Comments for Public Posting: My name is Natalie Powell and I am a longtime stakeholder in Crenshaw Manor. I would like to add my support to the appointment of John Gonzales to the City Planning Commission. He has years of experience in construction & planning. John Gonzales is willing to listen to the diverse voices in our neighborhood and surrounding neighborhoods to better understand how & which proposed projects & development plans will impact or enhance the quality of life for ALL residents in Los Angeles. He's an active participant with community groups, HOAs and Neighborhood Council committees and is a true leader. John Gonzales is an excellent selection.
