Comments for Public Posting: I support the appointment of John Gonzales to the City Planning Commission. Crenshaw Manor and many of the surrounding areas have worked with John on numerous projects over the years and found him to be very knowledgeable in planning and land use. With John on board, I feel communities like Crenshaw Manor, Leimert Park, Baldwin Hills Estate, Baldwin Village, and Baldwin Vista have a chance to retain a part of our culture that is slowly being stripped away by new zoning laws passed down by Sacramento. Thank you Mayor Bass for appointing someone with the expertise and who has their hand on the pulse of the city.
