**Comments for Public Posting:** I am writing in support of Sunset 4 All, to make Sunset Blvd safer for bikes and pedestrians. I am not surprised that over 1000 people have been injured on Sunset in the last 10 years- it's dangerous for bikes. My son is 16 and doesn't drive, and I'm concerned for his safety when he's biking with his friends. I live in Silver Lake. Thanks for your consideration.

**Comments for Public Posting:** I support the motion 22-1072 and Sunset4All. It will make the community safer, more prosperous, and more sustainable. Additionally I support City of LA staff working with Sunset4All engineers Rock Miller and GTS Engineering to support the innovative design of the project. This really will make this important part of Los Angeles better for all.
