Comments for Public Posting: My name is Benjamin Reyes Junes, I have been working for Magic Carpet Motor Inn. 15 years plus, my working position is Window Clerk from 4 pm-12:30 midnight. All these years I have been working here it feels like home and it is a nice & safe environment, my boss Mr. Charles E Williams is a great person and cares for all of us and he takes good care of his business. Overall customers are friendly as well and we provide decent service, our parking lot is quiet and looks nice & clean. We don't rent our rooms to prostitutes, drug dealers, or gangsters. When customers come to the window to rent rooms all of us are very careful in observing them make sure they dress and look decent and show proper valid identification or driver's license card. If in any circumstances a customer starts giving us problems, we get their attention right away and let them know we don't allow any problems here and must leave the motel, But in most cases we do not have those problems. Finally, I still don't understand why the police department keeps bothering Mr. Williams's Motel and keeps giving us so many problems at this nice place, now police departments are showing up between 4-5 times on many occasions unbelievable, we don't feel comfortable anymore, we don't have much business and our customers don't understand what is going on. All of us are scared that you guys want to close down this nice Motel for no legitimate reason, we are good hard-working people, and police officers know. Someone from the zoning department must come & do an inspection.. We will keep praying That someone in the zoning department treats all of us in fear and lets us keep working in peace. Thank you.

Comments for Public Posting: My name is Estela I have been working for Magic Carpet Motor Inn for over 17 years, and my position is maid cleaning rooms. I'm pleased to inform you that this motel is a safe & nice place to work. I'm a hard-working person, I love my job. I'm very concerned about what is going on with the police department & the City of L.A. zoning department & my job at the motel. Mr. Williams is running a clean business I do not see prostitution, selling drugs or ,gangsters going on here. We have been instructed to report to the office immediately of any illegal problems we might see in the parking lot or the rooms..it is scared to see a a lot of police cars come 3-5 times a day very often to our motel, they search the customer & their car.. I will pray that all of you can see that this motel is running a clean business & close this case.
