# Reserve Fund: \$7,800,000.00 (Non-Regular Budget Item)

Future expenses year-to-year carry-over of up to but not to exceed \$8.9 million related to the

necessity of 1) emergency advertising funds to mitigate the effects of a catastrophic event, 2) funds required to host future industry events showcasing Los Angeles' hotel inventory and 3) funds required to host future mega events such as the Super Bowl and the Olympics.

+++++++

Please note, the \$7,800,000 balance shown at the top of this section is incorrectly labeled and does not reflect the District's correct "Reserve Fund" estimate. Instead, the \$7,800,000 comprises of two separate components that are added to the "Total Estimated Revenues" section in Appendix A of this report:

(1) The District's estimated "Reserve Fund" balance of \$4,400,000 at December 31, 2022, and (2) its "Estimated Carryover from 2022" of \$3,400,000 at December 31, 2022, otherwise also referred to as "Surplus Revenues". See next page for detail.

Further, the Appendix A form in the BID Portal requires "Total Estimate Revenues" to equal the "Total Estimated Expenditures" which is only possible with an entry to the line labeled "Reserve Fund \*\*" in the amount of \$7,800,000 under the section labeled "NON-REGULAR BUDGET ITEMS". This form does not allow the two components above to be separately itemized.

Reserve Fund: \$4,400,000

The District estimates its "Reserve Fund" balance will be \$4.4 million at the end of CY 2022 and is consistent with discussions with the City Clerk's office about allowing the District to carry over up to, but not to exceed, \$8.9 million in reserves. The District's estimated reserve of \$4,400,000 at December 31, 2022, in comparison to last year's balance at December 31,2021, is the result of routine monthly allocations and transfers approved by the LATMD Board of Directors which occurred throughout CY 2022.

### **Total Estimate of Cost for 2023**

A breakdown of the total estimated 2023 budget is attached to this report as **Appendix A.** 

# Method and Basis of Levying the Assessment

The Method and Basis for levying the 2023 assessment remains the same as listed in the Management District Plan. The Board voted on the .5% increase October 21, 2021. The annual assessment rate is two percent (2%) of gross short-term (stays less than 31 days) room rental revenue on lodging businesses with 50 or more rooms. The assessment rate may increase to a maximum of three percent (3%) of gross room rental revenue but the increase in any year shall not exceed one-half of one percent (0.5%) of gross room rental revenue as detailed in the Management District Plan. The assessment rate may also be decreased, but shall not drop below one and one half percent (1.5%) of gross room rental revenue. Based on the benefit received, assessments will not be collected on certain stays as described in the Management District Plan.

# (There is No CPI increase for 2023)

# **Surplus Revenues: \$3,400,000.00**

The District estimates it will have surplus revenues of \$3,400,000 at December 31, 2022 which reflects a positive collections variance due primarily to upward trends in ADR and room demand during the year ended December 31, 2022. At this time, the District anticipates these surplus revenues to remain unspent by the end of CY 2022 and will be carried over into, and used in, CY 2023.

# **Anticipated Deficit Revenues**

There are no deficit revenues that will be carried over to 2023.
