The Bureau of Justice Assistance (BJA) is pleased to inform you that your jurisdiction will receive an award under the Fiscal Year (FY) 2022 Patrick Leahy Bulletproof Vest Partnership (BVP) solicitation. These funds have been posted to your account in the [BVP System](#). A complete list of FY 2022 BVP awards is available at: <https://www.ojp.gov/program/bulletproof-vest-partnership/overview>.

Important: Jurisdictions must be registered in the SAM system (<https://www.sam.gov/SAM/>) in order to be paid for any 2022 BVP funds. Please ensure the banking information in SAM is up to date. For more information about renewing and updating your existing SAM registration, or registering in SAM as a new entity, please visit <https://sam.gov/content/status-tracker>. The SAM Helpdesk can be reached at 866-606-8220.

The FY 2022 award may be used for National Institute of Justice (NIJ) compliant armored vests which were ordered after April 1, 2022. The deadline to request payments from the FY 2022 award is August 31, 2024, or until all available funds have been requested. Awards will not be extended past that date, and any unused funds will be forfeited.

Please see the following website for a list of NIJ compliant vests: <https://cjtec.org/compliance-testing-program/compliant-product-lists/>. As a reminder, all jurisdictions that applied for FY 2022 BVP funding certified that a mandatory wear policy was in place for their jurisdiction. BJA will be conducting reviews of the mandatory wear policies as funds are requested from the BVP System. For more information on the BVP mandatory wear policy, please see the BVP Frequently Asked Questions document: https://www.ojp.gov/sites/g/files/xyckuh241/files/media/document/FAQsBVP MandatoryWearPolicy_0.pdf.

Dear BVP Participant:

The [Bureau of Justice Assistance \(BJA\)](#) is pleased to announce the Fiscal Year (FY) 2022 [Patrick Leahy Bulletproof Vest Partnership \(BVP\) program](#) application funding period. The purpose of the BVP program is to reimburse states, counties, federally recognized tribes, cities, and local jurisdictions up to 50% of the cost of body armor vests purchased for law enforcement officers. Please see the BVP Overview for detailed information on the BVP Program: <https://www.ojp.gov/bvp/overview>.

Applications for FY 2022 BVP funds will be accepted beginning Thursday, April 28, 2022. All applications must be submitted online at [Patrick Leahy Bulletproof Vest Partnership: Login \(usdoj.gov\)](#) by **6:00 pm eastern time on Monday, June 27, 2022**.

Important Information regarding FY 2022 BVP:

- 1. System for Award Management (SAM) Registration Requirement:** Jurisdictions will not be able to apply for and receive FY 2022 BVP funds if they are not registered in SAM. Jurisdictions not registered with SAM are strongly encouraged to access the SAM website at <http://www.sam.gov> as soon as possible in order to obtain information on and to complete the online SAM registration. Applicants should ensure that current bank routing and bank account information is included in the www.sam.gov profile, as the banking information in the SAM at the time of application will be used to transfer reimbursement funds to your jurisdiction. For more information about renewing and updating your existing SAM registration, or registering in SAM as a new entity, please visit www.sam.gov. The SAM Helpdesk can be reached at 866-606-8220.
- 2. Unique Entity Identifier (UEI):** SAM recently transitioned from the DUNS number to the new Unique Entity Identifier (UEI). The UEI, a [12-character alphanumeric value](#), is now the primary means of identifying entities registered for federal awards government-wide in SAM. If an entity is already registered in SAM, it has been assigned a UEI. To view the UEI, the Federal Service Desk [posted instructions for finding the UEI in SAM](#). **All FY 2022 BVP applications must have a UEI entered in the BVP system to receive an FY 2022 BVP award.** More details on the impact of this change in the SAM system can be found at: <https://sam.gov/content/duns-uei>.
- 3. User Guides and Training Materials:** User guides and training materials for the BVP application process and the payment request process can be found at: <https://www.ojp.gov/program/bulletproof-vest-partnership/program-resources#hf3a1a>.

4. **Mandatory Wear Policy:** Jurisdictions receiving funding for reimbursement of body armor purchases must have a written mandatory wear policy for uniformed patrol officers in place when the FY 2022 BVP applications are submitted. There are no requirements regarding the nature of the policy other than it specify when mandatory wear is required for uniformed officers on duty. Please see the [BVP Mandatory FAQs](#) for further guidance on this requirement.
5. **Compliant Vest Lists:** Each vest purchased with FY 2022 funds must meet the National Institute of Justice (NIJ) standards on the date it was ordered and must be American-made. Please see this website for the latest NIJ compliant vests: <https://cjtec.org/compliance-testing-program/compliant-product-lists/>.
6. **Uniquely Fitted Armor Vest Requirement:** Jurisdictions receiving funding for reimbursement of body armor purchases must have in place a uniquely fitted vest requirement when the FY 2022 BVP applications are submitted. In the BVP Program, "uniquely fitted vests" means protective (ballistic or stab-resistant) armor vests that conform to the individual wearer to provide the best possible fit and coverage, through a combination of: 1) correctly-sized panels and carrier, determined through appropriate measurement, and 2) properly adjusted straps, harnesses, fasteners, flaps, or other adjustable features. The requirement that body armor be "uniquely fitted" does not necessarily require body armor that is individually manufactured based on the measurements of an individual wearer. In support of the Office of Justice Programs' efforts to improve officer safety, the American Society for Testing and Materials (ASTM) International has made available the *Standard Practice for Body Armor Wearer Measurement and Fitting of Armor* ([Active Standard ASTM E3003](#)) available at no cost. The [Personal Armor Fit Assessment checklist](#), is excerpted from ASTM E3003.
7. **Eligibility:** Multiple law enforcement agencies (LEAs) within the same jurisdiction must submit their own application information and vest needs to the jurisdiction. The jurisdiction will then submit the LEA applications in one submission to BJA. This includes colleges and universities. All public colleges and universities are considered LEAs under their respective jurisdiction.
8. **Items to Review:** To ensure that program participants are submitting applications that accurately reflect their vest needs for the next two years, please review the program guidance below. Prior to submitting an application for FY 2022 BVP funds:
 - Verify that the number of vests indicated on the application does not exceed actual agency needs. Review all currently deployed vests for those that will need to be replaced during the next two years, according to the replacement cycle indicated on your BVP system profile. Applications for funds should reflect the number of vests your agency needs to replace within the next two years, and vests for officers your agency anticipates hiring in the next two years. (New hires can be anticipated based on the average number of officers hired over the most recent three years.)
 - Ensure that the application accurately reflects the current market cost for the vests identified on the application.
 - Review previous year(s) BVP funding to identify any unspent funds that might currently be available for BVP needs.

Your careful attention to actual vest needs will help ensure that all eligible jurisdictions submitting requests will receive the maximum award allowable based on the appropriation and distribution guidelines.

For questions regarding this email or for assistance with the online application process, please do not hesitate to call the BVP Help Desk at 1-877-758-3787, or email vests@usdoj.gov.

In addition, please visit BJA's Officer Robert Wilson III Preventing Violence Against Law Enforcement Officers and Ensuring Officer Resilience and Survivability (VALOR) Initiative website to obtain other information regarding officer safety: [VALOR Officer Safety and Wellness Initiative | Overview | Bureau of Justice Assistance \(ojp.gov\)](#). The VALOR Initiative is a comprehensive set of programs that deliver no-cost officer safety, wellness, resilience training, resources, and technical assistance to law enforcement throughout the country. ATTENTION: This email originated outside of LAPD. Do not click on links or open attachments unless you recognize the sender and know the content is safe.

Thank you for submitting an online Patrick Leahy Bulletproof Vest Partnership (BVP) application. Your application will be safeguarded until the current application period closes on June 27, 2022.

Funding Decisions and Notification: When this application period closes, the following will occur: Each application is checked against the availability of funds to cover a portion of its total cost, in keeping with established rules and statutory set-asides. Once funding decisions are made, Congress is notified, followed by an electronic (email) message to the primary jurisdiction contact regarding the specific level of funding available. After this notification, DOJ requires additional time to create or update each jurisdiction's financial account. You will then be notified again (via email) that funds are available for drawdown through the payment request process in your online handbook. Assuming there are no changes or significant delays in the above processes, online payment requests for the 2022 applications should be available no later than September 30, 2022.

Formula and Matching Requirements: The program requires that each applicant jurisdiction be responsible for providing at least 50 percent of the cost of each qualifying vest purchased. Tribal governments may use other federally-appropriated funds to provide their portion of the total cost; all other jurisdictions must use non-federal funds. Non-federal fund sources include state and/or local jurisdiction revenues, private or personal funds, and contributions from insurance or workman's compensation consortiums. Asset forfeiture funds may also be used to meet the jurisdiction's financial requirement. By submitting this application, you have already certified that you understand and will abide by the following: "Funding availability, levels, and percentages are uncertain. There is no guaranteed funding level associated with any application submitted to the BVP program. Jurisdictions agree to meet their financial and contractual obligations associated with any purchase transactions, regardless of the level of funding received through this application."

Purchasing NIJ-approved Vests: BVP program funds may only be used to help defray the costs of NIJ-approved vest makes and models. Any ballistic or stab vest meeting applicable NIJ standards is eligible for funding. Vests contained in your application provide a basis for funding decisions. However, you are not obligated to purchase those exact vest makes and models. You may use BVP funds to help defray the costs of any NIJ-approved vest. Simply reflect any changes in the online receipt report(s), when you initiate the online payment process. BVP funds remain in your "account" through the end of the second federal fiscal year following the year of this application. Therefore, you have ample time to make and complete eligible purchases.

Need Assistance? Please call the BVP technical support helpdesk at 877-758-3787 (toll free). Thank you and continued success in providing lifesaving body armor for your eligible officers and employees.
