**Comments for Public Posting:** Dear PLUM Committee: I am writing today to express my support for Cultural Heritage Monument designation for The Hoffman Candy Co building. This building designed by Charles Plummer is a beautiful example of Art Deco architecture, an architect of high merit. Clifton's Cafeteria, among other buildings in his portfolio, have Los Angeles HCM status. This beautiful building is a piece of LA history as well as culturally significant. The Hoffman Candy Co., situated near a railway exported chocolate nationwide and internationally. I fully support this nomination put forth by the Art Deco Society of Los Angeles and hope we can designate this building to protect a piece of LA history. Sincerely, Linda M.
