Comments for Public Posting: Dear City Council President and Council Members: I am writing to urge the L.A. City Council to not reappoint Heather Hutt as Council Member for Council District 10, but instead, the City Council should initiate a Special Election. The residents of Council District 10 have the right to choose someone to represent them. They have a right to self-determination. Council President Paul Krekorian stated months ago that the appointment of Heather Hutt was only a TEMPORARY appointment and not a permanent one! Thank you, Lionel Mares, MPA
