Comments for Public Posting: Venice Community Housing strongly supports Measure ULA and its focus on tenant protections and the construction and preservation of permanently affordable housing. ULA is the biggest voter-initiated revenue stream to stabilize the housing crisis in Los Angeles' history, and we urge the Council to adopt the recommendations put forth by the ULA campaign. This campaign is informed by dozens of service providers, tenant rights and senior housing advocates, and others who are experts in social services and affordable housing delivery. The City of LA needs to begin utilizing ULA dollars--any further delay goes against the overwhelming mandate given by voters to address homelessness prevention. Thank you.
