**Date Submitted:** 04/26/2023 02:34 AM

**Council File No:** 23-0360

**Comments for Public Posting:** This is not a viable option of taking public parking away already in a busy city Also a great idea to run the real estate values of citizens by putting a homeless shelter next to their properties You will not be getting my vote this time round. I am so tired of you city council people
