**Comments for Public Posting:** I'm writing to ask that you make the whole Pacific Dining Car building designated (protected), to honor the near century that politicians, international dignitaries, business people and families gathered together under this roof, each shaping our city in their own ways. I have gone to this institution for so many years, and would like us to preserve a critical part of Los Angeles culture and history.

**Comments for Public Posting:** Being born and raised in the City of Los Angeles, visiting the Pacific Dining Car was a staple in our family. As I grew up and started my career in downtown Los Angeles, Pacific Dining Car remained a fixture in my life as an Angeleno. As our family was started, coming to Pacific Dining Car for important meals was very important to us. This has allowed the tradition to continue to our children and hopefully their children It is important to preserve this iconic Los Angeles landmark. I encourage that the Planning and Land Use Management Committee consider landmark status for this property so that it can be preserved. Thank you for your consideration
