Summary:

On April 19, 2023, your Committee considered a February 15, 2023 City Clerk report relative to the Old Granada Village 2021-2026 BID's 2023 FY Annual Planning report. According to the City Clerk, the Old Granada Village 2021-2026 BID was established on August 5, 2020 by and through the City Council's adoption of Ordinance No. 186710 which confirmed the assessments to be levied upon properties within the BID, as described in the BID's Management District Plan. Council established the District pursuant to State Law.

State Law requires that the BID's owners' association shall cause to be prepared, for Council's consideration, an Annual Planning Report for each FY year for which assessments are to be levied and collected to pay for the costs of the planned BID improvements and activities. The Annual Planning Report shall be filed with the City Clerk Council Districts and shall refer to the district by name, specify the fiscal year to which the report applies, and, with respect to that fiscal year, shall contain all of the following: any proposed changes in the boundaries of the district or in any benefit zones within the district; the improvements and activities to be provided for that fiscal year; an estimate of the cost of providing the improvements and activities for that fiscal year; the method and basis of levying the assessment in sufficient detail to allow each real property owner to estimate the amount of the assessment to be levied against his or her property for that

fiscal year; the amount of any surplus or deficit revenues to be carried over from a previous fiscal year; and the amount of an contributions to be made from sources other than assessments levied. The attached Annual Planning Report, which was approved by the District's Board at their meeting on November 30, 2022, complies with the requirements of the State Law and reports that programs will continue, as outlined in the Management District Plan adopted by the BID property owners. Council may approve the Annual Planning Report as filed by the BID's owners' association or may modify any particulars contained in the Annual Planning Report, in accordance with State Law, and approve it as modified. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendations contained in the City Clerk report, as detailed above. This matter is now submitted to Council for its consideration.

Respectfully Submitted,
