Storage Space Addendum

STORAGE SPACE ADDENDUM

THIS STORAGE SPACE ADDENDUM (this "Addendum") is made as of _____, 20__, by and between THE CITY OF LOS ANGELES DEPARTMENT OF AIRPORTS, a municipal corporation ("City"), acting by order of and through its Board of Airport Commissioners ("Board"), and _____, a _____ ("Licensee"), and upon execution and delivery of this Addendum by the Chief Executive Officer ("CEO") shall become a part of that certain _____ Agreement at the Los Angeles International Airport, LAA-_____, dated as of _____, 20__, by and between City and Licensee with respect to the Assigned Areas (as defined therein) (the "License Agreement").

1. Defined Terms. All initially capitalized terms not otherwise defined in this Addendum shall have the meanings set forth in the License Agreement, unless the context clearly indicates otherwise.
2. Lease of Storage Space. In consideration of the payment of Storage Rent (hereinafter defined) and keeping and performance of the covenants and agreements by Licensee as set forth in this Addendum and in the License Agreement, City leases to Licensee a total of approximately _____ square feet of storage space (the "Storage Space"), as shown on the chart and drawing, both of which are attached to this Addendum as Exhibit 1.
3. Term of Storage Space Addendum. Licensee's right to use the Storage Space will commence on _____, 20__, and terminate the earlier of (a) upon thirty (30) days' prior written notice from either of City or Licensee to the other, or (b) the concurrent expiration or earlier termination of the License Agreement ("Term of Addendum"). In connection with the expiration or earlier termination of this Addendum, Licensee shall remove all of its goods, furniture, equipment, files, supplies and other personal property from the Storage Space and shall surrender the Storage Space in substantially the same condition as received by Licensee.
4. Storage Rent. Licensee shall pay the following, as a monthly base rent for the Storage Space ("**Base Storage Rent**") during the Term of Addendum:

4.1. Terminal Buildings Charge under the Los Angeles International Airport Passenger Terminal Tariff, as Amended. The Base Storage Rent for storage space located in any of the terminals at the Los Angeles International Airport ("LAX") shall be calculated for each calendar month in an amount equal to the Terminal Buildings Rate for the month multiplied by the square footage of the Storage Space. The Base Storage Rent described in this Section 4.1 is subject to annual adjustment by the Board, and the Licensee shall pay the Base Storage Rent based on the then Board-approved rates. If adjustments to the Terminal Buildings Rate are adopted by the Board retroactive to an effective date established by the Board, the adjustments shall be applied retroactively to said effective date and Licensee shall be responsible for retroactive payment of any increased amounts due.

4.2. The Storage Rent is all inclusive and includes utilities, taxes, maintenance, and repair. For purposes of this Addendum, "Storage Rent" shall mean Base Storage Rent and all additional charges (if any) payable to City hereunder. All Storage Rent will be payable in advance, without notice, on or before the first day of each month during the Term of Addendum, at the place designated in the License Agreement for Payments, or at such place as City may from time to time designate in writing. Licensee acknowledges that the Storage Rent does not include Licensee's payment of City's Occupancy Tax, which may be adjusted from time to time by the City Council.

5. Use of Storage Space. Licensee will use the Storage Space in a careful, safe and proper manner, in accordance with all applicable Laws and any Rules and Regulations. Licensee agrees to be fully liable for any damages or losses sustained by City as a result of any overloading by Licensee and Licensee will pay City as Additional Storage Rent on demand for any damage to the Storage Space caused by misuse or abuse by Licensee, its agent or employees, or any other person entering the Storage Space. Licensee will not commit waste nor permit waste to be committed nor permit any nuisance in the Storage Space.
6. Lighting; Electricity. City agrees, during the Term of this Addendum, to furnish and provide such electric lighting service to and such ingress and egress from the Storage Space during ordinary business hours as may, at the judgment of City, be reasonably required for the use and occupancy of the Storage Space pursuant to the terms of this Addendum. Licensee agrees that City will not be liable for failure to provide such lighting service or ingress and egress during any period when City uses reasonable diligence to supply them. City reserves the right temporarily to discontinue electric service, or ingress or egress, at such times as may be necessary when City is unable to provide them by reason of accident, unavailability of employees, repairs, alterations or improvements, or whenever by reason of strikes, walkouts, riots, acts of God, or any other happening beyond the control of City. City will be under no obligation to furnish heating or air conditioning service to the Storage Space. City will have the right to enter the Storage Space to examine and inspect it as provided in the License Agreement and to require the removal of any object or material City deems hazardous to the safety or operation of the Terminal or building in which the Storage Space is located.
7. Licensee Contacts. Licensee will provide City a list of Licensee's appointed representatives and their telephone numbers for the Storage Space. Licensee may, from time to time, change the individuals who are designated as Licensee's representatives by written notice to City of any such change. City will contact Licensee's representative only to obtain access to the Storage Space. Licensee will place signs identifying the location and telephone number for Licensee representative on each Storage Space.
8. Storage at Licensee's Risk; Condition of Storage Space. Licensee agrees that all property of Licensee kept or stored in the Storage Space will be at the sole risk of Licensee and that City will not be liable for any injury or damage to such property. Licensee will carry and maintain, at Licensee's expense, insurance covering all property kept or stored in the Storage Space. Taking possession of the Storage Space by Licensee will be conclusive evidence that the Storage Space was in the condition agreed upon between City and Licensee and acknowledgment by Licensee that it accepts the Storage Space in its then

"as-is, where is" condition, "with all faults," and without any further improvement by City.

9. Applicability of the Concession Agreement. Except to the extent specifically provided otherwise in this Addendum, the provisions of the Concession Agreement shall be applicable to the Storage Space and this Addendum as if they were specifically set forth in this Addendum. During the Term of Addendum, references in the Concession Agreement to the "**Premises**" will be deemed to also refer to the "**Storage Space**," unless the context clearly indicates otherwise. In the event of any express conflict between the provisions of the Concession Agreement and the provisions of this Addendum as it relates to the Storage Space, the provisions of this Addendum shall control.
10. Cross-Default. Any default by Licensee in the performance of Licensee's obligations under this Addendum will also be a default under the Concession Agreement.
11. Improvements to Storage Space; Relocation and Partial Termination. Licensee shall not make any alterations or improvements to the Storage Space without the prior written consent of City and compliance with the applicable provisions of the Concession Agreement. City expressly reserves the rights (a) to relocate the Storage Space to such other storage area as may be designated by City, or (b) to partially terminate this Addendum with respect to any portion of the Storage Space upon not less than thirty (30) days prior written notice to Licensee. Notwithstanding anything to the contrary provided in the Concession Agreement or otherwise, Licensee shall not be entitled to any compensation or reimbursement in connection with such relocation or partial termination (including, without limitation, any compensation or reimbursements for moving expenses, or for alterations or improvements made to the Storage Space); provided, however, the Storage Rent shall be equitably adjusted in connection with any reduction in the Storage Space.
12. Counterparts. This Addendum may be executed in counterparts, but shall become effective only after each party has executed a counterpart hereof; all said counterparts when taken together, shall constitute the entire single agreement between the parties.

[Signatures on next page]

IN WITNESS WHEREOF, City has caused this Addendum to be executed on its behalf by Executive Director and Licensee has caused the same to be executed by its duly authorized officers, all as of the day and year first hereinabove written.

Licensee agrees that all property of Licensee kept or stored in the Office Space will be at the sole risk of Licensee and that City will not be liable for any injury or damage to such property. Licensee will carry and maintain, at Licensee's expense, insurance covering all property kept or stored in the Office Space. Taking possession of the Office Space by Licensee will be conclusive evidence that the Office Space was in the condition agreed upon between City and Licensee and acknowledgment by Licensee that it accepts the Office Space in its then "as-is, where is" condition, "with all faults," and without any further improvement by City.
9. Applicability of the License Agreement. Except to the extent specifically provided otherwise in this Addendum, the provisions of the License Agreement shall be applicable

to the Office Space and this Addendum as if they were specifically set forth in this Addendum. During the Term of Addendum, references in the License Agreement to the "**Premises**" will be deemed to also refer to the "**Office Space**," unless the context clearly indicates otherwise. In the event of any express conflict between the provisions of the License Agreement and the provisions of this Addendum as it relates to the Office Space, the provisions of this Addendum shall control.

10. Cross-Default. Any default by Licensee in the performance of Licensee's obligations under this Addendum will also be a default under the License Agreement.
11. Improvements to Office Space; Relocation and Partial Termination. Licensee shall not make any alterations or improvements to the Office Space without the prior written consent of City and compliance with the applicable provisions of the License Agreement. City expressly reserves the rights (a) to relocate the Office Space to such other Office area as may be designated by City, or (b) to partially terminate this Addendum with respect to any portion of the Office Space upon not less than thirty (30) days prior written notice to Licensee. Notwithstanding anything to the contrary provided in the License Agreement or otherwise, Licensee shall not be entitled to any compensation or reimbursement in connection with such relocation or partial termination (including, without limitation, any compensation or reimbursements for moving expenses, or for alterations or improvements made to the Office Space); *provided, however*, the Office Rent shall be equitably adjusted in connection with any reduction in the Office Space.
12. Counterparts. This Addendum may be executed in counterparts, but shall become effective only after each party has executed a counterpart hereof; all said counterparts when taken together, shall constitute the entire single agreement between the parties.

[Signatures on next page]

IN WITNESS WHEREOF, City has caused this Addendum to be executed on its behalf by Executive Director and Licensee has caused the same to be executed by its duly authorized officers, all as of the day and year first hereinabove written.
