Comments for Public Posting: My name is Martin Barrera and I am with Jobs to Move America, a coalition member of ACT-LA. Immigrants are an integral part of our communities and an essential part of the rich cultural tapestry of Los Angeles. A robust sanctuary policy is a necessary step to creating a more inclusive, multi-racial and multicultural Los Angeles. 4.4 million immigrants reside in the Los Angeles metro area totaling 33 percent of the population. Of those 4.4 million, 2.2 million are potentially at risk of deportation. On behalf of this population, it is time for the City of Los Angeles to reassert its leadership on immigrant rights, and to defy the anti-immigrant bigotry that has defined national immigration policies. Immigrant Angelenos continue to face attacks from the federal immigration system. The City can ensure that its resources, property and personnel are not being utilized for any federal immigration enforcement. LA must no longer contribute to or enable the deportation pipeline and separation of families. I call on you to vote AYE on the Sanctuary Motion, Council File #23-0243. By doing so you will affirm the City's commitment to racial justice and to protecting and defending immigrants. Thank you. Martin Barrera
