Work for the Project Facilities (in excess of the aggregate contingency amount and savings), no further Requisitions for the Work at the Project Facilities need be approved by the Majority Owner Representative unless and until the Borrower has deposited with the Trustee any required funds necessary to cause the amount remaining on deposit in the Project Fund and any Required Equity Funds yet to be deposited with the Trustee to be sufficient to complete fully the renovation and construction of the Improvements in accordance with the Plans and Specifications to the extent applicable, and to pay all other projected costs in connection with the Work.

(c) If the revised schedule indicates a decrease in costs of the Work for the Project Facilities, no savings may be reallocated by the Borrower unless and until the Borrower has furnished the Majority Owner Representative and the Engineering Consultant with evidence satisfactory to them that the labor performed and materials supplied in connection with such line item of costs have been satisfactorily completed and paid for in full. At such time, such savings may be reallocated by the Borrower with the consent of the Majority Owner Representative, to other line items in the Development Budget.

(d) The Issuer does not make any warranty, either express or implied, that the moneys paid into the Project Fund and available for payment of the Project Costs will be sufficient to pay all of the Project Costs. The Borrower agrees that if after exhaustion of the moneys in the Project Fund, the Borrower should pay any portion of the Project Costs as required herein, the Borrower shall not be entitled to any reimbursement therefor from the Issuer, nor shall the Borrower be entitled to any diminution of the amounts payable under this Agreement or under the Note.

The above parties may change the address to which notices to it are to be sent by written notice given to the other persons listed in this Section. All notices shall, when sent as aforesaid, be effective when received.

Notwithstanding anything in this Agreement or the Indenture to the contrary, the Trustee has agreed under the terms of the Indenture to accept and act upon instructions or directions under the Indenture and under this Agreement sent in writing or by electronic means; provided, however, that such instructions or directions shall be signed by an authorized representative of the Borrower. If the Borrower elects to give the Trustee instructions by electronic notice, the Borrower acknowledges that the Trustee, in its discretion, may deem such instructions controlling. The Borrower further acknowledges that the Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. All notices, approvals, consents, directions, certificates, requests and any communications hereunder ("Notices") must be in writing (provided that any Notices sent to Trustee hereunder must be in the form of a document that is signed manually or by way of a digital signature provided by DocuSign initiated by the Trustee (or such other digital signature provider as specified in writing to Trustee by the authorized representative as shall be acceptable to the Trustee)), in English. The Borrower agrees to assume all risks arising out of the use of digital signatures and such electronic notice to submit instructions and directions to the Trustee, including, without limitation, the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

Section 10.2 Successors and Assigns; Third Party Beneficiaries. This Agreement shall inure to the benefit of and shall be binding upon the parties hereto and their respective successors and assigns, including, without limitation, the Trustee. The Majority Owner Representative and the Holder are express third party beneficiaries of this Agreement and the rights of the Trustee (as assignee of the Issuer) hereunder, with full rights of enforcement thereof. The Borrower may not assign its interests in or its rights, duties or obligations under this Agreement without the prior written consent of the Majority Owner Representative. The Borrower and the Issuer intend that no person other than the parties hereto, the Trustee, the Holder, the Majority Owner Representative, and their respective successors and assigns as permitted hereunder, shall have any claim or interest under this Agreement or right of action hereon or hereunder.

Section 10.3 Survival of Covenants. All covenants made by the Borrower herein and in any document delivered pursuant hereto shall survive the issuance, sale and delivery of the Bond, the delivery of this Agreement and the payment of any amounts under the Bond Documents.

Section 10.4 Counterparts; Electronic Signature; Electronic Transactions. The execution hereof by each party hereto shall constitute a contract between them for the uses and purposes herein set forth, and this Agreement may be executed in any number of counterparts, with each executed counterpart constituting an original and all counterparts together constituting one agreement. To the fullest extent permitted by applicable law, facsimile or electronically transmitted signatures shall be treated as original signatures for all purposes hereunder. The transactions described in this Agreement and the other Bond Documents may be conducted and related documents may be sent, received or stored by electronic means. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

Section 10.5 Costs, Expenses and Taxes. The Borrower agrees to pay on the Issue Date and thereafter within 30 days after demand, all reasonable costs and expenses of the Issuer, the Trustee, the Majority Owner Representative and the Holder in connection with the preparation, execution, delivery and administration of this Agreement, the other Bond Documents and any other documents that may be delivered in connection with this Agreement or the other Bond Documents or any amendments or supplements thereto, including, without limitation, the fees and expenses of the Engineering Consultant, the cost of an annual appraisal (but only upon the occurrence and during the continuation of an Event of Default) of the Project Facilities by an appraiser selected by the Majority Owner Representative, and the reasonable fees and expenses of counsel for the Holder and the Majority Owner Representative with respect thereto and with respect to advising the Holder and the Majority Owner Representative as to their respective rights and responsibilities under this Agreement, the other Bond Documents and such other documents, and all costs and expenses, if any, (including, without limitation, reasonable counsel fees and expenses of the Majority Owner Representative and the Holder) in connection with the enforcement of this Agreement, the other Bond Documents and such other documents.

Section 10.6 Severability; Interest Limitation. If any provision hereof is found by a court of competent jurisdiction to be prohibited or unenforceable in any jurisdiction, it shall be ineffective as to such jurisdiction only to the extent of such prohibition or unenforceability, and such prohibition or unenforceability shall not invalidate the balance of such provision as to such

jurisdiction to the extent it is not prohibited or unenforceable, nor invalidate such provision in any other jurisdiction, nor invalidate the other provisions hereof, all of which shall be liberally construed in favor of the Issuer in order to effect the provisions of this Agreement. Notwithstanding anything to the contrary herein contained, the total liability of the Borrower for payment of interest pursuant hereto shall not exceed the maximum amount, if any, of such interest permitted by applicable Legal Requirements to be contracted for, charged or received, and if any payments by the Borrower to the Trustee include interest in excess of such a maximum amount, the Trustee shall apply such excess to the reduction of the unpaid principal amount due pursuant hereto, or if none is due, such excess shall be refunded to the Borrower; provided that, to the extent permitted by applicable Legal Requirements, in the event the interest is not collected, is applied to principal or is refunded pursuant to this sentence and interest thereafter payable pursuant hereto shall be less than such maximum amount, then such interest thereafter so payable shall be increased up to such maximum amount to the extent necessary to recover the amount of interest, if any, theretofore uncollected, applied to principal or refunded pursuant to this sentence. Any such application or refund shall not cure or waive any Event of Default. In determining whether or not any interest payable under this Agreement exceeds the highest rate permitted by applicable Legal Requirements, any non-principal payment (except payments specifically stated in this Agreement to be "interest") shall be deemed, to the extent permitted by applicable Legal Requirements, to be an expense, fee, premium or penalty rather than interest.

Section 10.7 Conflicts. Insofar as possible the provisions of this Agreement shall be deemed complementary to the terms of the other Bond Documents, but in the event of conflict the terms hereof shall control to the extent such are enforceable under applicable Legal Requirements.

Section 10.8 Complete Agreement. Taken together with the other Bond Documents and the other instruments and documents delivered in compliance herewith, this Agreement is a complete memorandum of the agreement of the Borrower, [the General Partner, the Administrative General Partner], the Guarantor, the Majority Owner Representative, the Trustee, the Issuer and the Holder, with respect to the subject matter hereof.

Section 10.9 Venue; Waiver of Jury Trial. This Agreement and the Bond shall be enforceable in the State of California, and any action arising out of this Agreement or the Bond shall be filed and maintained in Los Angeles County, California, unless the Issuer waives this requirement. **TO THE EXTENT PERMITTED BY LAW THE PARTIES HERETO, EXCEPT THE ISSUER, HEREBY WAIVE THE RIGHT TO TRIAL BY JURY IN ANY ACTION ARISING UNDER THIS AGREEMENT, ANY OF THE OTHER BOND DOCUMENTS OR OTHERWISE IN CONNECTION HEREWITH.**

Section 10.10 Judicial Reference. Any claim, not involving the Issuer, brought hereunder in a California state court shall be resolved by a general reference to a referee (or a panel of referees) as provided in California Code of Civil Procedure Section 638. The referee (or presiding referee of the panel) shall be a retired judge or justice of the California state court system. The referee(s) shall be selected by mutual written agreement of the parties. If the parties do not agree, the referee(s) shall be selected by the presiding judge of the court (or his or her representative) as provided in California Code of Civil Procedure Section 640. The referee(s) shall hear and determine all issues relating to the claim, whether of fact or of law, and shall do so in accordance with the laws of the State of California, and shall report a statement of decision. The

referee(s) shall be empowered to enter equitable as well as legal relief, provide all temporary or provisional remedies, enter equitable and legal orders that will be binding on the parties, and rule on any motion which would be authorized in court litigation, including motions to dismiss, for summary judgment, or for summary adjudication. The referee(s) shall award legal fees and costs (including the fees of the referee(s)) relating to the judicial reference proceeding, and to any related litigation or arbitration, in accordance with the terms of this Agreement. The award that results from the decision of the referee(s) shall be entered as a judgment in the court that appointed the referee(s), in accordance with the provisions of California Code of Civil Procedure Sections 644(a). Pursuant to California Code of Civil Procedure Sections 645, the parties reserve the right to seek appellate review of any judgment or order, including but not limited to, orders pertaining to class certification, to the same extent permitted in a court of law.

Section 10.11 Governing Law. This Agreement shall be governed by, and construed in accordance with, the Legal Requirements of the State of California without reference to its principles of conflicts of law.

Section 10.12 Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 10.13 Sale of Bond and Secondary Market Transaction.

(a) At the Majority Owner Representative or the Holder's request (to the extent not already required to be provided by the Borrower under this Agreement), the Borrower shall use reasonable efforts to satisfy the market standards to which the Majority Owner Representative or the Holder customarily adheres or which may be reasonably required in the marketplace or by the Majority Owner Representative in connection with, as allowed under the Indenture, one or more sales or assignments of all or a portion of the Bond or participations therein or securitizations of single or multi-class securities (the "Securities") secured by or evidencing ownership interests in all or a portion of the Bond (each such sale, assignment and/or securitization, a "Secondary Market Transaction"); provided that neither the Borrower, [the General Partner, the Administrative General Partner], any Guarantor nor the Issuer shall incur any third party or other out-of-pocket costs and expenses in connection with a Secondary Market Transaction, including the costs associated with the delivery of any Provided Information or any opinion required in connection therewith, and all such costs including, without limitation, any costs associated with receiving a rating on the Bond, shall be paid by the Majority Owner Representative, and shall not materially modify the Borrower's, [the General Partner's, the Administrative General Partner's] or any Guarantor's rights or obligations. Without limiting the generality of the foregoing, the Borrower shall, upon reasonable request of the Majority Owner Representative or the Holder, so long as the Loan is still outstanding:

(i) (1) provide financial and other information with respect to the Bond, and with respect to the Project Facilities, the Borrower, [the Administrative General Partner, the General Partner], the Guarantor, the Manager, or the Contractor of the Project Facilities, (2) provide financial statements, audited, if available, relating to the Project Facilities with customary disclaimers for any forward looking

statements or lack of audit, and (3) at the expense of the Majority Owner Representative, perform or permit or cause to be performed or permitted such site inspection, appraisals, surveys, market studies, environmental reviews and reports (Phase I's and, if appropriate, Phase II's), engineering reports, termite and other insect infestation reports and other due diligence investigations of the Project Facilities, the Borrower, [the Administrative General Partner, the General Partner,] the Guarantor, the Manager, the Contractor and other third parties in connection with the Bond, as may be reasonably requested from time to time by the Majority Owner Representative or the Rating Agencies or as may be necessary or appropriate in connection with a Secondary Market Transaction or Exchange Act requirements (the items provided to the Majority Owner Representative pursuant to this paragraph (i) and the other information provided pursuant to this Agreement and the other Bond Documents used in connection with a Secondary Market Transaction being called the "Provided Information"), together, if customary, with appropriate verification of and/or consents to the Provided Information through letters of auditors or opinions of counsel of independent attorneys acceptable to the Majority Owner Representative and the Rating Agencies;

(ii) make such representations and warranties as of the closing date of any Secondary Market Transaction with respect to the Project Facilities, the Borrower, [the Administrative General Partner, the General Partner,] the Guarantor, the Manager, the Contractor, other third parties and the Bond Documents reasonably acceptable to the Majority Owner Representative, consistent with the facts covered by such representations and warranties as they exist on the date thereof, including a "bring down" of the representations and warranties contained in the Bond Documents as of the date thereof and a representation that no Default or Event of Default has occurred; and

(iii) execute such amendments to the Bond Documents to accommodate such Secondary Market Transaction so long as such amendment does not affect the material economic terms of the Bond Documents and is not otherwise materially adverse to such party in its reasonable discretion.

(b) The Borrower understands that certain of the Provided Information and the required records may be included in disclosure documents in connection with a Secondary Market Transaction, including a prospectus or private placement memorandum (each, a "Secondary Market Disclosure Document"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies and service providers or other parties relating to the Secondary Market Transaction. In the event that the Secondary Market Disclosure Document is required to be revised, the Borrower shall cooperate, subject to Section 10.13(c) hereof, with the Majority Owner Representative in updating the Provided Information or required records for inclusion or summary in the Secondary Market Disclosure Document or for other use reasonably required in connection with a Secondary Market Transaction by providing all current information pertaining to the Borrower, [the Administrative General Partner, the General Partner,] the Guarantor, the Manager, the Contractor and other third parties and the Project Facilities necessary to keep the Secondary Market Disclosure Document accurate and complete in all material respects

with respect to such matters. The Borrower hereby consents to any and all such disclosures of such information; provided that the Borrower shall not be responsible for such disclosures of information if such information was obtained from unrelated third parties, except with respect to information it provided to such parties.

(c) In connection with a Secondary Market Disclosure Document, the Borrower shall provide, or in the case of a Borrower-engaged third party such as the Manager, cause it to provide, information reasonably requested by the Majority Owner Representative pertaining to the Borrower, [the Administrative General Partner, the General Partner], the Guarantor, the Project Facilities or such third party (and portions of any other sections reasonably requested by the Majority Owner Representative pertaining to the Borrower, [the Administrative General Partner, the General Partner,] the Guarantor, the Project Facilities or the third party). The Borrower shall, if requested by the Majority Owner Representative, certify in writing that the Borrower has carefully examined those portions of such Secondary Market Disclosure Document, pertaining to the Borrower, [the Administrative General Partner, the General Partner,] the Guarantor, the Project Facilities or the third party, and such portions (and portions of any other sections reasonably requested and pertaining to the Borrower, [the Administrative General Partner, the General Partner,] the Guarantor, the Project Facilities or the third party) do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in the light of the circumstances under which they were made, not misleading; provided that the Borrower shall not be required to make any representations or warranties regarding any Provided Information obtained from a third party except with respect to information it provided to such third parties; provided further that the Borrower will be required to cause such third parties to provide similar certifications with respect to any information not so certified by the Borrower. Furthermore, the Borrower hereby indemnifies the Majority Owner Representative, the Holder, the Trustee, the Issuer and its related Indemnified Parties, sponsor and Guarantor for any Securities, and their affiliates, officers, directors, partners, members, agents, attorneys, and Majority Owner Representatives (collectively, the “Securities Parties”) for any liabilities to which any such parties may become subject to the extent such liabilities arise out of or are based upon the use of the Provided Information in a Secondary Market Disclosure Document.

(d) In connection with filings under the Exchange Act or the Securities Act, the Borrower shall (i) defend and indemnify the Majority Owner Representative, the Holder, the Trustee, the Issuer and its related Indemnified Parties, its members, and the other Securities Parties for any liabilities to which the Holder, the Majority Owner Representative, the Issuer, the Trustee or any of the other Securities Parties may become subject insofar as such liabilities arise out of or are based upon the omission or alleged omission to state in the Provided Information of a material fact required to be stated in the Provided Information in order to make the statements in the Provided Information, in the light of the circumstances under which they were made not misleading, and (ii) reimburse the Majority Owner Representative, the Holder, the Issuer and its related Indemnified Parties, the Trustee and the other Securities Parties for any legal or other expenses reasonably incurred by the Majority Owner Representative, the Holder, the Issuer and its related Indemnified Parties, the Trustee or the Securities Parties in connection with defending or investigating the liabilities; provided that the Borrower shall not provide any

indemnification regarding any Provided Information obtained from unrelated third parties except with respect to information it provided to such parties, but shall require such third parties to provide such indemnification with respect to information that they certify.

(e) Promptly after receipt by an indemnified party under this Section 10.13 of notice of the commencement of any action for which a claim for indemnification is to be made against the Borrower, such indemnified party shall notify the Borrower in writing of such commencement, but the omission to so notify the Borrower will not relieve the Borrower from any liability that it may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the Borrower. In the event that any action is brought against any indemnified party, and it notifies the Borrower of the commencement thereof, the Borrower will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice of commencement, to assume the defense thereof with counsel selected by the Borrower and reasonably satisfactory to such indemnified party in its sole discretion. After notice from the Borrower to such indemnified party under this Section 10.13 and provided that the Borrower duly provides the defense and indemnity herein described, including payment of all required fees, expenses and liabilities, the Borrower shall not be responsible for any legal or other expenses subsequently incurred by such indemnified party, other than to the Issuer and related Indemnified Parties, in connection with the defense thereof other than reasonable costs of investigation. No indemnified party shall settle or compromise any claim for which the Borrower may be liable hereunder without the prior written consent of the Borrower, which shall not be unreasonably conditioned or withheld.

(f) In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in this Section 10.13 is for any reason held to be unenforceable by an indemnified party in respect of any liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under this Section 10.13, the Borrower shall contribute to the amount paid or payable by the indemnified party as a result of such liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) the indemnified parties and the Borrower's relative knowledge and access to information concerning the matter with respect to which the claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances, provided that the Issuer and its related Indemnified Parties shall not be liable for any such contribution. The parties hereto hereby agree that it may not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

Section 10.14 Nonrecourse.

(a) Notwithstanding anything to the contrary contained in this Agreement (other than Sections 10.14(b) through (e) hereof) or the other Bond Documents, the Issuer

agrees that, in connection with the exercise of any rights or remedies available to the Issuer under this Agreement or any of the other Bond Documents (other than the Environmental Indemnity and the other guaranty agreements of the Guarantors), the Issuer shall look solely to the enforcement of the lien and security interests created by this Agreement and the other Bond Documents and to the collateral and other security held by the Trustee under the Bond Documents and all assets of the Borrower.

(b) Notwithstanding the preceding subsection, the Borrower and the Guarantor shall have full recourse and personal liability for, and be subject to, judgments and deficiency decrees arising from and to the extent of any loss or damage suffered or incurred by the Issuer, the Trustee, the Holder the Majority Owner Representative or the Bondholders as a result of the occurrence of any of the following events:

(i) [reserved];

(ii) the Borrower fails to apply all insurance proceeds or casualty or condemnation proceeds as required by the Bond Documents. However, the Borrower will not be personally liable for any failure described in this Section 10.13(b)(ii) if Borrower is unable to apply insurance or casualty or condemnation proceeds as required by the Bond Documents because of a valid order issued in a bankruptcy, receivership, or similar judicial proceeding;

(iii) if an Event of Default has occurred and is continuing, the Borrower fails to deliver all books and records relating to the Project Facilities or its operation in accordance with the provisions of Section 6.8 or 6.9 of this Agreement;

(iv) the Borrower engages in any willful act of material waste of the Project Facilities;

(v) the Borrower, [the Administrative General Partner, or the General Partner] fails to comply with any provision of Section 6.11(b) hereof;

(vi) the occurrence of any of the following transfers:

(A) any Person that is not an Affiliate creates a mechanic's lien or other involuntary lien or encumbrance against the Project Facilities and Borrower has not complied with the provisions of this Agreement.

(B) a transfer of property by devise, descent or operation of law occurs upon the death of a natural person in violation of the requirements set forth in the Bond Documents.

(C) the Borrower grants an easement that does not meet the requirements set forth in the Bond Documents.

(D) Borrower executes a Lease that does not meet the requirements set forth in the Bond Documents;

(vii) any act of fraud or willful misconduct or any criminal act of the Borrower, [the Administrative General Partner, the General Partner] or the Guarantor;

(viii) the Borrower's misappropriation of funds or other Collateral; or

(ix) any litigation or other legal proceeding related to the Obligations filed by any of Borrower, Guarantor or any of their Affiliates, or any other action of any such Person that delays, opposes, impedes, obstructs, hinders, enjoins or otherwise interferes with or frustrates the efforts of Trustee to exercise any rights and remedies available to Trustee as provided herein or in the other Bond Documents.

(c) The Borrower and the Guarantor shall have full recourse and personal liability for all of the Indebtedness (and the limitation on liability in the first sentence of Section 10.13(a) hereof shall be null and void) as a result of the occurrence of any of the following:

(i) a violation of Section 6.11(a), 6.12(b) or 6.13(c);

(ii) the Borrower's taking any action which adversely affects the exclusion from gross income of interest on the Bond for federal income tax purposes, or the Borrower's omitting or failing to take any action required to maintain the exclusion from gross income of interest on the Bond for federal income tax purposes;

(iii) the Borrower, [the Administrative General Partner, or the General Partner] fails to comply with any provision of Section 6.11(b) hereof and a court of competent jurisdiction holds or determines that such failure or combination of failures is the basis, in whole or in part, for the substantive consolidation of the assets and liabilities of the Borrower or the General Partner with the assets and liabilities of a debtor pursuant to Title 11 of the Bankruptcy Code;

(iv) a transfer that is an Event of Default under Section 7.1 hereof occurs (other than a transfer described in Section 10.14(b)(vi) above, for which Borrower will have personal liability for any loss or damage); provided, however, that Borrower will not have any personal liability for a transfer consisting solely of the involuntary removal or involuntary withdrawal of [the General Partner or the Administrative General Partner];

(v) there was fraud or written material misrepresentation by the Borrower or any officer, director, partner, member or employee of the Borrower in connection with the application for or creation of the Indebtedness or there is fraud in connection with any request for any action or consent by the Issuer, Trustee, Majority Owner Representative or the Bondholder;

(vi) the Borrower, [the Administrative General Partner, or the General Partner] voluntarily files for bankruptcy protection under the Bankruptcy Code;

(vii) the Borrower, [the Administrative General Partner, or the General Partner] voluntarily becomes subject to any reorganization, receivership, insolvency proceeding, or other similar proceeding pursuant to any other federal or state law affecting debtor and creditor rights;

(viii) the Project Facilities or any part of the Project Facilities becomes an asset in a voluntary bankruptcy or becomes subject to any voluntary reorganization, receivership, insolvency proceeding, or other similar voluntary proceeding pursuant to any other federal or state law affecting debtor and creditor rights;

(ix) an order of relief is entered against the Borrower, [the Administrative General Partner,] any Guarantor or the [General Partner] pursuant to the Bankruptcy Code or other federal or state law affecting debtor and creditor rights in any involuntary bankruptcy proceeding initiated or joined in by a Related Party; or

(x) an involuntary bankruptcy or other involuntary insolvency proceeding is commenced against the Borrower, any Guarantor, [the Administrative General Partner, or the General Partner] (by a party other than the Trustee or the owner of the Bond) but only if the Borrower, such Guarantor, the [Administrative General Partner, or the General Partner], as applicable, has failed to use commercially reasonable efforts to dismiss such proceeding or has consented to such proceeding. "Commercially reasonable efforts" will not require any direct or indirect interest holders in the Borrower, such Guarantor, [the Administrative General Partner, or the General Partner] to contribute or cause the contribution of additional capital to the Borrower, such Guarantor, [the Administrative General Partner, or the General Partner.]

(d) The Borrower and the Guarantor shall have full recourse and personal liability for all of the following:

(i) the performance of and compliance with all of Borrower's obligations under Sections 5.12 and 6.14 of this Agreement (relating to environmental matters) or the Borrower's failure to comply with the provisions of the Environmental Indemnity;

(ii) the costs of any audit under Section 6.8 of this Agreement;

(iii) any costs and expenses incurred by the Issuer, Trustee, the Majority Owner Representative and the Holder in connection with the collection of any amount for which Borrower is personally liable under this Section 10.13, including attorneys' fees and costs and the costs of conducting any independent audit of Borrower's books and records to determine the amount for which Borrower has personal liability; and

(iv) Borrower's indemnity obligations pursuant to Sections 2.5 and 10.13 hereof.

(e) Further, nothing contained in this Section shall be deemed to limit, vary, modify or amend any obligation owed under any guaranty, master lease or indemnification agreement, including the Environmental Indemnity and the other guaranty agreements of the Guarantor, furnished in connection with financing of the acquisition, construction, renovation and equipping of the Project Facilities, recourse under which is not, by its terms, expressly limited in accordance with this Section 10.14.

(f) Notwithstanding anything to the contrary in this Agreement, the Note or any of the Bond Documents, Issuer and Trustee shall not be deemed to have waived any right which Issuer or Trustee may have under Section 506(a), 506(b), 1111(b) or any other provisions of the Bankruptcy Code to file a claim for the full amount of the Borrower's and Guarantor's Obligations under the Bond Documents or to require that all collateral shall continue to secure all of the Obligations under the Bond Documents.

Section 10.15 Publicity. The Borrower hereby authorizes the Majority Owner Representative or the Holder and their respective affiliates, without further notice or consent, to use the Borrower's and its affiliates' name(s), logo(s) and photographs related to the Project Facilities in its advertising, marketing and communications materials on a national and/or international basis. Such materials may include web pages, print ads, direct mail and various types of brochures or marketing sheets, and various media formats other than those listed (including without limitation video or audio presentations through any media form). In these materials, the Majority Owner Representative or the Holder also may discuss at a high level the types of services and solutions the Majority Owner Representative or the Holder has provided the Borrower. This authorization shall remain in effect unless the Borrower notifies the Majority Owner Representative and the Holder in writing in accordance with the notice provisions set forth herein that such authorization is revoked. The Majority Owner Representative or the Holder shall also have the right to publicize its involvement in the financing of the Project Facilities, including the right to maintain a sign indicating such involvement at a location at the Project Facilities reasonably acceptable to the Borrower and Majority Owner Representative and Holder, as applicable.

Section 10.16 Determinations by the Holder and Majority Owner Representative. Subject to specific provisions in this Agreement to the contrary, in any instance under this Agreement where the consent or approval of the Majority Owner Representative or the Holder may be given or is required, or where any determination, judgment or decision is to be rendered by the Majority Owner Representative or the Holder under this Agreement, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the Majority Owner Representative or the Holder (or its designated representative) at its sole and absolute discretion.

Section 10.17 Reliance by Issuer. Anything in the Indenture to the contrary notwithstanding, it is expressly understood by the parties to this Agreement that (a) the Issuer may rely exclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Issuer by the Trustee, the Borrower, the Majority Owner Representative, or any Holder as to the existence of any fact or state of affairs, (b) the Issuer shall not be under any obligation under the Indenture or this Agreement to perform any record keeping or to provide any legal services, it being understood that such services shall be performed or caused to be performed

“*Low Income Tenant*” means a tenant whose Adjusted Income does not exceed limits determined in a manner consistent with determinations of lower-income families under Section 8 of the Housing Act, except that the percentage of median gross income that qualifies as lower income shall be 60% of median gross income for the Area with adjustments for family size. Except as otherwise provided herein, the occupants of a unit in the Project shall not be considered to be Low Income Tenants if all the occupants of a unit are students (as defined in Section 152(f)(2) of the Code) and any one of those students is not (1) a single parent living with his/her children; (2) a student receiving assistance under Title IV of the Social Security Act (Temporary Assistance for

Needy Families); (3) a student enrolled in a job training program receiving assistance under the Job Training Partnership Act or under other similar federal, State, or local laws; (4) a student who was previously under the care and placement responsibility of a foster care program (under part B or E of Title IV of the Social Security Act) or (5) a student who is married and files a joint return. Single parents described in (1) above may not be dependents of another individual and their children may not be dependents of another individual other than their parents. The determination of a tenant's status as a Low Income Tenant shall be made by the Borrower upon initial occupancy of a unit in the Project by such Tenant and annually thereafter and at any time the Borrower has knowledge that the number of occupants in that unit has increased, on the basis of an Income Certification executed by the tenant.

"Low Income Units" means the units in the Project required to be rented to, or held available for occupancy by, Low Income Tenants pursuant to Sections 4(a), 4(b) and 6(a) hereof.

"Net Proceeds" means the total proceeds derived from the issuance, sale and delivery of the Bond, representing the total purchase price of the Bond, including any premium paid as part of the purchase price of the Bond, but excluding the accrued interest, if any, on the Bond paid by the initial purchaser of the Bond.

"Project" means the Project Facilities and the Project Site.

"Project Costs" means, to the extent authorized by the Code, the Regulations, the Law and the Act, any and all costs incurred by the Borrower with respect to the acquisition, construction and equipping and the credit enhancement fees, if any, attributable to the period of, the construction of the Project, whether paid or incurred prior to or after the Inducement Date, including, without limitation, costs for site preparation, the planning of housing, related facilities and improvements, the acquisition of property, the removal or demolition of existing structures, the construction of housing and related facilities and improvements, and all other work in connection therewith, including Qualified Project Costs, and all costs of financing, including, without limitation, the cost of consultant, accounting and legal services, other expenses necessary or incident to determining the feasibility of the Project, contractors' and developer's overhead and supervisors' fees and costs directly allocable to the Project, administrative and other expenses necessary or incident to the Project and the financing thereof (including reimbursement to any municipality, county or other entity or person for expenditures made, for the Project).

"Project Facilities" means the buildings, structures and other improvements on the Project Site to be acquired, constructed, equipped or improved by the Borrower, and all fixtures and other property owned by the Borrower and located on, or used in connection with, such buildings, structures and other improvements constituting the Project. Project Facilities do not include retail sales facilities, leased office space, commercial facilities or recreational, fitness, parking or business facilities available to members of the general public.

"Project Site" means the parcel or parcels of real property having the street address of 5501 South Western Avenue in the City of Los Angeles, California and all rights and appurtenances thereunto appertaining, as more particularly described in Exhibit A hereto.

“Qualified Project Costs” means the Project Costs (excluding issuance costs) incurred not earlier than the date 60 days prior to the Inducement Date which either constitute land or property of a character subject to the allowance for depreciation under Section 167 of the Code, or are chargeable to a capital account with respect to the Project for federal income tax and financial accounting purposes, or would be so chargeable either with a proper election by the Borrower or but for the proper election by the Borrower to deduct those amounts; provided, however, that only such portion of the interest accrued on the Bond during the construction of the Project shall constitute Qualified Project Costs as bear the same ratio to all such interest or fees, as applicable, as the Qualified Project Costs bear to all Project Costs; and provided further that interest accruing on or after the Completion Date shall not be Qualified Project Costs; and provided finally that if any portion of the Project is being constructed by the Borrower or an Affiliated Party (whether as a general contractor or a subcontractor), *“Qualified Project Costs”* shall include only (a) the actual out-of-pocket costs incurred by the Borrower or such Affiliated Party in constructing the Project (or any portion thereof), (b) any reasonable fees for supervisory services actually rendered by the Borrower or such Affiliated Party (but excluding any profit component) and (c) any overhead expenses incurred by the Borrower or such Affiliated Party which are directly attributable to the work performed on the Project, and shall not include, for example, intercompany profits resulting from members of an affiliated group (within the meaning of Section 1504 of the Code) participating in the construction of the Project or payments received by such Affiliated Party due to early completion of the Project (or any portion thereof). Qualified Project Costs do not include Costs of Issuance. Notwithstanding anything herein to the contrary, no Project Costs relating to the acquisition of the Project or any assets relating thereto (including, without limitation, rights and interests with respect to development of the Project) shall constitute *“Qualified Project Costs”* unless, at the time Bond proceeds are expended to pay such costs, the Borrower and the seller of such assets are not *“related parties”* as such term is defined in Section 1.150-1(b) of the Regulations.

“Qualified Project Period” means the period beginning on the first day on which 10% of the dwelling units in the Project are first occupied and ending on the later of (a) (i) the date which is 15 years after the date on which 50% of the dwelling units in the Project are first occupied, (ii) the first date on which no Tax-exempt private activity bond (as that phrase is used in Section 142(d)(2) of the Code) issued with respect to the Project is outstanding or (iii) the date on which any assistance provided with respect to the Project under Section 8 of the Housing Act terminates; or (b) the date which is 55 years from the date on which 50% of the dwelling units in the Project are first occupied.

“Regulations” means the Income Tax Regulations promulgated or proposed (if deemed appropriate in the opinion of Bond Counsel) by the Department of the Treasury pursuant to the Code from time to time.

“Tax Certificate” means, together, that Tax Certificate as to Arbitrage and the Provisions of Sections 103 and 141-150 of the Internal Revenue Code of 1986 dated the Closing Date and that Tax Certificate as to Arbitrage and the Provisions of Sections 103 and 141-150 of the Internal Revenue Code of 1986 dated the 2022 Closing Date, each executed and delivered by the City and the Borrower, as amended, modified, supplemented or restated from time to time.

“Tax-exempt” means, with respect to interest on any obligations of a state or local government, including the Bond, that such interest is excluded from gross income for federal

income tax purposes (other than interest on the Bond for any period during which the Bond is held by a “substantial user” of any facility financed with the proceeds of the Bond or a “related person,” as such terms are used in Section 147(a) of the Code); provided, however, that such interest may be includable as an item of tax preference or otherwise includable directly or indirectly for purposes of calculating other tax liabilities, including any alternative minimum tax or environmental tax, under the Code.

“*Trustee*” means U.S. Bank Trust Company, National Association in its capacity as trustee under the Indenture, together with its successors and assigns.

Unless the context clearly requires otherwise, as used in this Regulatory Agreement, words of the masculine, feminine or neuter gender shall be construed to include each other gender and words of the singular number shall be construed to include the plural number, and vice versa. This Regulatory Agreement and all the terms and provisions hereof shall be construed to effectuate the purposes set forth herein and to sustain the validity hereof.

The defined terms used in the preamble and recitals of this Regulatory Agreement have been included for convenience of reference only, and the meaning, construction and interpretation of all defined terms shall be determined by reference to this Section 1, notwithstanding any contrary definition in the preamble or recitals hereof. The titles and headings of the sections of this Regulatory Agreement have been inserted for convenience of reference only, and are not to be considered a part hereof and shall not in any way modify or restrict any of the terms or provisions hereof or be considered or given any effect in construing this Regulatory Agreement or any provisions hereof or in ascertaining intent, if any question of intent shall arise.

In the event of any conflict between this Regulatory Agreement and the CDLAC Conditions, the most restrictive requirement shall govern.

Section 2. Acquisition, Construction and Equipping of the Project. The Borrower hereby represents as of the date hereof, covenants and agrees with the City and the Trustee as follows:

(a) The Borrower has incurred a substantial binding obligation to commence the acquisition, construction and equipping of the Project, pursuant to which the Borrower is or will be obligated to expend at least 5% of the proceeds of the Loan financed from proceeds of the Bond.

(b) The Borrower’s reasonable expectations respecting the total cost of the acquisition, construction and equipping of the Project are accurately set forth in the Borrower Cost Certificates (the “Borrower Cost Certificate”) submitted to the City on the Closing Date and the 2022 Closing Date, respectively.

(c) The Borrower has acquired the Project Site and has commenced the construction of the Project and will proceed with due diligence to complete the same. Notwithstanding anything herein to the contrary, no Project Costs relating to the acquisition of the Project or any assets relating thereto (including, without limitation, rights and interests with respect to development of the Project) shall constitute “Qualified Project Costs” unless, at the time Bond proceeds are expended to pay such costs, the Borrower and

the seller of such assets are not “related parties” as such term is defined in Section 1.150-1(b) of the Regulations. The Borrower reasonably expects to complete the acquisition, construction and equipping of the Project and to expend the full amount of the proceeds of the Loan for Project Costs prior to the date which is 30 months after the Closing Date.

(d) The Borrower agrees that the full amount of each disbursement of Bond proceeds pursuant to the Indenture and the Loan Agreement will be applied to pay or to reimburse the Borrower for the payment of Project Costs as set forth in the Borrower Cost Certificate and that, after taking into account each such disbursement, (i) the aggregate disbursements of Bond proceeds will have been applied to pay or to reimburse the Borrower for the payment of Qualified Project Costs in an aggregate amount equal to 97% or more of the aggregate disbursements of the Loan; provided, however, that if the Borrower provides the Trustee with an opinion of Bond Counsel to the effect that the Tax-exempt status of interest on the Bond will not be adversely affected if less than the aforesaid percentage, but not less than 95%, is disbursed for such purpose, then the certificate may refer to such lesser percentage as may be specified by Bond Counsel; and (ii) less than 25% of the proceeds of the Bond expended relative to the Project Site will be disbursed to pay or to reimburse the Borrower for the cost of acquiring land or rights with respect to land relative to the Project Site (exclusive of the cost of acquiring improvements on such land).

(e) [Reserved].

(f) No proceeds of the Bond will be used to pay or reimburse any cost (i) incurred more than 60 days prior to the Inducement Date, or (ii) incurred more than three years prior to such payment or reimbursement. Any allocation of Bond proceeds to the reimbursement of previously incurred costs shall be made not later than 18 months after the later of (i) the date the original expenditure was paid or (ii) the date the Project is placed in service or abandoned. The acquisition, construction and equipping of the Project by the Borrower commenced less than 60 days prior to the Inducement Date, and as of 60 days prior to the Inducement Date (A) neither the Borrower nor any related person (as such phrase is used in Section 147(a)(2) of the Code) has made any expenditure in connection with the acquisition, construction or equipping of the Project, (B) no on-site work has been commenced by the Borrower or any related person in connection with the construction of the Project, and (C) no off-site fabrication of any portion of the Project has been commenced by the Borrower or any related person. The Project consists, and shall at all times consist, of property which is land or is subject to the allowance for depreciation provided in Section 167 of the Code.

(g) The Borrower (and any Affiliated Party) will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds from the Loan to be applied in a manner contrary to the requirements of this Regulatory Agreement, nor will it take or omit to take any such action if the Borrower (or any Affiliated Party) knows that such action or omission may cause the proceeds from the sale of the Bond to be applied in a manner contrary to the Indenture, the Loan Agreement, the Law, the Act or the Code.

(h) The Borrower shall, on the Completion Date, evidence the Completion Date by providing a Construction Completion Certificate to CDLAC, the Trustee and the City, signed by the Authorized Borrower Representative. Notwithstanding the foregoing, such certificate may state that it is given without prejudice to any rights of the Borrower against third parties for the payment of any amount not then due and payable which exist at the date of such certificate or which may subsequently exist. The Construction Completion Certificate shall be delivered to the Trustee no later than the date 36 months from the Closing Date unless the Borrower delivers to the Trustee a certificate of the City consenting to an extension of such date, accompanied by an opinion of Bond Counsel to the effect that such extension will not result in interest on the Bond being included in gross income for federal income tax purposes.

(i) The Borrower agrees to spend additional moneys for payment of any costs of the Project sufficient to reduce the portion of Bond proceeds (A) spent on land by the Borrower relative to the Project Site to an amount that is less than 25% of the amount of Bond proceeds spent by the Borrower relative to the Project Site for all purposes and (B) spent on costs of the Project paid or incurred by or on account of the Borrower or any related person (as such term is used in Section 147(a)(2) of the Code) on or after the date 60 days prior to the Inducement Date and chargeable to the capital account of the Project (or so chargeable either with a proper election by the Borrower to deduct such amounts, within the meaning of Treasury Regulation 1.103-8(a)(1)) so that the amount of Bond proceeds expended on such Qualified Project Costs is at least 97% of the amount of Bond proceeds spent for all purposes related to the Project, except that, upon receipt by the Borrower, the Trustee and the City of an approving opinion of Bond Counsel, the percentage of such amounts so used may be 95%.

(j) No Bond proceeds shall be expended to acquire any structures other than buildings within the meaning of Section 147(d) of the Code.

Section 3. Residential Rental Property. The Borrower hereby acknowledges and agrees that the Project is to be owned, managed and operated as a “qualified residential rental project” (within the meaning of Section 142(d) of the Code) for a term equal to the Qualified Project Period. To that end, and for the Qualified Project Period, the Borrower hereby represents, covenants, warrants and agrees as follows:

(a) The Project Facilities will be developed for the purpose of providing multifamily residential rental property, and the Borrower will own, manage and operate the Project Facilities as a project to provide multifamily residential rental property comprising a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities in accordance with Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, the Law and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time. For purposes of this Section 3(a), the term “functionally related and subordinate facilities” includes facilities for use by the tenants (for example, swimming pools, other recreational facilities and parking areas) and other facilities which are reasonably required for the Project, for example, heating and cooling equipment, trash disposal equipment and units for resident managers and maintenance personnel.

Substantially all of the Project will contain such units and functionally related and subordinate facilities.

(b) All of the dwelling units in the Project will be similarly constructed units, and each Low Income Unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range and oven, a sink and a refrigerator. Each of the Accessible Housing Units (as defined in Exhibit I hereto) shall also comply with the requirements of Exhibit I. Notwithstanding the foregoing, a unit shall not fail to be treated as a residential unit merely because such unit is a single room occupancy unit within the meaning of Section 42(i)(3)(B)(iv) of the Code even though such housing may provide eating, cooking and sanitation facilities on a shared basis.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park. Notwithstanding the foregoing, single-room occupancy units provided under Section 42(i)(3)(B)(iv) of the Code shall not be considered to be utilized on a transient basis.

(d) No part of the Project will at any time be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or uses. Other than filing a condominium map and a final subdivision map on the Project and obtaining a Final Subdivision Public Report from the California Department of Real Estate, the Borrower shall not take any steps in connection with a conversion of the Project to condominium ownership during the Qualified Project Period.

(e) All of the dwelling units (which shall not include any manager units) in the Project will be available for rental on a continuous basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent of the following: (1) any dwelling units that are required to be leased or rented to Low Income Tenants, (2) to the extent not otherwise inconsistent with the requirements of Section 3(e), the requirements of any regulatory agreement executed between the Borrower and HUD or between the Borrower and a subordinate lender (including the City), (3) the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, (4) any preference Borrower gives to veterans or any other class of persons permitted to be given preference pursuant to the Code, State law and other applicable federal law, and (5) Accessible Housing Units shall be made available to persons with disabilities as provided in Exhibit I.

(f) The Project Site consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the Project Facilities comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in the Project shall be occupied by the Borrower; provided, however, that if the Project contains five or more dwelling units, this subsection shall not be construed to prohibit occupancy of not more than one dwelling unit by one or more resident managers or maintenance personnel any of whom may be the Borrower.

(h) The Project shall be maintained in conformity with the habitability and fire codes of the City of Los Angeles.

(i) The Project shall be managed in a manner consistent with prudent property management standards and in compliance with all state and local laws, ordinances and regulations relating thereto.

(j) Should involuntary noncompliance with the provisions of Regulations Section 1.103-8(b) be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the City from enforcing the requirements of the Regulations, or condemnation or similar event, the Borrower covenants that, within a “reasonable period” determined in accordance with the Regulations, and subject to the provisions of the Indenture and the Loan Agreement, it will either prepay the Loan or apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the Regulations.

Section 4. Low Income Tenants; Records and Reports. Pursuant to the requirements of the Code and the City, the Borrower hereby represents, warrants and covenants as follows:

(a) The Project will be developed for the purpose of providing multifamily residential rental property, and the Borrower will own, manage and operate the Project as a project to provide multifamily residential rental property comprising a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities in accordance with the Law and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time. Within 30 days after the date on which 50% of the dwelling units in the Project are occupied by tenants providing an Income Certification, the Borrower shall execute and deliver to the City (with a copy to the Los Angeles Housing Department, Occupancy Monitoring Section, 1200 West 7th Street, 8th Floor, Los Angeles, CA 90017), and a copy to CDLAC and the Trustee a Certificate of Qualified Project Period.

(b) Commencing on the first day of the Qualified Project Period, Low Income Tenants shall occupy at least 40% of all completed and occupied units in the Project (excluding units occupied by property managers) before any additional units are occupied by persons who are not Low Income Tenants; and for the Qualified Project Period no less than 40% of the total number of completed units of the Project (excluding units occupied by property managers) shall at all times be rented to and occupied by Low Income Tenants. For the purposes of this subsection (b), a vacant unit which was most recently occupied by a Low Income Tenant is treated as rented and occupied by a Low Income Tenant until reoccupied, other than for a temporary period of not more than 31 days, at which time the

character of such unit shall be redetermined. In determining whether the requirements of this subsection (b) have been met, fractions of units shall be treated as entire units.

(c) No tenant qualifying as a Low Income Tenant shall be denied continued occupancy of a unit in the Project because, after admission, such tenant's Adjusted Income increases to exceed the qualifying limit for Low Income Tenants; provided, however, that should a Low Income Tenant's Adjusted Income, as of the most recent determination thereof, exceed 140% of the then applicable income limit for a Low Income Tenant of the same family size, the next available unit of comparable or smaller size must be rented to (or held vacant and available for immediate occupancy by) a Low Income Tenant; and provided further that, until such next available unit is rented to a tenant who is not a Low Income Tenant, the former Low Income Tenant who has ceased to qualify as such shall be deemed to continue to be a Low Income Tenant for purposes of the 40% requirement of subsection (b) of this Section 4 (if applicable). If the Project consists of more than one building, this requirement shall apply on a building-by-building basis.

(d) The Borrower will obtain, complete and maintain on file Income Certifications from each Low Income Tenant, including (i) an Income Certification dated no later than the day prior to the initial occupancy of such Low Income Tenant in the Project and (ii) thereafter, annual Income Certifications dated as of the anniversary date of each initial Income Certification. The Borrower will obtain such additional information as may be required in the future by the State of California, by the City and by Section 142(d) of the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations which are Tax-exempt under Section 142(d) of the Code. A copy of the most recent Income Certification for Low Income Tenants commencing or continuing occupation of a Low Income Unit (and not previously filed with the City) shall be attached to the Certificate of Continuing Program Compliance which is to be filed with the City no later than the fifteenth day of each month until such report indicates compliance with Section 4(b) and thereafter on the fifteenth day of each June and December until the end of the Qualified Project Period. The Borrower shall make a good-faith effort to verify that the income information provided by an applicant in an Income Certification is accurate by obtaining the acceptable forms of verification enumerated in Chapter 3 of the most current, amended edition of HUD Handbook 4350.3, or such instruction by HUD that may supersede this handbook, and any additional documentation that the City shall deem relevant, such as the two most recent years' tax returns or other forms of independent verification satisfactory to the City.

(e) The Borrower will use its best efforts to maintain complete and accurate records pertaining to the Low Income Units, and will with reasonable notice permit any duly authorized representative of the City, the Trustee, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project during regular business hours, including those records pertaining to the occupancy of the Low Income Units.

(f) The Borrower will prepare and submit to the City and the Trustee, no later than the fifteenth day of each month following the receipt by the Trustee of the Construction Completion Certificate to and including the month in which such report indicates that 40% of the occupied units (excluding units occupied by managers) are occupied by Low Income Tenants, and thereafter no later than the fifteenth day of each June and December until the end of the Qualified Project Period, a Certificate of Continuing Program Compliance executed by the Borrower stating (i) the percentage of the dwelling units of the Project which were occupied or deemed occupied, pursuant to subsection (b) of this Section 4, by Low Income Tenants during such period; (ii) that either (A) no unremedied default has occurred under this Regulatory Agreement, or (B) a default has occurred, in which event the certificate shall describe the nature of the default in detail and set forth the measures being taken by the Borrower to remedy such default; and (iii) that, to the knowledge of the Borrower, no Determination of Taxability has occurred, or if a Determination of Taxability has occurred, setting forth all material facts relating thereto.

(g) On or before each February 15 during the Qualified Project Period, the Borrower will submit to the City a draft of the completed Internal Revenue Service Form 8703 or such other annual certification required by the Code to be submitted to the Secretary of the Treasury as to whether the Project continues to meet the requirements of Section 142(d) of the Code. On or before each March 31 during the Qualified Project Period the Borrower will submit such completed form to the Secretary of the Treasury, regardless of whether or not the City has responded to such draft.

(h) Subject to the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, each lease or rental agreement pertaining to a Low Income Unit shall contain a provision to the effect that the Borrower has relied on the Income Certification and supporting information supplied by the Low Income Tenant in determining qualification for occupancy of the Low Income Unit and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement. Each such lease or rental agreement shall also provide that the tenant's income is subject to annual certification in accordance with Section 4(c) hereof and to recertification if the number of occupants in the units changes for any reason (other than the birth of a child to an occupant of such unit) and that if upon any such certification such tenant's Adjusted Income exceeds 140% of the then applicable income limit for a Low Income Tenant of the same family size, such tenant may cease to qualify as a Low Income Tenant, and such tenant's rent is subject to increase. Notwithstanding anything in this Section 4(h) to the contrary, such tenant's rent may be increased only pursuant to Section 7(l) hereof.

(i) Pursuant to the CDLAC Conditions attached hereto and for the entire term of the Regulatory Agreement, the Project shall consist of 32 units plus 1 manager unit of which at least 32 qualified residential units shall be rented or held vacant for rental for

persons or families whose income is at or below 50% and 60% of the area median income as shown in the chart below:

Unit Type	Units at or below 50% AMI	Units at or below 60% AMI	Unrestricted (Manager Units)	Total Number of Units
Studio	13	19	0	32
Two Bedroom	0	0	1	1
Total	13	19	1	33

Section 5. Tax-exempt Status of the Bond. The Borrower and the City make the following representations, warranties and agreements for the benefit of the holder of the Bond from time to time:

(a) The Borrower and the City will not knowingly take or permit actions within their control, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-exempt nature of the interest on the Bond and, if either should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof, provided that the Borrower shall not have violated these covenants if the interest on the Bond becomes taxable to a person solely because such person is a “substantial user” of the Project or a “related person” within the meaning of Section 147(a) of the Code.

(b) The Borrower and the City will take such action or actions as may be necessary, in the written opinion of Bond Counsel filed with the City and the Trustee, with a copy to the Borrower, to comply fully with all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service pertaining to obligations the interest on which is Tax-exempt under Section 142(d) of the Code.

(c) The Borrower and the City will file or record such documents and take such other steps as are necessary, in the written opinion of Bond Counsel filed with the City and the Trustee, with a copy to the Borrower, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County of Los Angeles.

(d) The Borrower will not knowingly enter into any agreements which would result in the payment of principal or interest on the Bond being “federally guaranteed” within the meaning of Section 149(b) of the Code.

(e) Subject to Section 14 hereof, the Borrower hereby covenants to include the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project prior to the expiration of the Qualified Project Period

to another person to the end that such transferee has notice of, and is bound by, such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement; provided, however, that so long as any former Borrower has no remaining interest in the Project, such former Borrower shall have no obligation to monitor such transferee's compliance with such restrictions, and such former Borrower shall incur liability if such transferee fails to comply with such restrictions only in proportion to its then remaining interest.

(f) The Borrower and any related party (as defined in Section 1.150-1(b) of the Regulations) thereto shall not acquire the Bond in an amount related to the amount of the Loan.

Section 6. Additional Requirements of the Act. In addition to the requirements set forth in Sections 2 through 5, and without limiting any additional requirements in Section 7, during the Qualified Project Period, the Borrower and the City hereby agree to comply with each of the requirements of the Act, all provisions in the Health and Safety Code of the State of California applicable to "affordable housing units" as defined therein and, without limiting the foregoing, the Borrower hereby specifically agrees to comply with each of the requirements set forth in this Section 6, as follows:

(a) As provided in Section 52097.5 of the Act, not less than 40% of the total number of units in the Project (excluding units occupied by managers) shall be reserved for occupancy by tenants whose adjusted gross income does not exceed 60% of the median gross income for the Area, adjusted for family size, as determined pursuant to Section 8 of the Housing Act.

(b) The rents paid by the tenant for the units reserved pursuant to paragraph (a) of this Section (excluding any supplemental rental assistance from the State, the federal government, or any other public agency to those occupants or on behalf of those units) shall not exceed the amount derived by multiplying 30% times 60% of the median gross income for the Area, adjusted for family size, as determined pursuant to Section 8 of the Housing Act.

(c) During the Qualified Project Period the Borrower shall file Certificates of Continuing Program Compliance in the form and at the time required by Sections 4(d) and (f) hereof that shall contain sufficient information to allow the City to file any annual report required by the Act or pursuant to California Government Code Section 8855.5 and the Borrower shall provide to the California Debt and Investment Advisory Commission the annual report information required by California Government Code Section 8855(k)(1) until the later of the date the Bond is no longer outstanding or the proceeds of the Bond have been fully spent.

(d) No portion of the Bond shall be used to finance the acquisition, construction, equipping, rehabilitation, refinancing or development of commercial property for lease.

(e) The Borrower shall not apply selection criteria to certificate holders under Section 8 of the Housing Act that are more burdensome than the criteria applied to all other prospective tenants.

(f) Following the expiration or termination of the Qualified Project Period with respect to the Project, except in the event of foreclosure and redemption of the Bond, deed in lieu of foreclosure, eminent domain or action of a federal agency preventing enforcement, units required to be reserved for occupancy pursuant hereto shall remain available to any eligible household occupying a reserved unit at the date of expiration or termination, at a rent not greater than the amount set forth in (b) above, until the earliest of any of the following occur:

(i) The household's income exceeds 140% of the maximum eligible income specified herein;

(ii) The household voluntarily moves or is evicted for "good cause." "Good cause" for the purposes of this Section, means the nonpayment of rent or allegation of facts necessary to prove major, or repeated minor, violations of material provisions of the occupancy agreement which detrimentally affect the health and safety of other persons or the structure, the fiscal integrity of the Project, or the purposes or special programs of the Project;

(iii) Thirty years after the date of the commencement of the Qualified Project Period relative to the Project; and

(iv) The Borrower pays the relocation assistance and benefits to tenants as provided in subdivision (b) of Section 7264 of the California Government Code.

(g) During the three years prior to expiration of the Qualified Project Period, the Borrower shall continue to make available to Low Income Tenants reserved units that have been vacated to the same extent that nonreserved units are made available to tenants other than Low Income Tenants.

Notwithstanding Section 1461 of the California Civil Code, the provisions hereof shall run with the land and may be enforced either in law or in equity by any resident, local agency, entity or any other person adversely affected by the Borrower's failure to comply with this Regulatory Agreement.

Section 7. Additional Requirements of the City. In addition to, and not in derogation of, the requirements set forth in the preceding and following sections of this Regulatory Agreement, each of which is hereby incorporated in this Section as a specific requirement of the City, whether or not required by California or federal law, the Borrower represents, warrants, covenants and agrees as follows:

(a) The Borrower shall promptly provide to the City such information with respect to the Project or the Bond as the City shall from time to time request. The Borrower shall provide written notice to the City of receipt of a certificate of occupancy or other official authorization to occupy the Project immediately upon receipt.

(b) The Low Income Units shall be of comparable quality to all other units in the Project, shall be dispersed throughout the Project, and shall offer a range of size and number of bedrooms comparable to those units which are available to other tenants; and Low Income Tenants shall have access to and enjoyment of all common areas and facilities of the Project on the same basis as tenants of other units.

(c) The Borrower agrees that it will not discriminate in the rental of units or in its employment practices against any employee or applicant for employment because of the applicant's race, religion, national origin, ancestry, sex, age, sexual orientation, gender identity/expression, transgender status, disability (except to give priority to persons with disabilities for the occupancy of Accessible Housing Units), marital status, domestic partner status or medical condition. All contracts entered into by the Borrower which relate to the Project shall contain a like provision. The Borrower shall comply with the provisions of Sections 10.8.2 and 10.8.4 of the Administrative Code of the City, the provisions of which are hereby incorporated by reference.

(d) [Reserved].

(e) For the Qualified Project Period, the Borrower will comply with the provisions of the Unruh Civil Rights Act, including, without limitation, Sections 51.2 and as applicable, 51.3 of the California Civil Code, as amended, and Sections 45.50 et seq. of the Los Angeles Municipal Code, as amended.

(f) The lease to be utilized by the Borrower in renting any residential units in the Project to Low Income Tenants shall provide for termination of the lease and consent by such person to immediate eviction, subject to applicable provisions of California law, for any tenant who fails to qualify as a Low Income Tenant and who has made a material misrepresentation on the Income Certification as to such tenant's qualification as a Low Income Tenant. All such leases shall contain clauses, among others, wherein each individual lessee (i) certifies the accuracy of the statements made in the Income Certification and (ii) agrees that the family income, family composition and other eligibility requirements shall be deemed substantial and material obligations of the lessee's tenancy; that the lessee will comply promptly with all requests for information with respect thereto from the Borrower or the City; and that the lessee's failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the lessee's tenancy and shall be a default thereunder. Additionally, such lease shall contain provisions informing any tenant of the possibility of rental payment increases in accordance with the terms of this Regulatory Agreement.

(g) All Income Certifications will be maintained on file at the Project or, with the prior written consent of the City, at the principal place of business of the Borrower or the property manager of the Project, so long as this Regulatory Agreement is in effect and for five years thereafter with respect to each Low Income Tenant who occupied a residential unit in the Project during the Qualified Project Period.

(h) The Borrower will accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates for rent subsidies pursuant to the existing program under Section 8 of the Housing Act. The Borrower shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants.

(i) The Borrower shall submit to the City (i) at the times specified in Sections 4(d) and (f) herein, a Certificate of Continuing Program Compliance, which shall include the information called for therein, including occupancy records for all units in the Project, and (ii) within 15 days after receipt of a written request, any other information or completed forms requested by the City, in each case, in order to comply with reporting requirements of the Internal Revenue Service or the State of California, including, without limitation, information necessary for the City to file any periodic report, or any other information concerning the Project as the City may reasonably request.

(j) All workers performing construction or rehabilitation work for the Project employed by the Borrower or by any contractor or subcontractor shall be compensated in an amount no less than the greater of (i) the general prevailing rate of per diem wages ("Prevailing Wages") as determined pursuant to Labor Code Sections 1770-1781 and implementing regulations of the Department of Industrial Relations, (ii) the general prevailing rate of per diem wages as determined by the U.S. Labor Department pursuant to the Davis-Bacon Act under 40 U.S.C.S. 3141-3148 and implementing regulations ("Davis-Bacon Wages"), if applicable; and (iii) the "Living Wage" as determined by the policies and procedures of the City of Los Angeles. The Borrower shall comply with all reporting and recordkeeping requirements of the City's prevailing wage policy. The Borrower shall, and shall cause the contractors and subcontractors to, submit data and documents related to Prevailing Wages or Davis-Bacon Wages, if applicable, using the LCP Tracker or comparable LAHD-approved program. The fee for the LCP Tracker, or comparable LAHD-approved program, will be in the amount equal to Three One-Hundredths Percent (0.03%) of the total construction cost, which fee shall be paid in full to the City within 30 days of execution of this Agreement.

(k) The City may, at its option and at its expense, at any time appoint an administrator to administer this Regulatory Agreement and to monitor performance by the Borrower of the terms, provisions and requirements hereof. Following any such appointment, the Borrower shall comply with any request by the City to deliver to such administrator, in addition to or instead of the City, any reports, notices or other documents required to be delivered pursuant hereto, and upon reasonable notice to the Borrower to make the Project and the books and records with respect thereto available for inspection during regular business hours by such administrator as an agent of the City.

(l) If upon the annual certification or recertification required in Section 4(d) a tenant's Adjusted Income exceeds 140% of the then applicable income limit for a Low Income Tenant of the same family size, all rental limits herein previously applicable to the unit occupied for such tenant shall continue to apply until the next available unit is rented to a tenant who is a Low Income Tenant.

(m) The Borrower shall give written notice to all Low Income Tenants at the Project, the City, the Housing Authority of the City of Los Angeles (“HACLA”) and the California Department of Housing and Community Development (“HCD”) as follows (see also California Government Code Sections 6583.10 and 65863.11):

(i) Upon initial move-in/lease execution, the Borrower shall give written notice to all tenants of Low Income Units, of the duration of the rent restrictions under this Regulatory Agreement. The Borrower must maintain, in its files, a copy of each notice containing each tenant’s signed acknowledgement of the notice required hereunder. The notice shall, at the least, contain language that the rent restrictions under this Regulatory Agreement shall be in effect for a term ending at the expiration of the Qualified Project Period. Upon termination of the rent restriction period under this Regulatory Agreement, rents may be set at market rates unless otherwise restricted by some other legal, regulatory, or contractual requirement.

(ii) Thirty-six months prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market-rent levels. The Borrower must provide a copy of the notice sent to all tenants, pursuant to California Government Code Section 65863.10, to the Mayor of the City, HACLA, HCD and the Los Angeles Housing Department. In addition, the Borrower, within 36 months of a scheduled expiration of rental restrictions, shall also provide notice of the scheduled expiration of rent restrictions to any prospective tenant at the time he or she is interviewed for eligibility.

(iii) Twelve months prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market-rent levels. The Borrower must provide a copy of the notice sent to all tenants, pursuant to California Government Code Section 65863.10, to the Mayor of the City, HACLA, HCD and the Los Angeles Housing Department. The Borrower must also provide any tenant association at the Project, the Mayor of the City, HACLA, and HCD with notice of the opportunity to purchase the Property in accordance with the provisions of California Government Code Section 65863.11.

(iv) Six months prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. The Borrower must also provide a copy of the notice sent to all tenants, pursuant to California Government Code Section 65863.10, to the Mayor of the City, the Housing Authority of the City of Los Angeles, HACLA, HCD and the Los Angeles Housing Department.

(v) Ninety days prior to the termination of the rent restriction period under this Regulatory Agreement, the Borrower must again give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. The Borrower must also provide a copy of the notice sent to all tenants to the Mayor of the City, HACLA, HCD and the Los Angeles Housing Department.

Unless the Borrower meets the requirements of California Government Code 65863.13, pursuant to California Government Code Section 65863.11, prior to or concurrently with the twelve month notice referenced above in (iii), the Borrower must provide notice of the opportunity to offer to purchase the assisted housing development to all qualified entities on the list maintained by the California Department of Housing and Community Development as well as to those qualified entities that contact the Borrower directly, in compliance with California Government Code Sections 65863.11(d) and 65863.11(g). The notice shall conform to the requirements of California Government Code Section 65863.11(h) and shall be sent to the entities by registered or certified mail, return receipt requested. The Borrower shall also post a copy of the notice in a conspicuous place in the common area of the Project.

(n) The Borrower shall, on the Closing Date and the 2022 Closing Date, as applicable, pay to the City its initial fees and thereafter pay to the City its ongoing fees with respect to the issuance of each Bond as follows. The Borrower shall pay the City an initial fee immediately upon issuance of the 2022 Bond equal to \$2,875 (.25% of the aggregate principal amount of the 2022 Bond issuable under the 2022 Indenture (\$1,150,000)). The City acknowledges receipt of the Closing Date of the sum of \$14,500 (.25% of the aggregate maximum principal amount of the 2018 Bond issuable under the 2018 Indenture (\$5,800,000)). In addition, the Borrower shall, as compensation for the City's monitoring of the provisions of this Regulatory Agreement, pay to the City, semiannually in arrears, prorated for the initial payment, on the first day of each June and December, commencing June 1, 2019: for the period from the date of issuance of the 2018 Bond through the end of the Qualified Project Period, prorated for the initial and any subsequent partial period (including such period during which only the 2018 Bond was outstanding), a semiannual amount equal to: (A) during the period from the Closing Date to the Conversion Date, the greater of \$1,500 or one-half of 0.125% of the combined maximum principal amount of the Bond issuable under the Indenture (\$6,950,000); and (B) from and after the Conversion Date, the greater of \$1,500 or one-half of 0.125% of the principal amount of the Bond Outstanding under the Indenture immediately after the Conversion Date; or in either case, such lesser amount as shall be necessary in the opinion of Bond Counsel to preserve the exemption of interest on the Bond from gross income for federal income tax purposes. Throughout the term of this Agreement, the Trustee, the City, or any servicer of the Loan, as applicable, shall provide an invoice to the Borrower monthly or at least 30 days prior to the due date of each such payment (a copy of which shall be provided to the City) and the Borrower shall remit such payments to the Trustee, the City, or such servicer of the Loan, as applicable. Funds received by the Trustee or any servicer of the Loan shall be paid to the City when due. In the event of any prepayment of the Bond in whole, prior to the end of the Qualified Project Period, the Borrower, at its election, shall either:

(A) pay to the City, on or before such payment, an amount equal to the present value of the remaining City fees payable hereunder, as calculated by the City, using a discount rate equal to the yield on the date of prepayment on the United States treasury security maturing on the date nearest the end of the Qualified Project Period, or such lesser amount as shall be necessary in the opinion of Bond Counsel to preserve the exemption of interest on the Bond from gross income for federal income tax purposes; or (B) enter into a trustee agreement with a corporate trustee acceptable to the City requiring the trustee appointed thereunder to bill and collect from the Borrower and to pay to the City on an annual basis, in arrears on or before each December 1, the annual fee described above. The Borrower shall bear the cost of such trustee through the term of this Regulatory Agreement. The Borrower shall not be required to pay the fee described in the preceding sentences if the Bond is prepaid in whole under circumstances which permit termination of this Regulatory Agreement pursuant to Section 14 hereof.

(o) The Borrower shall pay to the City a processing fee equal to the greater of (i) \$5,000; or (ii) 0.125% of the permanent principal amount of the Bond, plus any expenses incurred by the City, including, without limitation, Bond Counsel, City attorney and financial advisor fees, as a condition to the consideration and receipt of any consent, approval, amendment, transfer or waiver requested of the City with respect to the Project, the Project Site or the Bond. The City shall provide an invoice directly to the Borrower for such amounts.

(p) The Borrower shall pay the City its then-current fees in connection with any consent, approval, transfer, amendment or waiver requested of the City, together with any expenses incurred by the City in connection therewith.

(q) The Trustee shall report to the City in writing semiannually, within 10 days of each June 30 and December 31, the principal amount of the Bond outstanding as of such June 30 or December 31, as appropriate.

(r) [Reserved].

(s) The Borrower shall include the City as an additional insured on all liability insurance policies relating to the Borrower or the Project.

(t) The Borrower shall not rent any Low Income Unit to: (i) any individual who (A) holds an ownership interest in the Borrower, any general partner or member (or owner of such general partner or member) of the Borrower, (B) is an officer, board member, employee or agent of, or consultant to, the Borrower or any general partner or member thereof or owner of such general partner or member or (C) is a developer of the Project (collectively, an "Owner/Developer"); (ii) any Immediate Family Member of an Owner/Developer ("Immediate Family Members" consists of: (A) spouses, (B) children, (C) parents and grandparents, (D) siblings, (E) in-laws, including brother/sister-in-law and mother/father-in-law and son/daughter-in-law or (F) significant other or domestic partner); or (iii) any elected official or his or her spouse/partner, who participated in the deliberative process, vote or consideration of

legislative action regarding the issuance of the Bond or other loan in support of the Project.

The Borrower shall include a certification in each tenant application that the applicant is not an Owner/Developer, an elected official who participated in the issuance of the Bond or an Immediate Family Member thereof. The Borrower recognizes and agrees that the penalty for violation of the above covenant shall be a fine of \$5,000 per violation/ per unit.

(u) Neither the Borrower nor any general partner thereof shall issue any publicity release or other communication to any print, broadcast or on-line media, post any sign or in any other way identify the City as the source of the financing provided for the Project, without the prior written approval of the City (provided that nothing herein shall prevent the Borrower or any general partner thereof from identifying the City as the source of such financing to the extent that the Borrower or any general partner thereof is required to do so by disclosure requirements applicable to publicly held companies).

Any of the foregoing requirements of the City may be expressly waived by the City in writing in the City's sole discretion, but (i) no waiver by the City of any requirement of this Section 7 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement, including particularly but without limitation the provisions of Sections 2 through 6 hereof, except to the extent the City has received an opinion of Bond Counsel that any such provision is not required by the Act or the Law and may be waived without adversely affecting the exclusion from gross income of interest on the Bond for federal income tax purposes; and (ii) any requirement of this Section 7 shall be void and of no force and effect if the City and the Borrower receive a written opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Bond to become includable in gross income for federal income tax purposes, if such opinion is accompanied by a copy of a ruling from the Internal Revenue Service to the same effect, or to the effect that compliance with such requirement would be in conflict with the Act or the Law.

Section 8. Modification of Covenants. The Borrower, the Trustee and the City hereby agree as follows:

(a) To the extent any amendments to the Law, the Act, the Regulations or the Code shall, in the written opinion of Bond Counsel filed with the City, the Trustee and the Borrower, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement in order to maintain the Tax-exempt status of interest on the Bond, this Regulatory Agreement shall be deemed to be automatically amended, without the consent or approval of any other person, to impose such additional or more restrictive requirements. The parties hereto hereby agree to execute such amendment hereto as shall be necessary to document such automatic amendment hereof.

(b) To the extent that the Law, the Act, the Regulations or the Code, or any amendments thereto, shall, in the written opinion of Bond Counsel filed with the City, the

Trustee and the Borrower, impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the City, the Trustee and the Borrower and approved by the written opinion of Bond Counsel to the effect that such amendment is permitted by the Law and the Act and will not affect the Tax-exempt status of interest on the Bond. The City shall be under no obligation to agree to any such amendment, it being understood that each of the requirements of this Regulatory Agreement is a specific requirement of the City, whether or not required by California or federal law.

(c) The Borrower, the City and, if applicable, the Trustee shall execute, deliver and, if applicable, file or record any and all documents and instruments necessary to effectuate the intent of this Section 8, and the City hereby appoints the Trustee as its true and lawful attorney-in-fact to execute, deliver and, if applicable, file or record on behalf of the City, as is applicable, any such document or instrument (in such form as may be approved in writing by Bond Counsel) if the City defaults in the performance of its obligations under this subsection (c); provided, however, that unless directed in writing by the City, the Trustee shall take no action under this subsection (c) without first notifying the City and without first providing the City an opportunity to comply with the requirements of this Section 8. Nothing in this Section 8(c) shall be construed to allow the Trustee to execute an amendment to this Regulatory Agreement on behalf of the City.

Section 9. Indemnification. The Borrower shall defend, indemnify and hold harmless the City and the Trustee and the respective officers, members, supervisors, directors, officials and employees, counsel, attorneys and agents, past present and future of each of them (collectively, the “Indemnified Parties”) against all loss, costs, damages, expenses, suits, judgments, actions and liabilities of whatever nature (including, without limitation, reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from or arising out of or related to (a) the design, construction, installation, operation, use, occupancy, maintenance, financing or ownership of the Project (including compliance with laws, ordinances and rules and regulations of public authorities relating thereto), (b) any written statements or representations with respect to the Borrower, the Project or the Bond made or given to the City or the Trustee, or any underwriters or purchaser of the Bond, or any tenants or applicants for tenancy in the Project or any other person, by the Borrower, or any Authorized Borrower Representative, including, but not limited to, statements or representations of facts, financial information or limited partnership affairs, (c) the Bond or the Tax-exempt status of interest on the Bond; (d) the failure or alleged failure of any person or entity (including the Borrower, its contractor or subcontractors) to pay the general prevailing rate of per diem wages as determined pursuant to Labor Code Sections 1770-1781 and implementing regulations of the Department of Industrial Relations in connection with the construction of the improvements or any other work undertaken or in connection with the Project; or (e) any actual or alleged violation of any Hazardous Materials Law or with respect to the presence of Hazardous Materials on or under the Project or in any of improvements or on or under any property of the Borrower that is adjacent to the Project (whether before or after the date of this Agreement and whether or not the Borrower knew of the same); provided, however, that this provision shall not require the Borrower to indemnify the Indemnified Parties from any claims, costs, fees, expenses or liabilities arising from its active negligence or willful misconduct or, in the case of the Trustee, its negligence, fraud or

willful misconduct. The Borrower also shall pay and discharge and shall indemnify and hold harmless the City and the Trustee from (i) any lien or charge upon payments by the Borrower to the City and the Trustee hereunder or under the Bond Documents and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges are sought to be imposed, the City or the Trustee shall give prompt notice to the Borrower and the Borrower shall, as provided in the following paragraph, have the right to assume the defense thereof, with full power to litigate, compromise or settle the same in its sole discretion, provided that the City and the Trustee shall have the right to review and approve or disapprove any such compromise or settlement. In addition thereto, the Borrower will pay upon demand all of the reasonable fees and expenses paid or incurred by the Trustee and/or the City in enforcing the provisions hereof against the Borrower. The Borrower shall also pay the City its standard fees and reimburse the City for its expenses in connection with any consent, approval, amendment, waiver or other action taken at the request or for the benefit of the Borrower in connection with this Regulatory Agreement, the Bond or any other document or agreement relating thereto. In the event of any audit or inquiry regarding the Bond or the Project from any governmental entity, the Borrower shall, at the election of the City, be responsible for responding to and resolving such audit or inquiry at the expense of the Borrower.

Promptly after receipt by any party entitled to indemnification under this Section 9 of notice of the commencement of any suit, action or proceeding, such Indemnified Party shall, if a claim in respect thereof is to be made against the indemnifying party under this Section 9, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve the indemnifying party from any liability which it may have to any Indemnified Party otherwise than under this Section 9 or from any liability under this Section 9 unless the failure to provide notice prejudices the defense of such suit, action or proceeding. In case any such action is brought against any Indemnified Party, and it notifies the indemnifying party, the indemnifying party shall be entitled to participate in, and to the extent that it may elect by written notice delivered to the Indemnified Party within five Business Days after receiving the aforesaid notice from such Indemnified Party (but shall not be required) to assume, the defense thereof, with counsel reasonably satisfactory to such Indemnified Party; provided, however, if the defendants in any such action include both the Indemnified Party and the indemnifying party and the Indemnified Party shall have reasonably concluded that there are legal defenses available to it and/or other Indemnified Parties which are different from or additional to those available to the indemnifying party, the Indemnified Party or Parties shall have the right to select separate counsel to assert such legal defenses and otherwise to participate in the defense of such action on behalf of such Indemnified Party or Parties. Upon the indemnifying party's receipt of notice from the Indemnified Party of such Indemnified Party's election so to assume the defense of such action and selection by the Indemnified Party of counsel, the indemnifying party shall not be liable to such Indemnified Party under this Section 9 for any attorneys' fees or expenses subsequently incurred by such Indemnified Party for the engagement of separate counsel in connection with defense thereof unless (i) the Indemnified Party shall have employed separate counsel in connection with the assertion of legal defenses in accordance with the proviso to the next preceding sentence, (ii) the indemnifying party shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party or shall not have employed such counsel within a reasonable time after notice of commencement of the action or (iii) the

indemnifying party has authorized the employment of separate counsel to represent the Indemnified Party at the expense of the indemnifying party. Notwithstanding the foregoing, the Trustee shall not be indemnified for income tax, franchise tax or similar tax liability relating to the Trustee's own income and operations.

Section 10. Consideration. The City has issued the Bond to provide funds to finance the acquisition, construction and equipping of the Project, all for the purpose, among others, of inducing the Borrower to acquire, construct and equip the Project. In consideration of the issuance of the Bond by the City, the Borrower has entered into this Regulatory Agreement and has agreed to restrict the uses to which this Project can be put on the terms and conditions set forth herein.

Section 11. Reliance. The City and the Borrower hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality and validity of the Bond and in the exemption from federal income taxation and California personal income taxation of the interest on the Bond. In performing their duties and obligations hereunder, the City and the Trustee may rely upon statements and certificates of the Low Income Tenants and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the City and the Trustee may consult with counsel, and the written opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the City or the Trustee hereunder in good faith and in conformity with such opinion. In determining whether any default or lack of compliance by the Borrower exists under this Regulatory Agreement, the Trustee may, but shall not be required to, conduct any investigation into or review of the operations or records of the Borrower and may rely solely on any written notice or certificate delivered to the Trustee by the Borrower or the City with respect to the occurrence or absence of a default unless it knows that the notice or certificate is erroneous or misleading.

Section 12. Project in the City. The Borrower hereby represents and warrants that the Project will be located entirely within the City.

Section 13. Sale or Transfer of the Project; Equity Interests. The Borrower hereby covenants and agrees not to voluntarily (which term shall not be interpreted to include a foreclosure of any security for the Loan, the granting by the Borrower of a deed-in-lieu of foreclosure, or any other comparable conversion of the Loan) sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder), equity interests in the Borrower aggregating more than 50% of the equity interest in the Borrower, or any general partner interests in the Borrower, without obtaining the prior written consent of the City, which consent shall not be unreasonably withheld by the City and shall be given by the City if (a) the Borrower is not in default hereunder or under the Loan Agreement; (b) the purchaser or assignee is not in default under any obligations it may have to the City and is not the subject of any legal or enforcement actions by the City, and the purchaser or assignee certifies that the continued operation of the Project will comply with the provisions of this Regulatory Agreement; (c) evidence reasonably satisfactory to the City is presented to establish that the purchaser or assignee is willing to comply and capable of complying with the terms and conditions of this Regulatory Agreement; (d) either (i) evidence satisfactory to the City is presented to establish that the purchaser or assignee has at least three years' experience in the ownership, operation and management of rental housing projects, without any record of material violations of discrimination

restrictions or other state or federal laws or regulations applicable to such projects or (ii) the purchaser or assignee agrees to retain a property management firm which the City determines has the experience and record described in subclause (i) above or (iii) the City determines that it has no reason to believe that the purchaser or assignee is incapable, financially or otherwise, of complying with, or may be unwilling to comply with, the terms of all agreements binding on such purchaser or assignee and relating to the Project; (e) the City and Trustee shall have received (i) with respect to any transfer of the Project, reasonable evidence satisfactory to the City that the Borrower's purchaser or transferee has assumed in writing and in full, the Borrower's duties and obligations under this Regulatory Agreement and the Loan Agreement, (ii) with respect to any transfer of the Project to a new Borrower, an opinion of counsel to the transferee that the transferee has duly assumed the obligations of the Borrower under this Regulatory Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iii) unless waived by the City, an opinion of Bond Counsel that such transfer will not adversely affect the Tax-exempt nature of the interest on the Bond, (iv) from the Borrower, a Certificate of Continuing Program Compliance (and a "bring-down" certificate, if necessary) current as of the date of transfer and (v) evidence satisfactory to the City that the purchaser or assignee does not have pending against it, nor does it have a history of, building or fire code violations as identified by City, the State of California or federal regulatory agencies; (f) the purchaser or assignee complies with the provisions of the Los Angeles Administrative Code Section 10.8.4 Affirmative Action Program Provisions; (g) the Borrower or transferee pays all costs of the transfer of title, including, but not limited to, the cost of meeting the conditions specified in this Section 13; and (h) such other conditions are met as the City may reasonably impose to assure compliance by the Project with the requirements of this Regulatory Agreement. It is hereby expressly stipulated and agreed that, except for any such sale, transfer or disposition agreed to by the City in a separate writing, any sale, transfer or other disposition of the Project in violation of this Section 13 shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Upon any sale or other transfer which complies with this Regulatory Agreement, the Borrower shall be fully released from its obligations hereunder, but only to the extent such obligations have been assumed by the transferee of the Project, without the necessity of further documentation. Any transfer of the Project to any entity, whether or not affiliated with the Borrower, shall be subject to the provisions of this Section 13.

Notwithstanding the foregoing, if the Trustee acquires title to the Project by foreclosure or deed in lieu of foreclosure, no consent of the City shall be required to such transfer under this Regulatory Agreement and no other conditions shall be required to be satisfied. However, if the Trustee acquires title to the Project by foreclosure or deed in lieu of foreclosure and this Regulatory Agreement has not been terminated pursuant to Section 14 below, consent of the City and delivery of items (a) through (h) above shall be required for any transfer of the Project subsequent to the Trustee's acquisition of the Project by foreclosure or deed in lieu of foreclosure.

Notwithstanding anything to the contrary contained herein, the interest of the Borrower's limited partners shall, with prior written notice to the City, be transferable under this Regulatory Agreement to any affiliate of the limited partners of the Borrower, without the consent of the City and/or Trustee but with prior written notice thereto.

The Borrower acknowledges and recognizes that in addition to the above requirements the consent of CDLAC, in the manner and to the extent as may at the time be required by CDLAC, among other parties, may be required in connection with any transfer of the Project.

Section 14. Term. This Regulatory Agreement and all and each of the provisions hereof shall become effective upon its execution and delivery, and shall remain in full force and effect for the periods provided herein and, except as otherwise provided in this Section 14, shall terminate in its entirety at the end of the Qualified Project Period (or such later date provided in Section 33 hereof pursuant to the CDLAC Resolution, which imposes restrictions for a term of at least 55 years), it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Bond, discharge of the Loan and termination of the Indenture and the Loan Agreement.

Notwithstanding the foregoing, the provisions of Section 9 hereof shall, in the case of the Trustee, survive the term of this Regulatory Agreement or the replacement of the Trustee, but only as to claims arising from events occurring during the term of this Regulatory Agreement or the Trustee's tenure as Trustee under the Indenture, and shall, in the case of the City, survive the term of this Regulatory Agreement, but only as to claims arising from events occurring during the term of this Regulatory Agreement.

The terms of this Regulatory Agreement to the contrary notwithstanding, this Regulatory Agreement and all the requirements set forth herein (except Section 9 as aforesaid) shall terminate and be of no further force and effect in the event of (a) involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date which prevents the City or the Trustee from enforcing the provisions hereof, or (b) condemnation, foreclosure, delivery of a deed in lieu of foreclosure or a similar event, but only if, within a reasonable period thereafter, either the portion of the Bond attributable to the affected portion of the Project is retired or amounts received as a consequence of such event are used to provide a project which meets the requirements of the Code set forth in Sections 2 through 6 of this Regulatory Agreement and provided that, in either case, an opinion of Bond Counsel (unless waived by the City) is delivered to the Trustee to the effect that the exclusion from gross income for federal income tax purposes of interest on the Bond will not be adversely affected thereby. The provisions of the preceding sentence shall cease to apply and the requirements referred to therein shall be reinstated if, at any time during the Qualified Project Period after the termination of such requirements as a result of involuntary noncompliance due to foreclosure, transfer of title by deed in lieu of foreclosure or similar event, the Borrower or any "related party" (within the meaning of Section 1.150-1(b) of the Regulations) or "related person" (defined in Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for tax purposes. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any related party as described above will obtain an ownership interest in the Project for tax purposes.

Upon the termination of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

Section 15. Covenants To Run With the Land. The Borrower hereby subjects its interest in the Project (including the Project Site) to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. The City and, if necessary, the Trustee, agree to execute a quitclaim deed or other documents required to remove this Regulatory Agreement from title after the covenants, agreements and restrictions herein have expired. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

No breach of any of the provisions of this Regulatory Agreement shall impair, defeat or render invalid the lien of any security instrument, deed of trust or like encumbrance made in good faith and for value encumbering the Project or any portion thereof.

Section 16. Burden and Benefit. The City and the Borrower hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Borrower's legal interest in the Project is rendered less valuable thereby. The City and the Borrower hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Bond was issued. Notwithstanding the foregoing or any other provision of this Regulatory Agreement, no person, other than the parties hereto, shall have any rights of enforcement of this Regulatory Agreement.

Section 17. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Project Site.

Section 18. Default; Enforcement. If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after notice thereof shall have been given by the City to the Borrower, then the City shall declare an "Event of Default" to have occurred hereunder; provided, however, that if the default stated in the notice is of such a nature that it cannot be corrected within 60 days, such default shall not constitute an Event of Default hereunder so long as (i) the Borrower institutes corrective action within said 60 days and diligently pursues such action until the default is corrected and (ii) in the opinion of Bond Counsel, the failure to cure said default within 60 days will not adversely affect the Tax-exempt status of interest on the Bond. The Trustee hereby consents to any correction of the default by the City on behalf of the Borrower. The City hereby consents to any correction of a default on the part of the Borrower hereunder made by the Borrower's limited partners on behalf of the Borrower within the time periods provided in this Section. Copies of any notices sent to the Borrower hereunder shall simultaneously be sent to the Borrower's limited partners at the address set forth in Section 23.

Following the declaration of an Event of Default hereunder, the Trustee, as directed by the City and subject to the provisions of the Indenture relative to the Trustee's duty to exercise remedies generally, or the City may, at its option, take any one or more of the following steps:

- (a) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City or the Trustee hereunder;
- (b) have access to and inspect, examine and make copies of all or any portion of the books and records of the Borrower pertaining to the Project; and
- (c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

During the Qualified Project Period, the Borrower hereby grants to the City the option, upon either (a) the expiration of 60 days after the giving of the notice to the Borrower referred to in the first paragraph of this Section 18 of the Borrower's default under this Regulatory Agreement or (b) the vacancy of a Low Income Unit for more than six months and the submission by the City to the Borrower during such six-month or longer period of at least five proposed tenants which meet the qualifications of Low Income Tenants and the qualifications of a reasonable landlord, to lease up to 40% of the units in the Project for a rental of \$1.00 per unit per year for the sole purpose of subleasing such units to Low Income Tenants for a period of not less than six months, but only to the extent necessary to comply with the provisions of Sections 2 through 7 of this Regulatory Agreement and to insure full occupancy of the Low Income Units. The option granted in the preceding sentence shall be effective only if the Borrower or the Trustee has not instituted corrective action before the end of such 60-day period referenced in (a) above, or the Borrower has not rented the unit during the six-month or longer period referenced in (b) above, to a qualified Low Income Tenant. The option and any leases to the City under this provision shall terminate with respect to each default upon the achievement, by the Borrower, the Trustee or the City, of compliance with the requirements of Section 2 through 7 hereof, and any subleases entered into pursuant to the City's option shall be deemed to be leases from the Borrower. The City shall make diligent effort, but shall not be required, to rent Low Income Units to Low Income Tenants at the highest rents practicable, subject to the limits of Sections 5, 6 and 7 hereof. Any rental paid under any such sublease shall be paid to the Borrower after the City has been reimbursed for any reasonable expenses incurred in connection with such sublease, provided that, if the Borrower is in default under the Loan Agreement, such rental shall be paid to the Trustee for credit against payments due under the Loan Agreement. The Trustee shall have the right, as directed by the City, in accordance with this Section 18 and the provisions of the Indenture, to exercise any or all of the rights or remedies of the City hereunder, provided that prior to taking any such action the Trustee shall give the City written notice of its intended action. All reasonable fees, costs and expenses of the City and the Trustee incurred in taking any action pursuant to this Section 18 shall be the sole responsibility of the Borrower.

After the Indenture has been discharged, the City may act on its own behalf to declare an "Event of Default" to have occurred and to take any one or more of the steps specified hereinabove to the same extent and with the same effect as if taken by the Trustee.

The obligations of the Borrower hereunder are not secured by a lien on the Project and the Loan shall not be accelerated as a result of any default hereunder. The Borrower hereby agrees that specific enforcement of the Borrower's agreements contained herein is the only means by which the City may obtain the benefits of such agreements made by the Borrower herein and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any default by the Borrower hereunder.

The occurrence of a Determination of Taxability shall not, in and of itself, constitute a default hereunder.

Section 19. The Trustee. The Trustee shall act as specifically provided herein and in the Indenture. The Trustee is entering into this Regulatory Agreement solely in its capacity as trustee under the Indenture, and the duties, powers, rights and liabilities of the Trustee in acting hereunder shall be subject to the provisions of the Indenture.

The City shall be responsible for the monitoring and verifying of compliance by the Borrower with the terms of this Regulatory Agreement. The Trustee may at all times assume compliance with this Regulatory Agreement unless otherwise notified in writing by the City, or unless it has actual knowledge of noncompliance.

After the date on which no principal of the Bond remains outstanding as provided in the Indenture, the Trustee shall no longer have any duties or responsibilities under this Regulatory Agreement and all references to the Trustee in this Regulatory Agreement shall be deemed references to the City.

Section 20. Recording and Filing. The Borrower shall cause this Regulatory Agreement, and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the County of Los Angeles and in such other places as the City or the Trustee may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording. This Regulatory Agreement shall be recorded in the grantor-grantee index to the name of the Borrower as grantor and the City as grantee.

Section 21. Governing Law. This Regulatory Agreement shall be governed by the laws of the State of California. The Trustee's rights, duties and obligations hereunder are governed in their entirety by the terms and provisions of the Indenture.

Section 22. Amendments. Except as provided in Section 33(e), this Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County of Los Angeles, California, and only upon receipt by the City of an opinion from Bond Counsel that such amendment will not adversely affect the Tax-exempt status of interest on the Bond and is not contrary to the provisions of the Law or the Act and with the written consent of the Trustee.

The City, the Trustee and the Borrower hereby agree to amend this Regulatory Agreement to the extent required, in the opinion of Bond Counsel (subject to the approval of the City Attorney of the City), in order that interest on the Bond remains Tax-exempt. The party or parties requesting such amendment shall notify the other parties to this Regulatory Agreement of the proposed amendment, with a copy of such requested amendment to Bond Counsel and the City Attorney of

the City and a request that such Bond Counsel render to the City an opinion as to the effect of such proposed amendment upon the Tax-exempt status of interest on the Bond.

Section 24. Severability. If any provision of this Regulatory Agreement or if the applicability of any such provision shall be invalid, illegal or unenforceable, the validity, legality, enforceability, or the applicability with respect to the validity, legality and enforceability, of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 25. Multiple Counterparts. This Regulatory Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 26. Nondiscrimination and Affirmative Action. The Trustee and the Borrower shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the City of Los Angeles. The Trustee and the Borrower shall not discriminate in their employment practices against any employee or applicant for employment; denial of family and medical care leave; denial of pregnancy disability leave or reasonable accommodations against any employee or applicant for employment because of such person's race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief. The Trustee and the Borrower shall comply with Executive Order 11246, entitled "Equal Employment Opportunity", as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 C.F.R. Part 60). The Trustee and the Borrower shall comply with the provisions of the Los Angeles Administrative Code Sections 10.8 through 10.13, to the extent applicable hereto. The affirmative action program of the Trustee and the Borrower shall include the mandatory contract provisions set forth in the Los Angeles Administrative Code Section 10.8.4, and said provisions are incorporated herein by this reference. The Borrower and Trustee shall also comply with all rules, regulations, and policies of the City of Los Angeles' Board of Public Works, Office of Contract Compliance relating to nondiscrimination and affirmative action, including the filing of all forms required by the City. Any subcontract entered into by the Borrower or Trustee relating to this Regulatory Agreement, to the extent allowed hereunder, shall be subject to the provisions of this section. No person shall on the grounds of race, ancestry, color, citizenship, national origin, religion, sex, sexual orientation, gender identity/expression, transgender status, age, marital status, familial status, domestic partner status, physical handicap, mental disability, medical condition, political affiliation or belief be excluded from participation in, be denied the benefit of, or be subjected to discrimination under this Regulatory Agreement. For purposes of this Section, Title 24 Code of Federal Regulations Part 107 and Section 570.601(b) define specific discriminatory actions that are prohibited and corrective action that shall be taken in a situation as defined therein.

Section 27. Business Tax Registration Certificate. Subject to any exemption available to it, the Trustee and the Borrower each represent that it will obtain and hold the Business Tax Registration Certificate(s) required by the City's Business Tax Ordinance (Article 1, Chapter 2, Section 21.00 and following, of the Los Angeles Municipal Code). For the term covered by this Regulatory Agreement, the Trustee and the Borrower shall maintain, or obtain as necessary, all such Business Tax Registration Certificates required of it under said Ordinance and shall not allow any such Business Tax Registration Certificate to be revoked or suspended.

Section 28. Financial Obligations Personal to Borrower. The City acknowledges that the Project shall be encumbered by the Bond Documents. Notwithstanding any provisions of this Regulatory Agreement to the contrary, all obligations of the Borrower under this Regulatory Agreement for the payment of money and all claims for damages against the Borrower occasioned by breach or alleged breach by the Borrower of its obligations under this Regulatory Agreement, including indemnification obligations, shall not be a lien on the Project and no Person shall have

the right to enforce such obligations other than directly against the Borrower as provided in Section 18 of this Regulatory Agreement, except that the City shall have the right at all times to enforce the rights contained in the third paragraph of Section 18 hereof. No subsequent owner of the Project shall be liable or obligated for the breach or default of any obligations of the Borrower under this Regulatory Agreement on the part of any prior Borrower, including, but not limited to, any payment or indemnification obligation. Such obligations are personal to the Person who was the Borrower at the time the default or breach was alleged to have occurred and such Person shall remain liable for any and all damages occasioned thereby even after such Person ceases to be the Borrower. Each Borrower shall comply with and be fully liable for all obligations of an “owner” hereunder during its period of ownership.

Section 29. [Reserved].

Section 30. Child Support Assignment Orders. This Regulatory Agreement is subject to Section 10.10 of the Los Angeles Administrative Code, Child Support Assignment Orders Ordinance. Pursuant to this Ordinance, each of the Borrower and the Trustee certifies that (a) it will fully comply with all State and federal employment reporting requirements applicable to Child Support Assignment Orders; (b) the principal owner(s) of the Borrower are in compliance with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally; (c) it will fully comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment in accordance with California Family Code Section 5230 et seq.; and (d) it will maintain such compliance throughout the term of this Regulatory Agreement. Pursuant to Section 10.10.b of the Los Angeles Administrative Code, failure of the Borrower or the Trustee to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment Orders and Notices of Assignment or the failure of any principal owner(s) of the Borrower or the Trustee to comply with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally shall constitute a default by the Borrower or the Trustee, as appropriate, under the terms of this Regulatory Agreement, subjecting (i) the Borrower to the remedies provided herein and (ii) the Trustee to termination under the Indenture where, in either case, such failure shall continue for more than 90 days after notice of such failure to the Borrower or the Trustee by the City. Any subcontract entered into by the Borrower or the Trustee relating to this Regulatory Agreement, to the extent allowed hereunder, shall be subject to the provisions of this paragraph and shall incorporate the provisions of the Child Support Assignment Orders Ordinance. Failure of the Borrower or the Trustee to obtain compliance of its subcontractors shall constitute a default by the Borrower or the Trustee, as appropriate, under the terms of this Regulatory Agreement, subjecting (A) the Borrower to the remedies provided herein and (B) the Trustee to termination under the Indenture where such failure shall continue for more than 90 days after notice of such failure to the Borrower or the Trustee by the City.

The Borrower and the Trustee shall comply with the Child Support Compliance Act of 1998 of the State of California Employment Development Department. The Borrower and the Trustee each assures that to the best of its knowledge it is fully complying with the earnings assignment orders of all employees, and is providing the names of all new employees to the New Hire Registry maintained by the Employment Development Department as set forth in subdivision (b) of the Public Contract Code Section 7110.

Section 31. Americans with Disabilities Act. The Borrower and the Trustee each hereby certifies that it and any contractor and subcontractor will comply with the Accessibility Laws (as defined in Exhibit I). The Borrower and any contractor and subcontractor will provide reasonable accommodations to allow qualified individuals with disabilities to have access to and to participate in its programs, services, and activities in accordance with the applicable provisions of the ADA, the ADAAG, Section 504, the UFAS, the FHA (each as defined in Exhibit I) and all subsequent amendments. The Borrower and the Trustee each and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship to or association with a person with a disability. Any contract and subcontract entered into by the Borrower or the Trustee, relating to this Regulatory Agreement and the Project, to the extent allowed hereunder, shall be subject to the provisions of this paragraph. The Borrower hereby agrees to observe all of the covenants contained in Exhibit I to this Regulatory Agreement as if contained herein.

Section 32. Slavery Disclosure Ordinance. This Regulatory Agreement is subject to the Slavery Disclosure Ordinance, Section 10.41 et, seq., of the Los Angeles Administrative Code, as amended from time to time. Any subcontract entered into by the Borrower for work to be performed under this Regulatory Agreement must include an identical provision to this Section 32. The Borrower acknowledges and agrees that failure to fully and accurately complete the required affidavit and disclosures of such ordinance may result in a default under this Regulatory Agreement.

Section 33. Requirements of CDLAC. In addition to other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 2 through 6 hereof, the Borrower hereby agrees to comply with each of the requirements of CDLAC set forth in this Section 33, as follows:

(a) The Borrower shall comply with the conditions set forth in Exhibit A to the CDLAC Resolution (the “CDLAC Conditions”), as they may be modified or amended from time to time, which conditions are incorporated herein by reference and made a part hereof and are attached hereto as Exhibit G. Notwithstanding anything to the contrary herein, the provisions of this Section 33 shall remain effective for the period specified in the CDLAC Conditions, unless this Regulatory Agreement shall terminate as otherwise provided in Section 14 hereof.

(b) The Borrower acknowledges that the City shall monitor the Borrower’s compliance with the terms of the CDLAC Conditions. The Borrower will cooperate fully with the City in connection with such monitoring and reporting requirements as provided herein. Compliance with the terms of the CDLAC Conditions not contained within this Regulatory Agreement, but referred to in the CDLAC Conditions is the responsibility of the Borrower to report to the City.

(i) The Borrower shall prepare and deliver a Certificate of CDLAC Program Compliance pursuant to the terms of the CDLAC Conditions. The Borrower acknowledges that the Borrower will prepare and submit to the City, not later than January 15 of each year, and the City will submit to CDLAC, not later than March 1 of each year, until the Borrower has submitted to the City and

CDLAC a Construction Completion Certificate, and on March 1 every three years thereafter (such that the next succeeding year shall be the beginning of each such three year period) until the end of the Qualified Project Period, a Certificate of CDLAC Program Compliance, executed by an Authorized Borrower Representative.

(ii) The Borrower shall prepare and deliver a Self-Certification Certificate pursuant to the terms of the CDLAC Conditions. The Borrower acknowledges that the Borrower will prepare and submit to the City, not later than January 15 of each year, and the City will submit to CDLAC, not later than March 1 of each year, until the Borrower has submitted to the City and CDLAC a Construction Completion Certificate, and on March 1 every three years thereafter (such that the next succeeding year shall be the beginning of each such three year period) until the end of the Qualified Project Period, a Self-Certification Certificate in the form provided by CDLAC.

(iii) Within 30 days following the completion of the Project, the Borrower will prepare and submit to the City, Trustee and CDLAC, a Construction Completion Certificate. Following the submission of the Construction Completion Certificate, the Borrower will prepare and submit to the City, not later than January 15 every three years thereafter until the end of the Compliance Period, a California Tax Credit Allocation Committee Project Status Report or equivalent documentation in substantially the form required or otherwise provided by CDLAC from time to time.

(c) Except as otherwise provided in Section 14 of this Regulatory Agreement, this Regulatory Agreement shall terminate on the date 55 years after the date on which at least fifty percent (50%) of the units in the Project are first occupied or such later date as the Qualified Project Period shall begin, as required by the CDLAC Conditions.

(d) The Borrower shall notify CDLAC in writing of: (i) any change in ownership of the Project, (ii) any change in the issuer of the Bond, (iii) any change in the name of the Project or the Project manager; (iv) any default under the Indenture, the Loan Agreement or this Regulatory Agreement; or (v) termination of this Regulatory Agreement.

(e) Any of the foregoing requirements of CDLAC contained in this Section 33 may be expressly waived by CDLAC, in its sole discretion, in writing, but (i) no waiver by CDLAC of any requirement of this Section 33 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the City has received an opinion of Bond Counsel that any such provision is not required by the Code, the Act and the Law and may be waived without adversely affecting the exclusion from gross income of interest on the Bond for federal income tax purposes; and (ii) any requirement of this Section 33 shall be void and of no force and effect if the City and the Borrower receive a written opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Bond to cease to be Tax-exempt or to the effect that compliance with such requirement would be in conflict with the Code, the Act, the Law or any other state or federal law.

(f) CDLAC is intended to be and is a third party beneficiary of this Regulatory Agreement, and CDLAC shall have the right (but not the obligation) to enforce, separately or jointly with the City and/or the Trustee or to cause the City or the Trustee to enforce, the provisions of Section 33 of this Regulatory Agreement and to pursue an action for specific performance of such provisions or other available remedy at law or in equity in accordance with Section 18 hereof, provided that any such action or remedy shall not materially adversely affect the interests and rights of the Bondholders and shall otherwise be subject to the terms, conditions and limitations applicable to the enforcement of remedies under this Regulatory Agreement.

(g) CDLAC shall have the right, but not the obligation, to deliver revised CDLAC Conditions to the Borrower after the Closing Date or the 2022 Closing Date, as applicable, at any time, that are not more restrictive than the original CDLAC Conditions; provided however, that, with the prior written consent of the Bondholders, which will not be unreasonably withheld: (i) any changes in the terms and conditions of the CDLAC Conditions prior to the recordation against the Project in the real property records of Los Angeles County, California, of a regulatory agreement between the Borrower and the California Tax Credit Allocation Committee ("TCAC Regulatory Agreement") shall be limited to such changes as are necessary to correct any factual errors or to otherwise conform the CDLAC Conditions to any change in facts or circumstances applicable to the Borrower or the Project; and (ii) after recordation of the TCAC Regulatory Agreement, any changes in the terms and conditions of the CDLAC Conditions shall be limited to such changes as are necessary to conform Items 1, 6, 7, 10, 11, 12, 14, 15, 16, 18, 19, 20, 21, 22, 23, 24, 25, 26, or 37 of Exhibit A to the CDLAC Conditions to any change in terms and conditions requested by the Borrower and approved by CDLAC. The City may, in its sole and absolute discretion, require the Borrower to enter into an amendment to this Regulatory Agreement reflecting the revised CDLAC Conditions, which amendment shall be executed by the parties hereto or their successor in title and duly recorded in the real property records of the County of Los Angeles. The Borrower shall pay any costs and expenses in connection therewith and provide CDLAC with a copy of that recorded amendment reflecting the revised CDLAC Conditions. Where consent of the Bondholder is not required, the Borrower shall provide notice to the Bondholder of any revisions to the CDLAC Conditions.

Section 34. Pet Ownership In Publicly-Financed Housing Developments. The Borrower shall comply with the Pet Ownership in Publicly-Financed Housing Developments Ordinance, Los Angeles Municipal Code Sections 51.20., et seq., as amended from time to time.

Section 35. Disclosure of Border Wall Contracting Ordinance. The Borrower and the Trustee shall comply with Los Angeles Administrative Code Section 10.50 et seq., "Disclosure of Border Wall Contracting". The City may declare a default under this Regulatory Agreement if the City determines that the Trustee or the Borrower failed to fully and accurately complete the required affidavit and disclose all Border Wall Bids and Border Wall Contracts, as defined in Los Angeles Administrative Code Section 10.50.1.

Section 36. Amendment to 2018 Regulatory Agreement. The terms of this Regulatory Agreement amend and restate the terms of the 2018 Regulatory Agreement in whole as of the date hereof.

Section 2. Borrower Obligations. The Borrower represents, warrants, covenants and agrees as follows:

- a. A State of California Certified Access Specialist (“CASp”) who is a licensed architect or engineer must be identified as part of the development team. A list of CASps can be found at the following link: https://www.apps2.dgs.ca.gov/DSA/casp/casp_certified_list.aspx. The CASp cannot be the architect of record for the Project. The cost of CASp activities and certifications should be included in the application’s project budget.
- b. The Housing Development shall be constructed in accordance with the Accessibility Standards in Section 1 above to ensure accessibility for persons with disabilities. The Borrower must work with their CASp to

ensure that the Housing Development complies with those Accessibility Standards.

- c. An accessibility report by a CASp inspector certifying that the Housing Development is in compliance with all applicable Accessibility Standards, as defined in Section 1, above, must be submitted to and approved by LAHD at the following phases of the Project development:
 - 1. Accessibility Design Review Report and a pdf copy of the plans are due for review by LAHD when construction documents have been developed, and prior to the submission of plans to Los Angeles Building and Safety Department;
 - 2. The Accessibility Design Review Report must be approved by LAHD before building permits can be issued;
 - 3. Accessibility Progress Inspection Reports conducted after all rough inspections have been signed off by the Los Angeles Building and Safety Department and prior to closing of walls; and
 - 4. LAHD will not issue a clearance for of issuance of a certificate of occupancy or final building permit sign off by the Los Angeles Building and Safety Department and release of a final retention payment unless: (a) corrections issued by LAHD are completed and approved; (b) LAHD approves the final Accessibility Report from CASp for the Project; (c) expert recommendation and City certification of compliance with applicable accessibility requirements are issued; and (d) neutral accessibility consultant verification and City certification of compliance with applicable accessibility requirements are issued.
- d. Applicants/developers/Borrowers must list all applicable accessibility standards on title page of plans, including the designated FHA Safe Harbor for the Project, and include the following note: *“This is a publicly funded housing project and must comply with federal accessibility standards and California Building Code Chapters 11A & 11B.”*
- e. If the Development is to be rehabilitated, accessibility retrofits of the Housing Development shall take place concurrently with any Project rehabilitation in compliance with the Accessibility Standards, including federal accessibility standards.
- f. The Accessible Units shall be prioritized for persons with disabilities who have a disability-related need for the accessibility features of the Accessible Unit. If an Accessible Unit is occupied by residents without disabilities, the Borrower shall require use of a lease addendum to require such residents to relocate to a vacant, non-accessible unit of comparable size, finishes, and amenities, at the same Development at the Development’s expense, within

thirty (30) days of notice by the Borrower or Property Management Agent, or the minimum amount of notice required by state law, that there is an eligible applicant or existing resident with a disability who requires the accessibility features of the unit.

- g. Eleven percent (11%) of the total Housing Units in the Housing Development shall be constructed and maintained by the Borrower as Housing Units with Mobility Features.
- h. An additional four percent (4%) of the total Housing Units in the Housing Development shall be constructed and maintained by the Borrower as Housing Units with Hearing/Vision Features.
- i. The 4% and 11% calculations shall each be based on the total number of Housing Units in the Housing Development. In determining the number of Accessible Units required, any fractions of units shall be rounded up to the next whole number. Required Accessible Units shall, to the maximum extent feasible and subject to reasonable health and safety requirements, be distributed throughout projects and sites, and shall be available in a sufficient range of sizes and amenities so that a qualified individual with a disability has a choice of living arrangements that is, as a whole, comparable to that of other persons eligible for housing assistance under the same program.
- j. While additional Accessible Housing Units may be provided, *i.e.*, up to twenty percent (20%), no more than fifteen percent (15%) of the Housing Units in any Housing Development may be counted toward the target number of Accessible Housing Units that the City must provide pursuant to the Voluntary Compliance Agreement (VCA) with HUD (specifically, no more than eleven percent (11%) of the Housing Units in any Housing Development with Mobility Features and no more than four percent (4%) Housing Units in any Housing Development with Hearing/Vision Features) unless HUD provides specific written authorization.
- k. The Accessible Units shall be affordable for households pursuant to the terms of the Loan Agreement and Regulatory Agreement, including any and all amendments, revisions, or modifications.
- l. The Project shall comply with the City's Accessibility Regulations Matrix & Overview, Accessible Design/Construction Compliance Requirements, and the Accessibility Report Requirements, which may be amended from time-to-time.
- m. The Borrower shall adopt and comply with the City's Fair Housing Policy Related to Disability, as amended.

- n. The Borrower and property managers (including resident managers and on-site managers) of the Housing Development shall attend the City's Fair Housing for People with Disabilities workshops.
- o. The Borrower shall register the Housing Development on the City's Affordable and Accessible Housing Registry ("AAHR") located at <http://lahousing.lacity.org>, and utilize the AAHR to provide and update required information about the Housing Development and the Accessible Units, allow people with disabilities to apply for the Accessible Units when they become available and to place themselves on the waiting list for the Accessible Units, and comply with all other requirements of the AAHR.
- p. Following reasonable notice to the Borrower, Borrower shall allow the City to conduct periodic on-site inspections of the Housing Development in order to verify compliance with the Accessibility Standards and the City's Fair Housing Policy Related to Disability.
- q. The Housing Development as a whole and all Housing Units shall meet the requirements of the Accessibility Standards as defined in Section 1, above, and any requirements of the City, provided such requirements minimally meet and do not diminish the requirements of the Accessibility Standards.
- r. The Borrower shall provide a list to the City of all Accessible Units with unit number, bedroom size and type of Accessible Unit ("Housing Unit with Hearing/Vision Features" or "Housing Unit with Mobility Features").

Section 3. Occupancy of Accessible Housing Units. The Borrower shall follow the requirements of Section 504 and its implementing regulations at 24 C.F.R. Part 8, as well as the City's Fair Housing Policy Related to Disability to assure that information regarding the availability of Accessible Units reaches eligible individuals with disabilities. The Borrower will take reasonable, nondiscriminatory steps to maximize the utilization of such units by eligible individuals who require the accessibility features of the particular unit. To this end, the Borrower will take the following steps when an Accessible Unit becomes vacant:

- a. First, the Borrower will offer the Accessible Unit to a current occupant of the Housing Development who needs the features of an Accessible Unit;
- b. Second, the Borrower will offer the Accessible Unit to a current occupant of a Housing Development under common control who needs the features of an Accessible Unit;
- c. Third, the Borrower will offer the Accessible Unit to an eligible, qualified applicant on the waiting list for Accessible Housing Units who needs the features of an Accessible Unit;
- d. Fourth, the Borrower will offer the Accessible Unit to a current tenant of a Covered Housing Development who needs the accessible features of the Accessible Unit and are registered with the AAHR; and

- e. Fifth, Borrower will offer the unit to qualified applicants who need the accessible features of the Accessible Unit and are registered with the AAHR.
- f. If there are no eligible current tenants or applicants in need of Accessible features, then the Borrower must conduct targeted outreach and marketing to advertise the unit to qualified individuals who need the accessible features, including listing it as available to individuals who need the accessible features at <http://www.lahousing.lacity.org>, distributing the information about the accessible vacancy in accord with the Borrower's City approved Property Management Plan, distributing it to the most recent list from the City of organizations that serve people with disabilities, and sending an e-blast to parties on the <http://www.lahousing.lacity.org> website Outreach List. All such communications shall take appropriate steps to ensure effective communication with individuals with disabilities by utilizing appropriate auxiliary aids and services, such as the use of accessible websites and emails. Outreach efforts to the disability community shall include, but not be limited to, notices and other communications describing the availability of such Accessible Units, specific information regarding the features of Accessible Units, eligibility criteria, and application procedures. These, and additional procedures, are incorporated into the City's Fair Housing Policy Related to Disability, as amended.

In the event more than one household has requested an Accessible Unit, the Borrower shall offer the Accessible Unit to households in order on the appropriate waiting list within each category.

If, after using the process identified above, there are no households who need the features of that Accessible Unit, then the Borrower may offer the Accessible Unit to the next household on the conventional waiting list. Should that household choose not to occupy the Accessible Unit, they will remain at the same position on the conventional waiting list. If the household chooses to occupy the Accessible Unit, the tenant must sign a lease addendum in the form approved by the City. The lease addendum requires the household to move to the next available, comparable, conventional unit, when given appropriate notice by the Housing Development that there is an eligible applicant or existing resident with a disability who requires the accessibility features of that Accessible Unit.

For individuals who are required to vacate an Accessible Unit because it is needed by an individual with a disability, the Borrower will pay the costs of the transfer to a comparable conventional unit, including new utility deposit(s), if required, and reasonable moving expenses.

Section 4. Rental Policies. The Borrower shall adopt the City's rental policies that meet the requirements of Section 504, the ADA, the FHA, FEHA, and other federal and state laws and regulations as applicable, and of the Fair Housing Policy Related to Disability of the City, as amended. The Borrower shall develop and utilize a Property Management Plan ("PMP"), approved by the City, which describes affirmative marketing, tenanting, and other procedures to

ensure that the Housing Development meets all of the civil rights requirements for individuals with disabilities.

Rental applications will include a section to be filled out by applicants to identify whether they are requesting an Accessible Unit or a Reasonable Accommodation. Applicants will not be required to disclose a disability under any circumstances, and the Borrower shall seek information to be disclosed limited to only what is necessary to establish the disability-related need for the requested accommodation. If both the disability and disability-related need for the requested accommodation are obvious or already known, no additional information may be sought by the Borrower. Applicants and residents may request a Reasonable Accommodation at any time.

Section 5. Residential Rental Property. The Borrower hereby represents, covenants, warrants and agrees as follows:

- a. All of the Housing Units in the Housing Development will be similarly constructed units, and each income restricted unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities, equipped with a cooking range and oven, a sink and a refrigerator. Each of the Accessible Units shall also comply with these requirements. Notwithstanding the foregoing, a unit shall not fail to be treated as a residential unit merely because such unit is a single room occupancy unit within the meaning of Section 42(i)(3)(B)(iv) of the Code even though such housing may provide eating, cooking and sanitation facilities on a shared basis.
- b. All of the Housing Units (which shall not include any manager units) will be available for rental on a continuous basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the housing units in the Project, except to the extent that: (1) Accessible Housing Units shall be made available on a priority basis to persons who need the accessible features, as described in Section 3 above; (2) any Housing Units are required to be leased or rented to low income tenants or persons 62 years of age and older, (3) the requirements of any regulatory agreement executed between the Borrower and HUD or between the Borrower and a subordinate lender (including the City), (4) the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, and (5) any preference the Borrower may legally provide pursuant to applicable federal and state law.

Section 6. Monitoring Requirements. The City will monitor the initial production and ongoing occupancy of the Accessible Units and the Housing Development to ensure full compliance with the Accessibility Standards, the Fair Housing Policy Related to Disability and the policies in Sections 1 - 4, above. In order to determine compliance with the Accessibility Standards, the Borrower shall submit and the City shall review and approve a CASp Inspection Report of the Housing Development that identifies the necessary and required design elements to make the Housing Units and site accessible for individuals with disabilities. The City shall inspect

the construction and/or rehabilitation to verify that the legally required number of Accessible Units have been produced and that the necessary and required design elements have been constructed to make the Housing Units and site accessible for individuals with disabilities and supported by an independent CASp consultant's report.

The City will utilize the Housing Development's City approved PMP and Fair Housing Policy Related to Disability to monitor ongoing occupancy compliance of the Accessible Units and nondiscrimination of individuals with disabilities. Compliance with the policies shall include, but not be limited to, target marketing, establishing and monitoring a waiting list specific to the Accessible Units, appropriately responding to Reasonable Accommodation requests, implementation of the assistance animal policies, implementation of the policies for re-leasing vacant Accessible Units, and all elements contained in the Fair Housing Policy Related to Disability, as amended.

Section 7. Maintenance of Records. With respect to the Covenants, the Borrower agrees to keep and maintain books, accounts, reports, files, records, and other documents pursuant to the terms of the Bond Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications.

Section 8. Notices, Demands, Payments and Communication. Formal notices, demands, payments and communications between the City and the Borrower shall be sufficiently given and shall not be given unless dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally pursuant to the Notice provisions in the Indenture.

Section 9. Term of the Covenants. The Covenants shall be recorded with the Regulatory Agreement upon its execution and shall terminate in accordance with the most restrictive provisions of the Bond Documents and Regulatory Agreement, including any and all amendments, revisions, or modifications, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Bond.

Section 10. Covenant to Run with the Land. The Borrower hereby subjects the Project to the covenants, reservations, and restrictions set forth in the Covenants. The City and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project. Each and every contract, deed, or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations, and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. In particular, this Covenant is subject to the requirements of HUD's Section 504 regulation at 24 C.F.R. § 8.50(c).

Section 11. Default; Enforcement. As part of ensuring compliance with the Accessibility Covenants, the Accessibility Standards, and the Fair Housing Policy Related to Disability, the City or its agent, will conduct periodic on-site visits inspecting the Housing Development, which inspections may include inspecting the Housing Units and common areas, tenant files, logs and other records. Should the Borrower fail to comply, the City will first issue an Order to Comply ("Order") stating the element of the Housing Development that is out of compliance, and providing

a date by which the Borrower must comply. The Order shall give the Borrower not more than 30 days to correct the violation, or such additional time as the City may grant if the Borrower is taking steps to correct the violation (“Compliance Date”), and diligently pursues such action until the default is corrected, which extension is in the City’s sole discretion. The City shall re-inspect the Housing Development within 10 days of the Compliance Date specified in the Order or any extension, however failure to inspect or re-inspect within the time frame does not remove the obligation of the Borrower to comply with the Order.

If the Order is issued and the violation continues to exist after the Compliance Date, then the City shall declare an “Event of Default” and may take any one or more of the following steps:

- a. **Inspection Fee for Non-Compliance.** In the event the Borrower fails to comply with the Order within the Compliance Date, the Borrower shall be liable for subsequent inspection fees in the amount approved by City Council until compliance has been achieved. Failure to pay the assessed inspection fee within 30 days of the date of invoice, will result in a late charge equal to or two times the fees and a collection fee equal to 50 percent of the original fee shall be imposed if any fee imposed is not paid within 30 days of service of notice of the imposition of the fee.

The late fee may be imposed without a hearing but may be appealed to the General Manager of LAHD. The appeal shall be made in writing, and shall specify the grounds for the appeal. The appeal shall be filed with LAHD within ten calendar days of the issuance of the imposition of the late fees and costs. The General Manager or his designee shall issue a decision within ten calendar days of the filing of the appeal. A copy of the decision shall be served on the person or entity subject to the Order or fee by first class United States mail, postage prepaid, or in person. The City shall have the right to bring legal action in any court to enforce the Order and collect the amount of outstanding fees and penalties. City may waive the penalty imposed pursuant to this section if City determines that good causes exist for the Borrower’s failure to pay in a timely manner.

- b. By mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City hereunder;
- c. Filing of a complaint or referral to HUD or other appropriate agencies for further enforcement actions;
- d. Have access to and inspect, examine and make copies of all or a portion of the books and records of the Borrower pertaining to the Project, in order to ensure compliance with all provisions of the Covenants, including records relating to the accessibility of the Accessible Units; and

- e. Take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

Section 12. Compliance with Accessibility Requirements. The Borrower hereby certifies that it and its property manager and any agent, contractor and subcontractor will comply with the Accessibility Standards as defined, and the policies described in Sections 2-5. The Borrower and any contractor and subcontractor will provide Reasonable Accommodations to allow qualified individuals with disabilities to have access to and to participate in its programs, services, and activities in accordance with each of the applicable and stricter of the requirements of the ADA, the 2010 ADA Standards for Accessible Design, the ADAAG, Section 504, UFAS, the FHA, the Fair Housing Act Design and Construction Requirements, federal regulations implementing the ADA, Section 504, and the FHA, California Government Code 11135 *et seq.*, the California Building Code Chapters 11A and 11B, and all subsequent amendments to those laws. The Borrower and any contractor and subcontractor will not discriminate against persons with disabilities or against persons due to their relationship or association with a person with a disability. Any contract and subcontract entered into by the Borrower, relating to the Covenants and the Project, to the extent allowed hereunder, shall be subject to the provisions of this paragraph.

Section 13. Governing Law. The Covenants shall be governed by the laws of the State of California.

Section 14. Parties Bound. The provisions of the Covenants shall be binding upon and inure to the benefit of the City and the Borrower and their respective successors and assigns.

Section 15. Severability. Every provision of the Covenants is intended to be severable. If any provision of the Covenants shall be held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired.

Section 16. Waiver. Any waiver by the City of any obligation in the Covenants shall be in writing; however, the City cannot waive the requirement to comply with federal and state law. No waiver will be implied from any delay or failure by the City to take action on any breach or default of the Borrower or to pursue any remedy allowed under the Covenants or applicable law. Any extension of time granted to the Borrower to perform any obligation under the Covenants shall not operate as a waiver or release from any of its obligations under the Covenants. Consent by the City to any act or omission by the Borrower shall not be construed to be a consent to any other or subsequent act or omission or to waive the requirement for the City's written consent to future waivers.

Section 17. Modifications. There shall be no amendment or modification of the Covenants without the prior written approval of the City. Any amendment or modification of the Covenants shall be by a written instrument executed by the City and the parties to the Covenants and the Regulatory Agreement or their successors in title, and duly recorded in the real property records of the County of Los Angeles, California. Modifications or amendments to the Covenants

may occur by operation of law or other agreements binding the City and the parties to the Covenants and the Regulatory Agreement.

Section 18. Conflicts. If the provisions of the Covenants are inconsistent with the provisions of the Regulatory Agreement, the Bond Documents, or any other documents which affect the Project, the more restrictive covenants or restrictions shall control.

Section 19. Recording and Filing. The Borrower shall cause the Covenants to be recorded and filed in the real property records of the County of Los Angeles and in such other places as the City may reasonably request. However, failure to record the Covenants by the Borrower shall not relieve Borrower of any of the obligations specified herein.
