Honorable Members of the City Council
City of Los Angeles
Room 395, City Hall
Los Angeles, CA 90012

Attn: Information Technology & General Services Committee

**SUBJECT: CHMC HOPE STREET FAMILY CENTER PROPERTY MANAGEMENT
LLC PRIVATE FRANCHISE APPLICATION AND RECOMMENDATION
APPROVAL (CF NO. 12-0583)**

Recommendation

The Information Technology Agency (ITA) has reviewed the renewal application of the California Hospital Medical Center (CHMC) Hope Street Family Center Property Management LLC (CHMC Hope Street) private line telecommunications franchise, granted in 2012 by City Council and Mayor, and recommends approval of said application request. Because private line franchises are effectuated by ordinance, ITA also recommends Council to request that the City Attorney prepare and present a draft ordinance to City Council, with a ten-year term, allowing for the renewal of this franchise.

Background

A private line telecommunications facility is an encroachment permit that provides for the interconnection between two points in the public rights-of-way, utilized solely for signal transmission and not to serve any customer within the City.

In 2012 the City Council and Mayor granted a 10-year telecommunications franchise to CHMC Hope Street for the placement of conduit in the City's public rights-of-way on Venice Avenue, just east of Hope Street. (See CF No. 12-0583 and Los Angeles City Ordinance No. 182154.)

CHMC Hope Street is now requesting approval to renew said private line franchise for another 10 years.

Fiscal Impact

Approval of the renewal of this private line telecommunications franchise will generate \$2,500 in application fees and \$900 in annual franchise fees over the next 10 years for a total of \$9,000 during the ten-year term of the franchise.

Honorable Members of the City Council
