Previously, RAP was awarded Prop 68 Grant funds for two projects and a State Specified Grant for one project, as follows:

- 1) Prop 68 - Sheldon-Arleta Sportsfield (aka Cesar Chavez Park Development, Sheldon Arleta Park Phase IIIC) (Report No. 18-157, August 8, 2018 and 18-239, November 29, 2018, and Council File No. 18-0780-S1, November 21, 2018)

In August 2022, the State of California Office of Grants and Local Services (State) notified RAP that the performance period for these grants have been extended through the Fiscal Year 2022-2023 California State budget process. The two Prop 68 grants will be extended until June 30, 2024, and the State Specified grant will be extended until June 30, 2028. SUMMARY

Previously, RAP was awarded Prop 68 Grant funds for two projects and a State Specified Grant for one project, as follows:

- 1) Prop 68 - Sheldon-Arleta Sportsfield (aka Cesar Chavez Park Development, Sheldon Arleta Park Phase IIIC) (Report No. 18-157, August 8, 2018 and 18-239, November 29, 2018, and Council File No. 18-0780-S1, November 21, 2018)
- 2) Prop 68 - Rhodes Park (Report No. 19-243, December 18, 2019 and 21-003, January 21, 2021, Council File No. 19-1604, March 2, 2020)

TREES AND SHADE

Sheldon-Arleta Park Phase IIIC (aka Cesar Chavez Park Development (No. 22-076, April 7 2022):

This proposed project will not result in any tree removal, and existing trees near the project will be protected during the construction.

A total of eighty-four (84) proposed new trees are to be planted as part of this project. The proposed planted trees are: eleven (11) Desert Willow, eleven (11) Tecate Cypress, seven (7) Mondell Pine, fourteen (14) Chinese Pistache, twenty-seven (27) Coast Live Oak, and fourteen (14) Tipu tree.

BOARD REPORT

PG. 3 NO. 22-304

Rhodes Park:

This proposed project does not require any trees to be removed. All existing trees will be protected in place. A total of 26 new trees were planted at Rhodes Park. The tree species were composed of Tulip trees and Mexican sycamores.

Southeast Valley Roller Rink/Sheldon Street Recreation Center:

RAP and Bureau of Engineering (BOE) staff will return to the Board for the approval of the design plan for this project.

ENVIRONMENTAL IMPACT

The Board previously approved the scope of work for the following projects:

- Sheldon-Arleta Park Phase IIIC (aka Cesar Chavez Park Development), approved on April 7, 2022 with Board Report No. 22-076;
- Rhodes Park Outdoor Improvements, approved on July 16, 2020 with Board Report No. 20-142).

On June 16, 2004, the Board adopted the Final Initial Study/Mitigated Negative Declaration (IS/MND) for the Sheldon Arleta Park. A Notice of Determination (NOD) for the adopted Final IS/MND was filed with the Los Angeles City Clerk and the Los Angeles County Registrar/Recorder on June 23, 2004. Subsequently, in January 2022 an Addendum to the IS/MND was prepared to address some changes to the project. Staff found that Phase IIIC does not cause new significant environmental effects or increase in the severity of environmental effects that were previously identified under the prior environmental review and that there are no substantial changes to the circumstances of the propose Project and therefore recommended the Board to take no further action pursuant to the California Environmental Quality Act (CEQA).

On July 16, 2020, the Board approved the Rhodes Park Outdoor Improvements Project and determined that it is exempt from the provisions of CEQA. A Notice of Exemption was filed with the Los Angeles County on August 11, 2020.

The Southeast Valley Roller Rink/Sheldon Street Recreation Center Project has not yet been designed, therefore RAP Staff will return to the Board with CEQA determinations once the design plans have been finalized.

FISCAL IMPACT

There is no fiscal impact to RAP's General Fund. However, future maintenance costs for above projects will be adjusted in the next fiscal year budget.

3. The GRANTEE shall make property or facilities acquired and/or developed pursuant to this contract available for inspection upon request by the STATE.

E. Project Termination

1. Project Termination refers to the non-completion of a GRANT SCOPE. Any grant funds that have not been expended by the GRANTEE shall revert to the STATE.
2. The GRANTEE may unilaterally rescind this contract at any time prior to the commencement of the project. The commencement of the project means the date of the letter notifying GRANTEE of the award or when the funds are appropriated, whichever is later. After project commencement, this contract may be rescinded, modified or amended only by mutual CONTRACT in writing between the GRANTEE and the STATE, unless the provisions of this contract provide that mutual CONTRACT is not required.
3. Failure by the GRANTEE to comply with the terms of the (a) PROCEDURAL GUIDE, (b) this CONTRACT or any other grant contracts, specified or general, that GRANTEE has entered into with STATE or any other department, agency, commission or other subdivision of California State government, may be cause for suspension of all obligations of the STATE unless the STATE determines that such failure was due to no fault of the GRANTEE. In such case, STATE may reimburse GRANTEE for eligible costs properly incurred in performance of this CONTRACT despite non-performance of the GRANTEE. To qualify for such reimbursement, GRANTEE agrees to mitigate its losses to the best of its ability.
4. Any breach of any term, provision, obligation or requirement of this CONTRACT by the GRANTEE shall be a default of this CONTRACT. In the case of any default by GRANTEE, STATE shall be entitled to all remedies available under law and equity, including but not limited to: a) Specific Performance; b) Return of all GRANT

MONIES; c) Payment to the STATE of the fair market value of the project property or the actual sales price, whichever is higher; and d) Payment to the STATE of the costs of enforcement of this CONTRACT, including but not limited to court and arbitration costs, fees, expenses of litigation, and reasonable attorney fees.

F. Budget Contingency Clause

If funding for any fiscal year is reduced or deleted by the budget act for purposes of this program, the STATE shall have the option to either cancel this contract with no liability occurring to the STATE, or offer a CONTRACT amendment to GRANTEE to reflect the reduced grant amount. This Paragraph shall not require the mutual CONTRACT as addressed in Paragraph E, subsection 2, of this CONTRACT

G. Hold Harmless

1. The GRANTEE shall waive all claims and recourse against the STATE including the right to contribution for loss or damage to persons or property arising from, growing out of or in any way connected with or incident to this CONTRACT except claims arising from the concurrent or sole negligence of the STATE, its officers, agents, and employees.
2. The GRANTEE shall indemnify, hold harmless and defend the STATE, its officers, agents and employees against any and all claims, demands, damages, costs, expenses or liability costs arising out of the ACQUISITION, DEVELOPMENT, construction, operation or maintenance of the property described as the project which claims, demands or causes of action arise under California Government Code Section 895.2 or otherwise except for liability arising out of the concurrent or sole negligence of the STATE, its officers, agents, or employees.
3. The GRANTEE agrees that in the event the STATE is named as codefendant under the provisions of California Government Code Section 895 et seq., the GRANTEE shall notify the STATE of such fact and shall represent the STATE in the legal action unless the STATE undertakes to represent itself as codefendant in such legal action in which event the GRANTEE agrees to pay the STATE's litigation costs, expenses, and reasonable attorney fees.
4. The GRANTEE and the STATE agree that in the event of judgment entered against the STATE and the GRANTEE because of the concurrent negligence of the STATE and the GRANTEE, their officers, agents, or employees, an apportionment of liability to pay such judgment shall be made by a court of competent jurisdiction. Neither party shall request a jury apportionment.

5. The GRANTEE shall indemnify, hold harmless and defend the STATE, its officers, agents and employees against any and all claims, demands, costs, expenses or liability costs arising out of legal actions pursuant to items to which the GRANTEE has certified. The GRANTEE acknowledges that it is solely responsible for compliance with items to which it has certified.

H. Financial Records

1. The GRANTEE shall maintain satisfactory financial accounts, documents, including loan documents, and all other records for the project and shall make them available to the STATE for auditing at reasonable times. The GRANTEE also agrees to retain such financial accounts, documents and records for five years following project termination or final payment.
2. The GRANTEE shall keep such records as the STATE shall prescribe, including records which fully disclose (a) the disposition of the proceeds of STATE funding assistance, (b) the total cost of the project in connection with such assistance that is given or used, (c) the amount, source and nature of that portion of the project cost supplied by other sources, and (d) any other such records that will facilitate an effective audit.
3. The GRANTEE agrees that the STATE shall have the right to inspect and make copies of any books, records or reports pertaining to this contract or matters related thereto during regular office hours. The GRANTEE shall maintain and make available for inspection by the STATE accurate records of all of its costs, disbursements and receipts with respect to its activities under this CONTRACT, and shall provide copies of all such records to STATE in its certified status reports upon request by the STATE. Such accounts, documents, and records shall be retained by the GRANTEE for at least five years following final payment.
4. The GRANTEE shall use a generally accepted accounting system.

I. Use of Facilities

1. The GRANTEE agrees that the GRANTEE shall operate and maintain, and retain full control of the property acquired or developed with the GRANT MONIES, for the duration of the CONTRACT PERFORMANCE PERIOD.
2. The GRANTEE agrees that, during the CONTRACT PERFORMANCE PERIOD, the GRANTEE shall use the property acquired or developed with grant funds under this CONTRACT only for the purposes of this grant and no other use, sale, assignment, transfer, mortgage, or other disposition or change of the control or use of the property or of any interest in the property to one not consistent with the grant purpose shall be permitted except as authorized by the DEPARTMENT and the property shall be replaced with property of equivalent value and usefulness as determined by the STATE.

3. The property acquired or developed may be transferred or assigned to another entity only if the successor entity assumes the obligations imposed under this CONTRACT and only with the prior approval of STATE.
4. Any real Property (including any portion of it or any interest in it, including any leases) may not be used as security or collateral for any debt, loan or mitigation, without the prior written approval of the STATE, provided that such approval shall not be unreasonably withheld as long as the purposes for which the grant was awarded are maintained. Any such permission that is granted does not make STATE a guarantor or a surety for any debt, loan or mitigation, nor does it waive STATE's rights to enforce performance under the CONTRACT.
5. All real property (including any portion or interest in it, including any leases), or rights thereto, acquired with GRANT MONIES shall be subject to an appropriate form of restrictive title, rights, or covenants approved by the STATE. If the project property is taken by use of eminent domain, GRANTEE shall reimburse STATE an amount at least equal to the amount of grant monies received from STATE or the pro-rated full market value of the real property, including improvements, at the time of sale, whichever is higher.
6. If eminent domain proceedings are initiated against GRANTEE, GRANTEE shall notify STATE within 10 days of receiving the complaint.

J. Nondiscrimination

1. The GRANTEE shall not discriminate against any person on the basis of sex, race, color, national origin, age, religion, ancestry, sexual orientation, or disability in the use of any property or facility developed pursuant to this CONTRACT.
2. The GRANTEE shall not discriminate against any person on the basis of residence except to the extent that reasonable differences in admission or other fees may be maintained on the basis of residence and pursuant to law.
3. All facilities shall be open to members of the public generally, except as noted under the special provisions of this project contract or under provisions of the enabling legislation and/or grant program.

K. Severability

If any provision of this CONTRACT or the application thereof is held invalid, that invalidity shall not affect other provisions or applications of the CONTRACT which can be given effect without the invalid provision or application, and to this end the provisions of this CONTRACT are severable.

L. Liability

1. STATE assumes no responsibility for assuring the safety or standards of construction, site improvements or programs related to the GRANT SCOPE. The STATE'S rights under this CONTRACT to review, inspect and approve the GRANT SCOPE and any final plans of implementation shall not give rise to any warranty or representation that the GRANT SCOPE and any plans or improvements are free from hazards or defects.
2. GRANTEE shall ensure that any contractor hired has adequate liability insurance, performance bond, or other security necessary to protect the GRANTEE interest and the STATE's interest against poor workmanship, fraud, or other potential loss associated with the completion of the GRANT PROJECT.

M. Assignability

Without the written consent of the STATE, the GRANTEE'S interest in and control of any portion of the GRANT PROJECT and responsibilities under this CONTRACT shall not be assignable or transferable by the GRANTEE either in whole or in part.

N. Use of Grant Monies

GRANTEE shall not use any grant funds (including any portion thereof) for the purpose of making any leverage loan, pledge, promissory note or similar financial device or transaction, without: 1) the prior written approval of the STATE; and 2) any financial or legal interests created by any such leverage loan, pledge, promissory note or similar financial device or transaction in the project property shall be completely subordinated to this CONTRACT through a Subordination Agreement provided and approved by the STATE, signed by all parties involved in the transaction, and recorded in the County Records against the fee title of the project property.

O. Section Headings

The headings and captions of the various sections of this CONTRACT have been inserted only for the purpose of convenience and are not a part of this CONTRACT and shall not be deemed in any manner to modify, explain, or restrict any of the provisions of this CONTRACT

P. Waiver

Any failure by a party to enforce its rights under this CONTRACT, in the event of a breach or default, shall *not* be construed as a waiver of said rights; and the waiver of any breach or default under this CONTRACT shall *not* be construed as a waiver of any subsequent breach.

III. SPECIAL PROVISIONS

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. “Economic Sanctions” refers to sanctions imposed by the U.S. government in response to Russia’s actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. The GRANTEE shall assume any obligation to furnish any additional funds that may be necessary to complete the GRANT SCOPE(S).

After project commencement, this contract may be rescinded, modified or amended only by mutual CONTRACT in writing between the GRANTEE and the STATE, unless the provisions of this contract provide that mutual CONTRACT is not required.
3. Failure by the GRANTEE to comply with the terms of the (a) PROCEDURAL GUIDE, (b) this CONTRACT or any other grant contracts, specified or general, that GRANTEE has entered into with STATE or any other department, agency, commission or other subdivision of California State government, may be cause for suspension of all obligations of the STATE unless the STATE determines that such failure was due to no fault of the GRANTEE. In such case, STATE may reimburse GRANTEE for eligible costs properly incurred in performance of this CONTRACT despite non-performance of the GRANTEE. To qualify for such reimbursement, GRANTEE agrees to mitigate its losses to the best of its ability.
4. Any breach of any term, provision, obligation or requirement of this CONTRACT by the GRANTEE shall be a default of this CONTRACT. This Paragraph shall not require the mutual CONTRACT as addressed in Paragraph E, subsection 2, of this CONTRACT

G. Hold Harmless

1. The GRANTEE shall waive all claims and recourse against the STATE including the right to contribution for loss or damage to persons or property arising from, growing out of or in any way connected with or incident to this CONTRACT except claims arising from the concurrent or sole negligence of the STATE, its officers, agents, and employees.
2. The GRANTEE shall indemnify, hold harmless and defend the STATE, its officers, agents and employees against any and all claims, demands, damages, costs, expenses or liability costs arising out of the ACQUISITION, DEVELOPMENT, construction, operation or maintenance of the property described as the project which claims, demands or causes of action arise under California Government Code Section 895.2 or otherwise except for liability arising out of the concurrent or sole negligence of the STATE, its officers, agents, or employees.
3. The GRANTEE agrees that in the event the STATE is named as codefendant under the provisions of California Government Code Section 895 et seq., the GRANTEE shall notify the STATE of such fact and shall represent the STATE in the legal action unless the STATE undertakes to represent itself as codefendant in such legal action in which event the GRANTEE agrees to pay the STATE's litigation costs, expenses, and reasonable attorney fees.
4. The GRANTEE and the STATE agree that in the event of judgment entered against the STATE and the GRANTEE because of the concurrent negligence of the STATE and the GRANTEE, their officers, agents, or employees, an apportionment of liability to pay such judgment shall be made by a court of competent jurisdiction. Neither party shall request a jury apportionment.

5. The GRANTEE shall indemnify, hold harmless and defend the STATE, its officers, agents and employees against any and all claims, demands, costs, expenses or liability costs arising out of legal actions pursuant to items to which the GRANTEE has certified. The GRANTEE acknowledges that it is solely responsible for compliance with items to which it has certified.

H. Financial Records

1. The GRANTEE shall maintain satisfactory financial accounts, documents, including loan documents, and all other records for the project and shall make them available to the STATE for auditing at reasonable times. The GRANTEE also agrees to retain such financial accounts, documents and records for five years following project termination or final payment.

3. The GRANTEE agrees that the STATE shall have the right to inspect and make copies of any books, records or reports pertaining to this contract or matters related thereto during regular office hours. The GRANTEE shall maintain and make available for inspection by the STATE accurate records of all of its costs, disbursements and receipts with respect to its activities under this CONTRACT, and shall provide copies of all such records to STATE in its certified status reports upon request by the STATE. Such accounts, documents, and records shall be retained by the GRANTEE for at least five years following final payment.
4. The GRANTEE shall use a generally accepted accounting system.

I. Use of Facilities

1. The GRANTEE agrees that the GRANTEE shall operate and maintain, and retain full control of the property acquired or developed with the GRANT MONIES, for the duration of the CONTRACT PERFORMANCE PERIOD.
2. The GRANTEE agrees that, during the CONTRACT PERFORMANCE PERIOD, the GRANTEE shall use the property acquired or developed with grant funds under this CONTRACT only for the purposes of this grant and no other use, sale, assignment, transfer, mortgage, or other disposition or change of the control or use of the property or of any interest in the property to one not consistent with the grant purpose shall be permitted except as authorized by the DEPARTMENT and the property shall be replaced with property of equivalent value and usefulness as determined by the STATE.

3. The property acquired or developed may be transferred or assigned to another entity only if the successor entity assumes the obligations imposed under this CONTRACT and only with the prior approval of STATE.
4. Any real Property (including any portion of it or any interest in it, including any leases) may not be used as security or collateral for any debt, loan or mitigation, without the prior written approval of the STATE, provided that such approval shall not be unreasonably withheld as long as the purposes for which the grant was awarded are maintained. Any such permission that is granted does not make STATE a guarantor or a surety for any debt, loan or mitigation, nor does it waive STATE's rights to enforce performance under the CONTRACT.
5. All real property (including any portion or interest in it, including any leases), or rights thereto, acquired with GRANT MONIES shall be subject to an appropriate form of restrictive title, rights, or covenants approved by the STATE. If the project property is taken by use of eminent domain, GRANTEE shall reimburse STATE an amount at least equal to the amount of grant monies received from STATE or the pro-rated full market value of the real property, including improvements, at the time of sale, whichever is higher.
6. If eminent domain proceedings are initiated against GRANTEE, GRANTEE shall notify STATE within 10 days of receiving the complaint.

J. Nondiscrimination

1. The GRANTEE shall not discriminate against any person on the basis of sex, race, color, national origin, age, religion, ancestry, sexual orientation, or disability in the use of any property or facility developed pursuant to this CONTRACT.
2. The GRANTEE shall not discriminate against any person on the basis of residence except to the extent that reasonable differences in admission or other fees may be maintained on the basis of residence and pursuant to law.
3. All facilities shall be open to members of the public generally, except as noted under the special provisions of this project contract or under provisions of the enabling legislation and/or grant program.

K. Severability

If any provision of this CONTRACT or the application thereof is held invalid, that invalidity shall not affect other provisions or applications of the CONTRACT which can be given effect without the invalid provision or application, and to this end the provisions of this CONTRACT are severable.

L. Liability

1. STATE assumes no responsibility for assuring the safety or standards of construction, site improvements or programs related to the GRANT SCOPE. The STATE'S rights under this CONTRACT to review, inspect and approve the GRANT SCOPE and any final plans of implementation shall not give rise to any warranty or representation that the GRANT SCOPE and any plans or improvements are free from hazards or defects.
2. GRANTEE shall ensure that any contractor hired has adequate liability insurance, performance bond, or other security necessary to protect the GRANTEE interest and the STATE's interest against poor workmanship, fraud, or other potential loss associated with the completion of the GRANT PROJECT.

M. Assignability

Without the written consent of the STATE, the GRANTEE'S interest in and control of any portion of the GRANT PROJECT and responsibilities under this CONTRACT shall not be assignable or transferable by the GRANTEE either in whole or in part.

N. Use of Grant Monies

GRANTEE shall not use any grant funds (including any portion thereof) for the purpose of making any leverage loan, pledge, promissory note or similar financial device or transaction, without: 1) the prior written approval of the STATE; and 2) any financial or legal interests created by any such leverage loan, pledge, promissory note or similar financial device or transaction in the project property shall be completely subordinated to this CONTRACT through a Subordination Agreement provided and approved by the STATE, signed by all parties involved in the transaction, and recorded in the County Records against the fee title of the project property.

O. Section Headings

The headings and captions of the various sections of this CONTRACT have been inserted only for the purpose of convenience and are not a part of this CONTRACT and shall not be deemed in any manner to modify, explain, or restrict any of the provisions of this CONTRACT

P. Waiver

Any failure by a party to enforce its rights under this CONTRACT, in the event of a breach or default, shall *not* be construed as a waiver of said rights; and the waiver of any breach or default under this CONTRACT shall *not* be construed as a waiver of any subsequent breach.

3. The property acquired or developed may be transferred or assigned to another entity only if the successor entity assumes the obligations imposed under this CONTRACT and only with the prior approval of STATE.
4. Any real Property (including any portion of it or any interest in it, including any leases) may not be used as security or collateral for any debt, loan or mitigation, without the prior written approval of the STATE, provided that such approval shall not be unreasonably withheld as long as the purposes for which the grant was awarded are maintained. Any such permission that is granted does not make STATE a guarantor or a surety for any debt, loan or mitigation, nor does it waive STATE's rights to enforce performance under the CONTRACT.
5. All real property (including any portion or interest in it, including any leases), or rights thereto, acquired with GRANT MONIES shall be subject to an appropriate form of restrictive title, rights, or covenants approved by the STATE. If the project property is taken by use of eminent domain, GRANTEE shall reimburse STATE an amount at least equal to the amount of grant monies received from STATE or the pro-rated full market value of the real property, including improvements, at the time of sale, whichever is higher.
6. If eminent domain proceedings are initiated against GRANTEE, GRANTEE shall notify STATE within 10 days of receiving the complaint.

J. Nondiscrimination

1. The GRANTEE shall not discriminate against any person on the basis of sex, race, color, national origin, age, religion, ancestry, sexual orientation, or disability in the use of any property or facility developed pursuant to this CONTRACT.
2. The GRANTEE shall not discriminate against any person on the basis of residence except to the extent that reasonable differences in admission or other fees may be maintained on the basis of residence and pursuant to law.
3. All facilities shall be open to members of the public generally, except as noted under the special provisions of this project contract or under provisions of the enabling legislation and/or grant program.

K. Severability

If any provision of this CONTRACT or the application thereof is held invalid, that invalidity shall not affect other provisions or applications of the CONTRACT which can be given effect without the invalid provision or application, and to this end the provisions of this CONTRACT are severable.

L. Liability

1. STATE assumes no responsibility for assuring the safety or standards of construction, site improvements or programs related to the GRANT SCOPE. The STATE'S rights under this CONTRACT to review, inspect and approve the GRANT SCOPE and any final plans of implementation shall not give rise to any warranty or representation that the GRANT SCOPE and any plans or improvements are free from hazards or defects.
2. GRANTEE shall ensure that any contractor hired has adequate liability insurance, performance bond, or other security necessary to protect the GRANTEE interest and the STATE's interest against poor workmanship, fraud, or other potential loss associated with the completion of the GRANT PROJECT.

M. Assignability

Without the written consent of the STATE, the GRANTEE'S interest in and control of any portion of the GRANT PROJECT and responsibilities under this CONTRACT shall not be assignable or transferable by the GRANTEE either in whole or in part.

N. Use of Grant Monies

GRANTEE shall not use any grant funds (including any portion thereof) for the purpose of making any leverage loan, pledge, promissory note or similar financial device or transaction, without: 1) the prior written approval of the STATE; and 2) any financial or legal interests created by any such leverage loan, pledge, promissory note or similar financial device or transaction in the project property shall be completely subordinated to this CONTRACT through a Subordination Agreement provided and approved by the STATE, signed by all parties involved in the transaction, and recorded in the County Records against the fee title of the project property.

O. Section Headings

The headings and captions of the various sections of this CONTRACT have been inserted only for the purpose of convenience and are not a part of this CONTRACT and shall not be deemed in any manner to modify, explain, or restrict any of the provisions of this CONTRACT

P. Waiver

Any failure by a party to enforce its rights under this CONTRACT, in the event of a breach or default, shall *not* be construed as a waiver of said rights; and the waiver of any breach or default under this CONTRACT shall *not* be construed as a waiver of any subsequent breach.

III. SPECIAL PROVISIONS

On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. “Economic Sanctions” refers to sanctions imposed by the U.S. government in response to Russia’s actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. This Executive order extends to recipients of any *State Grants (Grantee)*. *Grantees include those* who have contracted or will contract to receive State grants funds. *Accordingly*, should the State determine that a Grantee is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The State shall provide the Grantee advance written notice of such termination, allowing the Grantee at least 30 calendar days to provide a written response. **Termination of any contract found to be in violation of this Executive Order shall be at the sole discretion of the State.**
