Council File No: 20-0291

Comments for Public Posting: You bunch of spineless councilmembers and politicians. When it comes to tenant protections you jump up your fucking seats and pass amendments and ordinances. We are going to stop paying property taxes and stop the repairs NOW. No more of this BS. You guys suck . Forebearance of mortgage are being denied. What the fuck are you guys thinking not passing the ordinance . Hate you all bitches. Hope you all become homeless with your kids and die a horrible death.
