

# MOTION

The Inauguration of Mayor-elect Karen Bass, as well as of the other newly elected City officials, will be held on December 11, 2022. This event expects to draw residents from across all of Los Angeles and would therefore qualify as a Citywide Special Event.

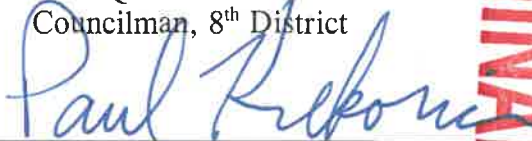

The Special Events Ordinance provides that the City Council may add or remove events from the List of Citywide Special events by motion. Council District 8 is requesting the addition of the 2022 Inauguration Ceremony to the list of Citywide Special Events.

I THEREFORE MOVE that the 2022 Inauguration Ceremonies of Mayor-elect Karen Bass, incoming City Council Members and the City Attorney be included in the City wide List of Special Events, as provided under the Special Events Ordinance (No. 80881) to the list of Citywide Special Events, with any required subsidies to be covered from the Mayor's portion of the 'Heritage Month Celebration and Special Events' line item in the General City Purposes portion of the Budget.
