Comments for Public Posting: I am writing regarding the abuse going on at the Van Nuys Airport! We live between Hayvenhurst and Balboa Blvd. on Saticoy. The number of flights in and out has gotten so ridiculous! It is disgusting to hear some of these people are polluting our homes, bodies and environment simply to fly 50 miles to their destination. There are far too many charter flights, personal jets, etc... for this airport which is expanding and getting worse every day! We are tired of having to close our windows due to the smell of jet fuel pouring in our windows! They let their planes sit idling for extended periods of time, which is so wrong. We are suffering here!!!! We have lived here since 2007 and it has gotten exponentially worse over the past few years! Knowing that it is VOLUNTARY for the Quieter Nights Program, (avoiding flying from 11 p.m. to 7 a.m.) is just not right, unless it is absolutely necessary. And to them, voluntary means GO FOR IT!!! THEY DON'T CARE how it is affecting us!! We need something done. We should have a voice and be heard and protected from this. People are getting sick!! Please help! Thank you!
