RE: Council File No. 23-0226

On March 15, 2023, the Energy and Environment Committee considered Motion (Rodriguez – Yaroslavsky) relative to authorizing the Bureau of Sanitation to prepare a grant application for the Environmental Protection Agency's Environmental Justice Government-to-Government Program grant to leverage funds that will remediate brownfield sites in Council District 7, redevelop the sites and design community gardens, and create enrichment programming that educates youth on urban gardening and agriculture, and related matters.

After consideration, and having provided an opportunity for public comment, the Committee moved to approve the Motion. This file is now transmitted to the Budget, Finance and Innovation Committee.
