### **RE: REQUEST FOR ARTS, PARKS, HEALTH, EDUCATION, AND NEIGHBORHOODS COMMITTEE REVIEW AND APPROVAL OF THE DEPARTMENT OF CULTURAL AFFAIRS UPDATED ANNUAL EXPENDITURE PLAN AND FEE STATUS REPORT FOR THE ARTS DEVELOPMENT FEE (ADF) PROGRAM FOR FISCAL YEAR 2022/23**

This report and its attachment are submitted in compliance with the Arts Development Fee (ADF) Program Administrative Guidelines adopted by the City Council in December 2014, by motion (CF# 13-0933).

Pursuant to the established ADF Program guidelines, the Department of Cultural Affairs (DCA) is required to develop an annual Expenditure Plan and Fee Status Report for the ADF Program, submitted herein. This report identifies and commits **\$1,115,058.16** comprised of "Priority Fees" which are fees that were collected five years earlier toward eligible public art projects throughout the City that did not have any findings made in previous years. Due to the date of collection of some of these fees, Los Angeles Municipal Code Section 5.346, et al., which is based on the State Mitigation Fee Act, requires that the Department and City Council approve a set of findings for the "Priority Fees" before December 31, 2022. A finding identifies the purpose for which the fee is to be used and demonstrates a reasonable relationship between the fee and the purpose for which it is charged. DCA has prioritized the commitment of these "Priority Fees" in this report.

## **RECOMMENDATIONS**

That the Council, subject to the approval of the Mayor:

1. **APPROVE** the public art project commitments and associated findings relative to a total of **\$1,115,058.16** comprised of “Priority Fees” as identified in the FY 2022/23 ADF Expenditure Plan and Fee Status Report (Attachment A).
2. **INSTRUCT** the Department of Cultural Affairs to update the accrued interest to each of the appropriation accounts, within Fund 516, to be used in tandem with the original ADF fee collected.
3. **AUTHORIZE** the City Controller to approve the interest appropriations, within Fund 516, recommended by the Department of Cultural Affairs.

## **BACKGROUND**

The Arts Development Fee (ADF) Program was established by ordinance in 1988, revised in 1991, and codified in Los Angeles Municipal Code Section 91.107.4.6 and Los Angeles Administrative Code Section 5.346. The ADF Program complies with the California Mitigation Fee Act and adheres to the tenets of a Nexus Study and a Cultural Master Plan adopted in 1992 by the City Council.

The ordinance requires private developers of non-residential development projects, valued over \$500,000, to pay an arts fee or complete an arts project equivalent to the value of the arts fee. If the developer chooses to pay the arts fee, the amount is based on a square-foot rate calculation or one percent of the valuation of the project designated on the permit, whichever is lower, as determined by the Department of Building and Safety.

From 1991 to 2007, arts development fees were used by the DCA to support a variety of arts and cultural activities. In 2007, a restriction was placed on the use of arts development fees that limited the expenditure of the fee to a one-block geographic radius of the related private development project that generated the fee. This restriction severely limited the Department’s ability to effectively deploy these resources and resulted in the accumulation of a large cash balance in the Arts Development Fee Trust Fund.

On July 23, 2013 Councilmembers Huizar and O’Farrell co-presented a motion (CF# 13-0933), which was further modified by Committee, instructing the Chief Legislative Analyst (CLA) and DCA, with the assistance of the City Attorney, to report back regarding updates to the ADF Program, including changes to the amounts collected and the process for collecting and disbursing funds, as well as recommendations for expanding the types of projects generating arts development fees and expanding the allowable use of fees collected.

Through the adopted ADF Program Administrative Guidelines, now in its eighth cycle, DCA has supported a variety of public art projects that range from mural conservation, art walks, to music and arts festivals, including the City’s first public art triennial. DCA has collaborated with individual artists, art organizations, and festival producers to create temporary and permanent public art projects and programs across the city. Additionally, a COVID Emergency Response Program was developed with the support of ADF monies to provide economic relief to the arts community impacted by the pandemic. Projects are identified by the Council Offices in conjunction with DCA as part of the ADF Expenditure Plan development phase.

## **SUMMARY OF THE FY 2022/23 ADF EXPENDITURE PLAN AND FEE STATUS REPORT**

The FY 2022/23 ADF Expenditure Plan and Fee Status Report provides an accounting of **\$14,267,358.29** in arts development fees, listed by the Council District in which the associated private development that

generated the fee is located. The report identifies and commits **\$1,115,058.16** within the overall Fund 516 balance that is comprised of "Priority Fees" toward eligible projects and provides associated findings required by the State Mitigation Fee Act.
