Comments for Public Posting: Thee Pacific Dinning Car has to be saved and protected as a historical landmark. The Pacific Dinning Car is a unique gem to our beloved city for the memorable treasured moments it has hosted for so many people and should be allowed to do so for future goers who have yet to partake in this living breathing time capsule. I'm sure many people hold this place dearly and have no idea of the possibility of saving it nor its suspended destiny.

Comments for Public Posting: This is such a wonderful restaurant. And a historical landmark and should be treated as such!! The atmosphere is so lovely and so is the place itself. Please preserve it.

Comments for Public Posting: Please save Pacific Dining Car!! It's been a favorite restaurant of ours since the 1980's. We've celebrated family birthdays and annual wedding anniversaries, and a favorite restaurant to visit before attending symphonies and concerts. Please restore and hopefully reopen. The historic building must stay!! So much history.

Comments for Public Posting: I used to know the Idol Family that owned both locations. We used to go there after our Los Angeles Junior Chamber of Commerce (LAJCC) Board Meetings. The Downtown LA location was where the Who's Who of gathered for nightly business meetings and other great fun. I would run into people I would know almost every time I came for a visit. It would be a complete waste to lose this LA Landmark and Treasure. Please act to save our beloved PDC.
