Comments for Public Posting: SACRAMENTO – Today, Governor Gavin Newsom announced that the COVID-19 State of Emergency will end on February 28, 2023, charting the path to phasing out one of the most effective and necessary tools that California has used to combat COVID-19. See <https://www.gov.ca.gov/2022/10/17/governor-newsom-to-end-the-covid-19-state-of-emergency/>. Not the City of Los Angeles! The city council does not agree with the President and Governor. The city council is full of power-hungry individuals who want to control our lives. It is time to vote them all out.
