Dear Silberberg Committee:

I wanted to send a note encouraging my support for the Cultural Heritage Monument designation for the Silberberg Building.

This art deco treasure is a fantastic example of the style in Los Angeles. I live in the neighborhood and am a constituent.

I wholeheartedly support this nomination as put forth by the Art Deco Society of Los Angeles, and encourage you to give this wonderful architectural example of the deco style heritage status.

Warm regards,

Todd Calvin

Dear Honorable P.L.U.M. Committee Members,

I've lived in the Miracle Mile and Park La Brea communities for the past 35 years. I'm writing to urge you to ratify the nomination of the Silberberg Building as a Cultural Heritage Monument.

The designation is well deserved and justified under Criterion C as an especially excellent example of the Art Deco style of architecture. The Silberberg Building further merits such designation under Criterion A, as a commercial retail building associated with historic patterns of commercial development within the Beverly-Fairfax neighborhood.

Please approve the designation of the Silberberg Building as a Cultural Heritage Monument of the City of Los Angeles.

Sincerely,

Barbara Gallen

Honorable PLUM

As an adjacent homeowner of this nomination, please designate the Silberberg Building at the SE corner of Beverly Blvd. and Poinsettia Street in 90036 as a City Historic Monument. This very, very striking building, the design like the prow of a deco inspired ship, signifies the growth and optimism and important design influence of the surrounding commercial strip and residential neighborhood. Having been a customer of the Milk ice cream shop, and before that, the much admired Tyler Traficante tailors, I feel an ownership to this beautiful building.

The fact that the family that still owns the building strongly supports it's nomination is indicative of the pride they have in the building, and their dependence on your PLUM to ensure it's longevity.

Thank you,

Toby Horn
