Comments for Public Posting: I'm in support of the motion relative to a settlement agreement modification in the case entitled Christian Rodriguez, et al. v. City of Los Angeles, et al., United States District Court Case No. CV11-01135 DMG (JEMx). There's still millions of dollars that were no used for the class members and their families, and the outreach to located such class members needs to be more transparent so we could target such class members Thank you, Enrique Fernandez
