Comments for Public Posting: I'm Chairperson of Empowerment Congress West Area Neighborhood Development Council (ECWA Neighborhood Council), but I'm writing today as an individual. I support the appointment of John Gonzales to the Los Angeles City Planning Commission. To the position he brings a depth of knowledge of land use and planning principles as well as their practical application in the Los Angeles setting. In his many years serving on the Crenshaw Design Review Board he has shown a willingness to listen to diverse voices while deliberating within the constraints of existing laws and rules. The City and particularly South Los Angeles will be well served by his appointment. Thank you.
