Comments for Public Posting: What are the loans for this Sanctuary city and taking in all of those who have rushed the border in a plain unlawful act? Some laughing as they trampled on... I question the mentality behind the action of all breaking the law. And I question the mentality of those who feel it is okay. That civility is a free for all. NO to this act for Los Angeles. I am an immigrant and we pushed and struggled to follow the law. I get the pain of the immigrant. Let's do it right. This is not.
