**Comments for Public Posting:** Thank you for helping renters not have to suffer unnecessary rental increases of 3% during the novel corona virus. I don't know what my family would do. Our lease expires on Feb. 28th 2021 and my landlord decided to move us to a month to month so that he can charge us as soon as you lift this emergency declaration. Please keep this going through December of 2021. Thank you again for working for the working class of Los Angeles!
