RE: Council File No. 22-1327

On March 1, 2023, the Neighborhoods and Community Development Committee considered Motion (Bonin – Raman - Harris-Dawson - Price) relative to a City-owned property inventory that identifies all underutilized, surplus, and/or remnant lands, and any county, regional, state, and federal public lands that could be transferred or redistributed to historically marginalized groups, and related matters.

After consideration, and having provided an opportunity for public comment, the Committee recommend approval of the Motion. This file is now transmitted to the Energy and Environment, Government Operations, and Trade, Travel, and Tourism Committees'.
