Comments for Public Posting: Dear PLUM Committee: I am writing today to express my support for Cultural Heritage Monument designation for The Silberberg. This building is a marvelous and beautifully maintained example of Art Deco architecture. The Silberberg Building meets two criteria for designation as a Los Angeles Historic Cultural Monument. Criterion A: It is identified with important events of national, state, or local history, or exemplifies significant contributions to the broad cultural, economic, or social history of the nation, state, city, or community. Criterion C: It embodies the distinctive characteristics of a style, type, period, or method of construction; or represents a notable work of a master designer, builder, or architect whose individual genius influenced his or her age. I fully support the nomination. Please vote to designate the Silberberg building as a Historic-Cultural Monument. Sincerely, Linda M. Byrne
