

PUBLIC SAFETY COMMITTEE REPORT relative to an overview of existing plans to manage weather-related emergencies with distributed impacts across the City; and preparing for and responding after an emergency; and related matters.

Recommendation for Council action, pursuant to Motion (Raman – Rodriguez):

INSTRUCT the Emergency Management Department, with assistance from any other relevant departments, to report within 30 days with an overview of existing plans to manage weather-related emergencies with distributed impacts across the City, in addition to lessons learned from the January 2023 storms and corresponding adjustments that will be made, a clear delineation of responsibilities for preparing for and responding after an emergency, and an identification of channels for the communication of critical safety information between City departments, Council offices, and residents.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted

SUMMARY

At the meeting held on March 14, 2023, your Public Safety Committee considered a Motion (Raman – Rodriguez) relative to an overview of existing plans to manage weather-related emergencies with distributed impacts across the City; and preparing for and responding after an emergency; and related matters.

After an opportunity for public comment was held, the Committee moved to approve the recommendation contained in the Motion, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

PUBLIC SAFETY COMMITTEE
