**Comments for Public Posting:** Streets are for ALL of us, not just cars. This happened because the auto lobby funneled millions in to advertising campaigns to make us think the streets are for cars, and if we get hit, its our fault. Cars kill. We need LA to be a walkable city. This makes neighborhoods more vibrant, people happy, and the air cleaner. Take back the streets. That's why the organization is called "STREETS FOR ALL".
