Dear PLUM Committee,

Please accept this letter of my support for the Cultural Heritage Monument Designation for the Silberberg Building property located at [7274-7290 West Beverly Boulevard](#) / 180-182 Poinsettia Place. Without the thoughtful preservation of certain historic buildings, our neighborhood will sadly cease to preserve the charm and character it is known for. It is

important to balance the need for development with an appreciation and preservation of historic architecture. This is the only way to thoughtfully mitigate the changing landscape.

Thank you,
Danielle Peters, life long resident of Beverly Grove
