Comments for Public Posting: Please stop the sale of Senderos Canyon to the developers. This will result in permanent damage to the environment killing plant and animal life, changing the local ecology, a loss of conservationism, in addition to damaging air quality. I strongly support the acquisition of Senderos Canyon by the Mountains and Recreation Conservation Authority (MRCA)/Santa Monica Mountains Conservancy (SMMC)

Comments for Public Posting: I am writing in support of the preservation of Senderos Canyon - “one of the last remaining undeveloped parcels in the City of Los Angeles and a once-in-a-lifetime opportunity to preserve a quickly-vanishing habitat for wildlife and extend the Westridge-Canyonback Wilderness Park and the greater Santa Monica Mountains nature preserve.”
