Comments for Public Posting: Hello. My name is Keith Gilabert. I have been a resident of Los Angeles since 1971. The 1929 Art Deco Hoffman Candy Company and 1931 Silberberg buildings should be Historic Cultural Monuments. It is important for the city preserve it's character and offer residents and visitors a glimpse of the vision of the past. Old buildings are witnesses to the aesthetic and cultural history of a city, stabilizing older communities and bringing citizens together. Thank you for your consideration.
