Comments for Public Posting: Dear Council Members: It is urgent that you approve this Mayor Karen Bass's 'Declaration of Emergency' - Homelessness. We are experiencing a homelessness crisis like never before. In my council district, CD 6, we have many unhoused people who are experiencing homelessness, and not enough is being done to help them. I have asked Council District 6 and the Los Angeles Homeless Services Authority to conduct outreach in my council district. We need to bring in the resources to address this humanitarian crisis. Sincerely, LIONEL MARES Council District 6
