Comments for Public Posting: Please, please, please help us live in peace. With the closure of Santa Monica our Van Nuys Airport has been overcrowded, over expanded and is greatly impacting our lives. I live within 1 miles of this airport and cannot have a full phone conversation as the planes are constantly going over and interrupt the call. I am terribly afraid of all the added pollution that has come into our neighborhood. The noise, the jet fuel etc. is going to cause damage if this is allowed to continue. Please hear the neighbors that this airport is affecting and not the ones with the money bringing their planes over here and leaving out of Van Nuys all hours of the day and night. They do NOT comply to the time requests and fly out in the 5 AM hour and throughout the night. I've heard them leave as late as 2 AM! PLEASE, help our neighborhood!

Comments for Public Posting: As a resident of Van Nuys who lives just a few blocks from the airport, I wholeheartedly support this motion. Airport traffic has increased over the past few years and with it, noise and pollution. Planes take off all hours of the night and the smell of jet fuel and exhaust is becoming a daily occurrence. This airport needs to follow rules similar to Burbank and LAX with curfews, land use, pollution studies, etc.

Comments for Public Posting: Do not expand Van Nuys airport! The noise and pollution from this airport is constant and ruining my family's quality of life. It used to be peaceful but now we are thinking of moving.
