Comments for Public Posting: Please move forward on making Olympic Gold Winner Cornelius Johnson's former home and Olympic Oak a Historic Landmark. I am a native of Los Angeles. I have recently become aware of the back- history regarding Olympic Oaks. The rich history of this Oak , as well as the actual tree is so precious , let's not make the mistake of losing this majestic Oak. Please schedule consideration of the monument to the PLUM Committee as soon as possible, so that it can be formally designated and its future preservation ensured.
