**Comments for Public Posting:** I am writing to express my support for Motion 22-1489, and I ask the Committee to immediately return the Motion to the City Council for a vote to pass it. Additionally, I ask the City Council to pass Section 245(c) to effect a Veto on the Bonseph Helinet contract. It's YET ANOTHER expansion that the BOAC negligently passed on 12/01/22. The airplane noise is out of control. We live far away from the airports, but it's louder in our area with air traffic than when I lived nearby LAX in the South Bay. We have rules about the leaf blowers, but this air traffic noise is similarly loud but far more relentless/consistent. Because of recent changes in air traffic (changed without our knowledge/input), it's as if a new road had been constructed over our heads. The new Van Nuys plan would be similarly (maybe even more) egregious. Totally unacceptable.

**Comments for Public Posting:** Against further expansion of Van Nuys airport. Already excessive noise at all hours of the night.
