**NOW, THEREFORE,
THE PEOPLE OF THE CITY OF LOS ANGELES**

DO ORDAIN AS FOLLOWS:

Section 1. The City Council hereby declares its intention to determine that the public interest, convenience, and necessity require the levy and collection of assessments for the 2023-24 fiscal year for City of Los Angeles Landscaping and Lighting District No. 96-1, to provide funding for the acquisition of land or land and improvements, and for the development, improvement, restoration, and maintenance of improvements funded by the District, of parks, open spaces, recreation and community facilities in the District.

Sec. 2. The City Council hereby adopts, approves and confirms the Engineer's Report, which includes the L.A. for Kids Steering Committee FOUR YEAR PLAN, and the A LIST, B LIST, and C LIST of the improvement projects, and the diagram for the District and the Assessment, and orders the Report be filed with the City Clerk, and sets the matter for public hearing as specified in Section 8. The L.A. for Kids Steering Committee FOUR YEAR PLAN (Plan) specifies in detail which acquisitions and improvements are planned for the fiscal years 2023-24 through 2026-27, and describes the locations of the improvements to be funded by the District. The A LIST of the Plan includes projects planned for fiscal year 2023-24. The B LIST of the Plan includes projects that may be substituted for projects on the A LIST during the fiscal year in the event it is determined by the City Council that any project on the A

LIST will not be implemented in the 2023-24 fiscal year. The C LIST of the Plan includes competitive grant alternate projects that may be substituted for projects on the A LIST during the fiscal year in the event it is determined by the City Council that any project on the A LIST will not be implemented in the 2023-24 fiscal year. All projects on the A LIST are subject to environmental analysis pursuant to the California Environmental Quality Act (CEQA), and the environmental analysis process has already been completed, or will be completed prior to adoption of the Ordinance Ordering Confirmation, Levy and Collection of Annual Assessment or as required by law. A Categorical Exemption, Environmental Impact Report, Mitigated Negative Declaration, or Negative Declaration has been or is being prepared and a Notice of Exemption or Notice of Determination has been or will be filed when applicable. For projects on the B LIST and the C LIST, compliance with CEQA must be completed prior to the City Council approving during the 2023-24 fiscal year, the substitution of any of those projects for projects on the A LIST. The Engineer's Report also describes the boundaries of the Assessment District, and the method and rationale for spreading the proposed assessment in proportion to the benefit received by each lot or parcel of land within the District. The Engineer's Report is by this reference incorporated herein as though set forth in full.

Sec. 3. The City Council hereby reaffirms that the boundaries of the City of Los Angeles Landscaping and Lighting District No. 96-1 shall be coterminous with the boundaries of the City of Los Angeles. Every lot or each parcel of land within the City boundaries shall be included in the District.

Sec. 4. The City Council hereby declares that the public interest, convenience, and necessity require, and that it is the intention of said City Council to order, that the expense necessary for the acquisition of land or land and improvements, and for the development, improvement, restoration, and maintenance of improvements funded by the District, of parks, open spaces, recreation and community facilities including repairs, replacement, utilities, care, supervision and all other items necessary for proper maintenance and operation of the Assessment District improvements shall be assessed upon each lot or parcel of land lying within the District in proportion to the estimated benefits received from the improvements.

Sec. 5. The City Council hereby declares that the amounts to be assessed for the expense of such acquisition of land or land and improvements, and of the development, improvement, restoration, and maintenance of improvements funded by the District, shall be levied and collected at the same time and in the same manner and by the same officers as County property taxes are levied and collected, all laws providing for the collection and enforcement of County property taxes shall be applied to the collection and enforcement of the assessments, and all assessments collected shall be disbursed and expended for the acquisition of land or land and improvements, and for the development, improvement, restoration,

and maintenance of improvements funded by the District, for parks, open spaces, recreation and community facilities in the District, all as described in the Engineer's Report.

Sec. 6. The City Council hereby declares that properties owned by public agencies such as cities, the County, the State or the federal government, will not be assessed except when such property is not devoted to a public use. Rights-of-way that are owned by utilities and railroad operating rights-of-way are also exempt from assessment.

Sec. 7. The City Council hereby declares that the proceedings for the levy and collection of assessments of the aforesaid District shall be taken under and in accordance with an act of the Legislature of the State of California known and designated as the Landscaping and Lighting Act of 1972 (Division 15, Part 2 of the Streets and Highways Code).
