

BUDGET & FINANCE

MOTION

The Third Council District (CD 3) has received a request to donate one 2003 Ford E250 van to About My Father's Business, a 501(c)(3) tax-exempt non-profit organization that advocates for unhoused, food and financially unsecured City residents while also providing tents, clothing, food, water and resources to assist people in gaining access to shelter.

Section 22.547 of the Los Angeles Administrative Code provides that upon Council approval, surplus City equipment may be sold for less than market value to a non-profit organization located in the City of Los Angeles, which has been established exclusively to further the services provided by the City and its departments. About My Father's Business is located at 7210 Jordan Avenue #C61 in the City of Los Angeles. The donation of the van would allow About My Father's Business to further their humanitarian purposes and benefit the residents of the City of Los Angeles by transporting individuals' personal property to a storage facility. The total fair market value of the van is estimated to be approximately \$1800, which will be forgone revenue should it be donated.

I THEREFORE MOVE that the City Council:

1. Find that About My Father's Business is eligible to purchase one 2003 Ford E250 van (VIN# 1FTNE24L93HB87879) at below market value (\$1.00) in accordance with LAAC Sec. 22.547 (Donation of Surplus City Equipment), as the recipient in a non-profit organization that has been established exclusively to further the services provided by the City; and
2. Request the City Attorney to prepare a contract to effectuate the sale and transfer of the above identified surplus equipment at below market value to About My Father's Business, as expeditiously as possible; and
3. Instruct the City Clerk to inform About My Father's Business [Kathy Huck, (805) 428-2881, 7210 Jordan Avenue #C61, Canoga Park, California 91303] that the surplus equipment must be claimed within 90 days from the date of Council approval of the request after which time it will revert to the City's surplus equipment pool for disposal by the Department of General Services.
