**Comments for Public Posting:** Dear PLUM Committee Members and CD13 Staff, We are so grateful to the CHC for supporting our nomination for the lovely Queen of Elysian Heights. This stately Queen Anne Victorian is clearly the oldest structure in this historic Echo Park neighborhood. As the cornerstone of this community for at least 127 years, it represents not only an important architectural resource - demonstrating patterns of early neighborhood development - but as the long-time home of the Archiega Family, it serves as a cultural testament to the powerful lessons of Chavez Ravine. This home is an essential part of our community, and we ask that you please support our nomination. Thank you, The Silver Lake Heritage Trust
