Comments for Public Posting: Do not expand the airport without the public voting to approve it. The added traffic for both vehicles and airplanes will disturb Van Nuys, Lake Balboa, and Reseda immediately. If you want to improve the airport, clean and clear the surrounding areas. Remove crime and tagging under the pass along Sherman Way. A lot of the homes in the area are older and are directly affected by the plane noise. Please keep the valley clean and quiet. Use the money to increase security around the airport and neighboring streets and then hold a vote to see if the public supports expanding/enhancement of the airport.
