**Comments for Public Posting:** Thank you Councilmember Blumenfield for bringing attention to this issue. I agree with another commenter that this issue should be addressed WAY BEFORE mid December and should never have to wait another month plus for a Council vote for action. Emergency should be handled as such- Special Meeting!! I also agree with the Reseda NC comment letter- we need to see more transparency on the number of permanent support housing units and interim housing beds within each NC boundary and the occupancy rates of these facilities on an ongoing periodic basis. Meanwhile, here in Chatsworth, we have a Travel Lodge, Project Home Key, that has been sitting HALF EMPTY for over two years now!! It is known to elected officials, including Mayor Bass, and no action. Each rainy day and freezing night, I think about this. It's beyond bothersome to me, it's outrageous. Please lets look at these vacancies and get those rooms filled NOW.
