Comments for Public Posting: Hello, my name is Gerald Phillips from Neighborhood Housing Services of Los Angeles County I am writing to support item #5 and ask for your vote to ensure full implementation of Measure ULA advances without delay. Voters overwhelmingly supported Measure ULA and are expecting to see the benefits made possible by the revenue measure. All attention should be directed now towards setting up the infrastructure and staffing for the full implementation of Measure ULA once tax collection begins on April 1. There are many efforts to delay or stop Measure ULA by opponents who do not want to address our housing and homelessness crises. The City must continue to move forward to ensure no other delays are caused. The United to House LA coalition looks forward to continuing to work with all City and community partners as we implement this momentous measure for Los Angeles. Thank you, in advance, for your support and thank you to Councilmembers Raman and Hernandez for putting this motion forward.
