**Comments for Public Posting:** This is pretty funny. When was the last time any of you were part of a jury pool interview? I am usually one of 2 white people there. And usually the ONLY one not lying as I enjoy being on a jury. All the other P.O.C. prospective jurors lie through their teeth to get out of it. To the point it is so obvious that even the judge shakes his head. If you are going to offer more incentives to them, then you better be "inclusive" and offer it to ALL
