To whom it may concern:

I oppose the back-room dealing and fast-tracking of the IKE SMART CITY contract to install and maintain 300-500 Interactive Digital Ad Kiosks on our public streets throughout the City of Los Angeles.

I oppose the IKE Program for the following reasons:

- There has been NO opportunity for public comment or meaningful public input from Neighborhood Councils or the community at large.
- The Mayor and City Council propose a "piggyback" contract (which may not meet requirements of the LA Municipal Code) "as the most efficient and preferred " method of implementing the IKE program when it should be fully vetted instead.
- The IKE Program has not had ANY environmental review, including an analysis of cumulative impacts that takes into account the recently approved Street Transit Amenities Program (street furniture) or Metro's pending Transit Communications Network Program (digital billboards along freeways and major corridors).
- There has been NO financial analysis of projected revenues for this Program.
- The Houston Program of approximately 125 Ad Kiosks is not comparable to LA's proposed program of 300 to 500 of these structures.
- The IKE Program has not been reviewed by the City Council's Transportation Committee or LA's Department of City Planning (that may constitute a violation of the City Charter).
- The IKE Program will permit hundreds of Digital Ad Kiosks not in compliance with the City's 2002 Sign Ordinance jeopardizing the ability of the City to defend its ban on billboards. This in an environment of very litigious outdoor advertising companies that have already demonstrated their desire to challenge the City's legal authority to regulate billboards.
- By failing to engage in an open competitive bidding process, and by choosing an Ohio-based digital media company, the City has denied local vendors a fair opportunity to participate in this process.
- No analysis has been conducted as to the dangers associated with driver distraction based on roadside digital-changing messaging or how the mass and size create barriers to unobstructed visibility.
- The IKE Program may violate privacy rights by collecting information on each user's interaction with the Kiosks and may share the information without permission.
- Adoption of this Program would allow the commercialization of our shared public spaces.

For all of the reasons stated above and pursuant to Council Rule 69, I join Scenic America and Scenic Los Angeles in asking that you adopt Councilmember Bonin's Minority Report presented to the Council Committee on Trade, Travel and Tourism, and engage in a full and transparent outreach and public review process.

Thank you for your consideration,

Sincerely,  
Doug Camphuis

 To whom it may concern:

I oppose the back-room dealing and fast-tracking of the IKE SMART CITY contract to install and maintain 300-500 Interactive Digital Ad Kiosks on our public streets throughout the City of Los Angeles.

I oppose the IKE Program for the following reasons:

- No environmental review process (CEQA review)
- No financial analysis (CLA or CAO review)
- No competitive procurement process/No RFP issued
- Inappropriate reliance on a Houston Texas RFP
- No public health review
- No traffic/public safety analysis related to digital signage and driver distraction
- Violates the City Charter by bypassing the City Planning Commission
- Privacy right violations --data capture from those passing
- May undermine City authority to regulate all billboards/off-site signage

For all of the reasons stated above and pursuant to Council Rule 69, I join Scenic America and Scenic Los Angeles in asking that you adopt Councilmember Bonin's Minority Report presented to the Council Committee on Trade, Travel and Tourism, and engage in a full and transparent outreach and public review process.

Thank you for your consideration,

Subject: CF-22-1154- Installation and Maintenance Contract of Interactive Kiosks in The City of Los Angeles

To whom it may concern:

As a lifelong resident of Los Angeles, a concerned citizen, and an advocate for privacy, I strongly oppose the back-room dealing and fast-tracking of the IKE SMART CITY contract to install and maintain 300-500 Interactive Digital Ad Kiosks on our public streets throughout the City of Los Angeles.

I oppose the IKE Program for the following reasons:

- No environmental review process (CEQA review)
- No financial analysis (CLA or CAO review)
- No competitive procurement process/No RFP issued
- Inappropriate reliance on a Houston Texas RFP - why are we doing ANY business with Texas given the state's horrible record on women's and LGBTQ rights?
- No public health review
- No traffic/public safety analysis related to digital signage and driver distraction
- Violates the City Charter by bypassing the City Planning Commission
- Privacy right violations -- data capture from those passing - what will be done with the information these kiosks gather? There is no way for anyone to opt out.
- May undermine City authority to regulate all billboards/off-site signage

For all of the reasons stated above and pursuant to Council Rule 69, I join Scenic America and Scenic Los Angeles in asking that you adopt Councilmember Bonin's Minority Report presented to the Council Committee on Trade, Travel and Tourism, and engage in a full and transparent outreach and public review process.

 Subject: CF-22-1154- Installation and Maintenance Contract of Interactive Kiosks in The City of Los Angeles  
 To whom it may concern:

I oppose the back-room dealing and fast-tracking of the IKE SMART CITY contract to install and maintain 300-500 Interactive Digital Ad Kiosks on our public streets throughout the City of Los Angeles.

I oppose the IKE Program for the following reasons:

- No environmental review process (CEQA review)
- No financial analysis (CLA or CAO review)
- No competitive procurement process/No RFP issued
- Inappropriate reliance on a Houston Texas RFP
- No public health review
- No traffic/public safety analysis related to digital signage and driver distraction
- Violates the City Charter by bypassing the City Planning Commission
- Privacy right violations --data capture from those passing
- May undermine City authority to regulate all billboards/off-site signage

For all of the reasons stated above and pursuant to Council Rule 69, I join Scenic America and Scenic Los Angeles in asking that you adopt Councilmember Bonin's Minority Report presented to the Council Committee on Trade, Travel and Tourism, and engage in a full and transparent outreach and public review process.

Thank you for your consideration,

Subject: CF-22-1154- Installation and Maintenance Contract of Interactive Kiosks in The City of Los Angeles  
To whom it may concern:

I oppose the back-room dealing and fast-tracking of the IKE SMART CITY contract to install and maintain 300-500 Interactive Digital Ad Kiosks on our public streets throughout the City of Los Angeles.

I oppose the IKE Program for the following reasons:

- No environmental review process (CEQA review)
- No financial analysis (CLA or CAO review)
- No competitive procurement process/No RFP issued
- Inappropriate reliance on a Houston Texas RFP
- No public health review
- No traffic/public safety analysis related to digital signage and driver distraction
- Violates the City Charter by bypassing the City Planning Commission
- Privacy right violations --data capture from those passing
- May undermine City authority to regulate all billboards/off-site signage

For all of the reasons stated above and pursuant to Council Rule 69, I join Scenic America and Scenic Los Angeles in asking that you adopt Councilmember Bonin's Minority Report presented to the Council Committee on Trade, Travel and Tourism, and engage in a full and transparent outreach and public review process.

 To whom it may concern:

Greetings,

I strongly oppose the back-room dealing and fast-tracking of the IKE SMART CITY contract to install and maintain 300-500 Interactive Digital Ad Kiosks on our public streets throughout the City of Los Angeles.

I oppose the IKE Program for the following reasons:

- No environmental review process (CEQA review)
- No financial analysis (CLA or CAO review)
- No competitive procurement process/No RFP issued
- Inappropriate reliance on a Houston Texas RFP
- No public health review
- No traffic/public safety analysis related to digital signage and driver distraction
- Violates the City Charter by bypassing the City Planning Commission
- Privacy right violations --data capture from those passing
- May undermine City authority to regulate all billboards/off-site signage

For all of the reasons stated above and pursuant to Council Rule 69, I join Scenic America and Scenic Los Angeles in asking that you adopt Councilmember Bonin's Minority Report presented to the Council Committee on Trade, Travel and Tourism, and engage in a full and transparent outreach and public review process.

Thank you for considering my opinion.

Sincerely,  
 Robert Aronson

Subject: CF-22-1154- Installation and Maintenance Contract of Interactive Kiosks in The City of Los Angeles  
To whom it may concern:

I oppose the back-room dealing and fast-tracking of the IKE SMART CITY contract to install and maintain 300-500 Interactive Digital Ad Kiosks on our public streets throughout the City of Los Angeles.

I oppose the IKE Program for the following reasons:

- No environmental review process (CEQA review)
- No financial analysis (CLA or CAO review)
- No competitive procurement process/No RFP issued
- Inappropriate reliance on a Houston Texas RFP
- No public health review
- No traffic/public safety analysis related to digital signage and driver distraction
- Violates the City Charter by bypassing the City Planning Commission
- Privacy right violations --data capture from those passing
- May undermine City authority to regulate all billboards/off-site signage

For all of the reasons stated above and pursuant to Council Rule 69, I join Scenic America and Scenic Los Angeles in asking that you adopt Councilmember Bonin's Minority Report presented to the Council Committee on Trade, Travel and Tourism, and engage in a full and transparent outreach and public review process.

Thank you for your consideration,

Sincerely,  
 Matthew Wright

- Privacy right violations --data capture from those passing
- May undermine City authority to regulate all billboards/off-site signage

For all of the reasons stated above and pursuant to Council Rule 69, I join Scenic America and Scenic Los Angeles in asking that you adopt Councilmember Bonin's Minority Report presented to the Council Committee on Trade, Travel and Tourism, and engage in a full and transparent outreach and public review process.

Thank you for your consideration,

Sincerely,  
O Lewis

Subject: CF-22-1154- Installation and Maintenance Contract of Interactive Kiosks in The City of Los Angeles  
To whom it may concern:

I oppose the back-room dealing and fast-tracking of the IKE SMART CITY contract to install and maintain 300-500 Interactive Digital Ad Kiosks on our public streets throughout the City of Los Angeles.

I oppose the IKE Program for the following reasons:

- No environmental review process (CEQA review)
- No financial analysis (CLA or CAO review)

- No competitive procurement process/No RFP issued
- Inappropriate reliance on a Houston Texas RFP
- No public health review
- No traffic/public safety analysis related to digital signage and driver distraction
- Violates the City Charter by bypassing the City Planning Commission
- Privacy right violations --data capture from those passing
- May undermine City authority to regulate all billboards/off-site signage

For all of the reasons stated above and pursuant to Council Rule 69, I join Scenic America and Scenic Los Angeles in asking that you adopt Councilmember Bonin's Minority Report presented to the Council Committee on Trade, Travel and Tourism, and engage in a full and transparent outreach and public review process.

Thank you for your consideration,

From: **Lois Becker/Mark Stratton** <loismark@gmail.com>  
Date: Tue, Nov 8, 2022 at 4:47 PM  
Subject: BASPOA OPPOSES CF-22-1154 and the IKE Program  
To: City Clerk <CityClerk@lacity.org>

*Dear City Clerk, please share the following with Councilmember Joe Buscaino and the other members of the Los Angeles City Council. Thank you. Lois*

**BASPOA OPPOSES CF-22-1154 and the IKE Program**

Dear Councilmembers:

I am writing to you on behalf of Bel Air Skycrest Property Owners' Association (BASPOA) to express our community's vehement opposition to the IKE Program and CF-22-1154. Time and again we have expressed our opposition to the proliferation of digital billboards on L.A. streets and sidewalks. We have just learned about this latest motion, which is being fast tracked to City Council over the City Attorney's objections and his clear, reasoned, legally sound recommendations that the project go through a number of steps including **a proper environmental analysis**. BASPOA supports the City Attorney's recommendations AND WE SUPPORT THE MINORITY REPORT REQUESTING A DETAILED REPORT-BACK THAT WAS SUBMITTED BY OUR COUNCILMEMBER, MIKE BONIN!

We don't want any more visual blight! We don't want further commercialization of our public streets! We don't want the risks to public safety posed by digital billboards! We don't want these proposed kiosks blocking ADA access to public streets! We don't want WE DON'T WANT CF-22-1154! And we are sick and tired of the City not listening to what the public wants and making end runs around proper process.

**Say "NO" to the IKE Program and CF-22-1154.**Respectfully,  
Lois Becker  
BASPOA Community Liaison
